Mexico's Democratic Challenges Politics Government And Society:

Mexico's Democratic Challenges Andrew D. Selee, Jacqueline Peschard, 2010 This book broadens our understanding of democracy in Mexico beyond the electoral arena and identifies some of the main challenges for defending and expanding democratic rights Neil Harvey New Mexico State University

The Oxford Handbook of Mexican Politics Roderic Ai Camp, 2012-01-13 Since achieving independence from Spain and establishing its first constitution in 1824 Mexico has experienced numerous political upheavals The country's long and turbulent journey toward democratic representative government has been marked by a tension between centralized autocratic governments historically depicted as a legacy of colonial institutions and federalist structures The years since Mexico's independence have seen a major violent social revolution years of authoritarian rule and finally in the past two decades the introduction of a fair and democratic electoral process Over the course of the thirty one essays in The Oxford Handbook of Mexican Politics some of the world's leading scholars of Mexico will provide a comprehensive view of the remarkable transformation of the nation's political system to a democratic model In turn they will assess the most influential institutions actors policies and issues in its current evolution toward democratic consolidation Following an introduction by Roderic Ai Camp sections will explore the current state of Mexico's political development transformative political institutions the changing roles of the military big business organized labor and the national political elite new political actors including the news media indigenous movements women and drug traffickers electoral politics demographics and political attitudes and policy issues

NAFTA and Democracy in Mexico Pablo Calderón Martínez, 2018-09-05 After describing NAFTA as the worst trade deal maybe ever signed anywhere Donald Trump's election seemed to represent the final nail in the coffin for North American economic integration Following a decade of stagnation however Trump's victory presents a timely opportunity to reconsider North American integration and evaluate NAFTA's democratic track record in Mexico In this book Pablo Calder n Mart nez presents a detailed analysis of NAFTA's influence as a political tool for democracy in Mexico Extending beyond a mere economic or social exploration of the consequences of NAFTA Calder n Mart nez uses a three tiered analysis based on causality mechanisms to explain how the interactions between internationalisation and democratisation unfolded in Mexico Calder n Mart nez's analysis demonstrates that Mexico's internationalisation project under the framework of NAFTA gave shape to if not made Mexico's democratisation process An original and timely resource for scholars and students interested in understanding how in cases like Mexico where transitions to democracy are characterised by a finely poised balance of power small influences from abroad can make significant long lasting differences domestically

Contemporary Mexican Politics Emily Edmonds-Poli, David A. Shirk, 2020-03-10 This comprehensive and engaging text explores contemporary Mexico's political economic and social development and examines the most important policy issues facing the country today Readers will find this widely praised book continues to be the most current and accessible work available on Mexico's politics and policy

Introduction to Mexico Gilad James, PhD, Mexico is a North American country situated between the United States to the north and Belize and Guatemala to the south The country stretches over an area of 1 969 908 square kilometers making it the 13th largest country globally by area Mexico is also the 3rd most populous country in the Americas and the 11th most populous country globally Mexico s population is estimated to be over 128 million people and it is composed of various ethnic groups with different cultures and languages The country has both rural and urban regions with large cities such as Mexico City Guadalajara and Monterrey Mexico s history dates back thousands of years with different indigenous groups occupying land long before the arrival of the Spanish in 1521 After gaining independence from Spain in 1821 Mexico has experienced political instability and economic challenges Despite these challenges Mexico has a robust economy driven by tourism petroleum manufacturing and agriculture The country also has beautiful landscapes including beaches mountains and deserts making it a popular tourist destination Mexico is known for its rich culture including art music food and festivals which celebrate the diverse cultures within the country

Cases in Comparative Government and Politics John McCormick, 2019-09-20 Using twelve pivotal cases this book brings comparative politics to life by highlighting the key differences in political systems around the world Written by renowned textbook author John McCormick the book opens with two context setting chapters on the field of comparative politics and the varying nature of political systems The cases that follow thereafter have been carefully chosen to illustrate a variety of political types different levels of political development and to ensure geographical and cultural diversity The textbook is ideal for both undergraduate and postgraduate students who are taking introductory courses in comparative politics introduction to politics and political science

The Promise and Perils of Populism Carlos de la Torre, 2015-01-13 From the protesters in Cairo s Tahrir Square to the Tea Party in the United States to the campaign to elect indigenous leader Evo Morales in Bolivia modern populist movements command international attention and compel political and social change When citizens demand power to the people they evoke corrupt politicians imperialists or oligarchies that have appropriated power from its legitimate owners These stereotypical narratives belie the vague and often contradictory definitions of the concept of the people and the many motives of those who use populism as a political tool In *The Promise and Perils of Populism* Carlos de la Torre assembles a group of international scholars to explore the ambiguous meanings and profound implications of grassroots movements across the globe These trenchant essays explore how fragile political institutions allow populists to achieve power while strong institutions confine them to the margins of political systems Their comparative case studies illuminate how Latin American African and Thai populists have sought to empower marginalized groups of people while similar groups in Australia Europe and the United States often exclude people whom they consider to possess different cultural values While analyzing insurrections in Latin America advocacy groups in the United States Europe and Australia and populist parties in Asia and Africa the contributors also pose questions and agendas for further research This volume on contemporary populism from a comparative perspective

could not be more timely and scholars from a variety of disciplines will find it an invaluable contribution to the literature

