Imagining the Tropics Elizabeth S. Manley,Elizabeth Manley,2025-05-13 Imagining the Tropics is a history of the development of tourism in the Caribbean from the 1910s through the 1970s that focuses on the ways women s labors of hospitality writing and advocacy built the industry and its ubiquitous imagery of tropical island relaxation escape and romance By examining a range of sources engaging an array of women protagonists and looking broadly across multiple Caribbean island states including Jamaica Cuba the Bahamas Barbados the Dominican Republic Haiti Puerto Rico Trinidad and Tobago and the U S and British Virgin Islands it seeks to understand how the region came to be sold as a romantic escape from the troubles of the modern world By putting women at the center of Caribbean tourism history as both its ambassadors and objects of desire it seeks to explain some of the complicated contradictions that plague the business of pleasure but also to point toward ways of building alternative models to its present and past extractive realities *Travel and Tourism in America Today* United States. Congress. House. Committee on Energy and Commerce. Subcommittee on Commerce, Trade, and Consumer Protection,2003 *Women and Work in Mexico's Maquiladoras* Altha J. Cravey,1998 The emergence of global assembly plants is closely linked to the creation of a global female industrial labor force Women and Work in Mexico s Maquiladoras examines this larger process in Mexico where despite a century of industrialization and a tradition of well paid highly organized male workers the maquiladora factories have turned to predominantly female labor Exploring this dramatic shift this book convincingly demonstrates how gender restructuring in workplaces and households

has become a crucial element in the reorientation of Mexican development The author compares Mexico s new industrial system with its historical antecedent and documents federal policy changes that have resulted in distinct patterns of gender unionization household form and social welfare Rich in ethnographic detail the book uses the voices of workers themselves to provide an intimate look at how daily lives have been transformed in ways that could not have been foreseen by the national and international processes shaping the country s industrial transition

All-Stars and Movie Stars Ron Briley, Michael K. Schoenecke, Deborah A. Carmichael, 2014-10-17 Sports films are popular forms of entertainment around the world but beyond simply amusing audiences they also reveal much about class race gender sexuality and national identity In *All Stars and Movie Stars* Ron Briley Michael K Schoenecke and Deborah A Carmichael explore the interplay between sports films and critical aspects of our culture examining them as both historical artifacts and building blocks of ideologies values and stereotypes The book covers not only Hollywood hits such as *Field of Dreams* and *Miracle* but also documentaries such as *The Journey of the African American Athlete* and international cinema such as the German film *The Miracle of Bern* The book also explores television coverage of sports commenting on the relationship of media to golf and offering a new perspective on the culture and politics behind the depictions of the world s most popular pastimes The first part of the book addresses how sports films represent the cultural events patterns and movements of the times in which they were set as well as the effect of the media and athletic industry on the athletes themselves Latham Hunter examines how the baseball classic *The Natural* reflects traditional ideas about gender heroism and nation and Harper Cossar addresses how the production methods used in televised golf affect viewers The second section deals with issues such as the growth of women s involvement in athletics sexual preference in the sports world and the ever present question of race by looking at sports classics such as *Rocky* *Hoosiers* and *A League of Their Own* Finally the authors address the historical and present day role sports play in the international and political arena by examining such films as *Visions of Eight* and *The Loneliness of the Long Distance Runner* This important and unique collection illuminates the prominent role that sports play in society and how that role is reflected in film Analysis of the depiction of sports in film and television provides a deeper understanding of the appeal that sports hold for people worldwide and of the forces behind the historic and cultural traditions linked to sports