Democracy and Security in Latin America Gabriel Marcella, Orlando J. Pérez, Brian Fonseca, 2021-11-04 The COVID 19 pandemic has highlighted the need for governments to generate the necessary capacity to address important security and institutional challenges this volume deepens our understanding of the nature and extent of state governance in Latin America State capacity is multidimensional with all elements interacting to produce stable governance and security As such a collection of scholars and practitioners use an explicit interdisciplinary approach drawing on the contributions of history political science economics public policy military studies and other fields to gain a rounded understanding of the link between security and democracy Democracy and Security in Latin America is divided in two sections Part 1 focuses on the challenges to governance and key institutions such as police courts armed forces and the prison system Part 2 features country case studies that illustrate particularly important security challenges and various means by which the state has confronted them Democracy and Security in Latin America should appeal not only to those seeking to learn more about the capacity of the democratic state in Latin America to effectively provide public security in times of stress but to all those curious about the reality that a democracy must have security to function *Emigrants Get Political* Michael S.

Danielson, 2018 Migrants have become an important social and political constituency throughout the world In addition to sending remittances to their home countries many migrants maintain political ties with their nations of origin through the expansion of dual citizenship and voting rights But to what extent do migrants influence their home communities and governments Michael S Danielson develops a theory of and methodological model for studying migrant impact on the communities and countries they leave behind examining a largely underexplored area of research in the migration literature

The Constitution of Mexico José María Serna de la Garza, 2013-05-31 This book provides an overview of Mexico's political evolution since it became independent from Spain in 1821 and its current constitutional arrangements principles and structures The aim is to explain this evolution as the result of struggles between the interests and ideologies of different groups within Mexican society each with a different political vision of how the State should be organised Chapter 1 reviews Mexico's constitutional trajectory and explains why democracy republicanism federalism separation of state and church protection of fundamental rights and the Nation's ownership of mineral resources first became constitutional principles Chapters 2 3 4 and 5 deal respectively with democracy and the electoral system and the legislative executive and judicial branches of federal government Chapter 6 introduces the institutional structure of Mexico's federal system while Chapter 7 discusses the rules principles and institutions for the protection of human rights Chapter 8 examines the constitutional regime of Mexico's economy The conclusion explains how a series of factors has combined to produce a gap between the formal Constitution and what can be seen as the living Constitution bridging that gap presents Mexican politics and society with one of its great contemporary challenges **The Way That Leads Among the Lost** Angela Garcia, 2024-04-30 Based

on over a decade of research a powerful moving work of narrative nonfiction that illuminates the little known world of the anexos of Mexico City the informal addiction treatment centers where mothers send their children to escape the violence of the drug war *The Way That Leads Among the Lost* reveals a hidden place where care and violence are impossible to separate the anexos of Mexico City The prizewinning anthropologist Angela Garcia takes us deep into the world of these small rooms informal treatment centers for alcoholism addiction and mental illness spread across Mexico City s tenements and reaching into the United States Run and inhabited by Mexico s most marginalized populations they are controversial for their illegality and their use of coercion Yet for many Mexican families desperate to keep their loved ones safe these rooms offer something of a refuge from what lies beyond them the intensifying violence surrounding the drug war This is the first book ever written on the anexos Garcia who spent a decade conducting anthropological fieldwork in Mexico City draws readers into their many dimensions casting light on the mothers and their children who are entangled in this hidden world Following the stories of its denizens she asks what these places are why they exist and what they reflect about Mexico and the wider world With extraordinary empathy and a sharp eye for detail Garcia attends to the lives that the anexos both sustain and erode wrestling with the question of why mothers turn to them as a site of refuge even as they reproduce violence Woven into these portraits is Garcia s own powerful story of family childhood homelessness and drugs a blend of ethnography and memoir converging on a set of fundamental questions about the many forms and meanings that violence love care family and hope may take Infused with profound ethnographic richness and moral urgency *The Way That Leads Among the Lost* is a stunning work of narrative nonfiction a book that will leave a deep mark on readers

Decentralization, Democratization, and Informal Power in Mexico Andrew Selee, 2015-10-20 In the last two decades of the twentieth century many countries in Latin America freed themselves from the burden of their authoritarian pasts and developed democratic political systems At the same time they began a process of shifting many governmental responsibilities from the national to the state and local levels Much has been written about how decentralization has fostered democratization but informal power relationships inherited from the past have complicated the ways in which citizens voice their concerns and have undermined the accountability of elected officials In this book Andrew Selee seeks to illuminate the complex linkages between informal and formal power by comparing how they worked in three Mexican cities The process of decentralization is shown to have been intermediated by existing spheres of political influence which in turn helped determine how much the institution of multiparty democracy in the country could succeed in bringing democracy closer to home

Mexico Roderic Ai Camp, 2017-06-01 In the fully updated second edition of *Mexico What Everyone Needs to Know* Roderic Ai Camp will take readers through the myriad issues confronting Mexico domestically and internationally Informed and contextualized by Camp s deep knowledge of Mexican political and cultural history the book will address Mexican security and violence economic and political development its foreign relations with the United States social development and current cultural concerns

Labor Politics

in *Latin America* Paul W. Posner, Viviana Patroni, Jean François Mayer, 2018-08-14 Labor Politics in Latin America assesses the capacity of working class organizations to represent and advance working people's demands in an era in which capital has reasserted its power on a global scale. The book's premise is that the longer term sustainability of development strategies for the region is largely connected to the capacity of working class organizations to secure a fairer distribution of the gains from growth.

Reforming Civil-Military Relations in New Democracies Aurel Croissant, David Kuehn, 2017-03-20 This book addresses the challenge of reforming defense and military policy making in newly democratized nations. By tracing the development of civil-military relations in various new democracies from a comparative perspective, it links two bodies of scholarship that thus far have remained largely separate: the study of emerging or failed civilian control over armed forces on the one hand and work on the roots and causes of military effectiveness to guarantee the protection and security of citizens on the other. The empirical and theoretical findings presented here will appeal to scholars of civil-military relations, democratization and security issues as well as to defense policy makers.

Modern Mexico James D. Huck Jr., 2017-12-01 This single volume reference resource offers students, scholars, and general readers alike an in-depth background on Mexico from the complexity of its pre-Columbian civilizations to its social and political development in the context of Western civilization. How did modern Mexico become a nation of multicultural diversity and rich indigenous traditions? What key roles do Mexico's non-Western pre-Columbian indigenous heritage and subsequent development as a major center in the Spanish colonial empire play in the country's identity today? How is Mexico today both Western and non-Western, part Native American and part European simultaneously, traditional and modern? Modern Mexico is a thematic encyclopedia that broadly covers the nation's history, both ancient and modern, its government, politics, and economics, as well as its culture, religion, traditions, philosophy, arts, and social structures. Additional topics include industry, labor, social classes, and ethnicity, women, education, language, food, leisure, and sport, and popular culture. Sidebars, images, and a Day in the Life feature round out the coverage in this accessible, engaging volume. Readers will come to understand how Mexico and the Mexican people today are the result of the processes of transculturation, globalization, and civilizational contact.

Mexico Roderic A. Camp, 2017 Offers a valuable primer for anyone interested in the past, present, and future of our neighbor to the South.

Electoral Rules and Democracy in Latin America Cynthia McClintock, 2018 During Latin America's third democratic wave, a majority of countries adopted a runoff rule for the election of the president, effectively dampening plurality voting, opening the political arena to new parties, and assuring the public that the president will never have anything less than majority support. In a region in which undemocratic political parties were common and have often been dominated by caudillos, cautious naysayers have voiced concerns about the runoff process, arguing that a proliferation of new political parties vying for power is a sign of inferior democracy. This book is the first rigorous assessment of the implications of runoff versus plurality rules throughout Latin America and demonstrates that, in contrast to early scholarly skepticism about runoff, it has been positive for democracy in

the region Primarily through qualitative analysis for each country the author argues that indeed an important advantage of runoff is the greater openness of the political arena to new parties at the same time that measures can be taken to inhibit party proliferation In this context it is also the first volume to address whether or not a runoff rule with a reduced threshold for example 40% with a 10 point lead is a felicitous compromise between majority runoff and plurality The book considers the potential for the superiority of runoff to travel beyond Latin America in particular and rather provocatively to the United States

The Cultural Fabric of the Americas Joshua Hyles, 2018-10-19 This collection of essays includes papers presented at the 21st annual Eugene Scassa Mock OAS Conference an inter collegiate competition and prestigious academic conference focused on inter American political systems and the politics history and culture of the Americas The volume includes papers on US Mexico and Mexico Spain business relations written by experts from universities in Mexico Organisation of American States intervention in Cuba and Venezuela social histories of Mexico involving women s rights civil rights of immigrants in the American Southwest and the history and nuance of LGBT groups in Mexico quantitative analysis of protest movements in Chile religious history as pertaining to politics in the early United States and a series of three short papers on the importance and legacy of sugar in the Caribbean Written by recognized authorities in their fields and by promising new scholars alike the collection presents a wide assortment of viewpoints and research backgrounds to portray the Americas and its vast and diverse cultural fabric

Mexico's Politics and Society in Transition Joseph S. Tulchin, Andrew D. Selee, 2003 An exploration of the interrelated trends of Mexico s transitional politics and society Offering perspectives on the problems on the Mexican agenda the authors discuss the politics of change the challenges of social development and how to build a mutually beneficial US Mexico relationship

Mexicos Democratic Challenges Politics Government And Society Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Mexicos Democratic Challenges Politics Government And Society free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Mexicos Democratic Challenges Politics Government And Society free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Mexicos Democratic Challenges Politics Government And Society free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Mexicos Democratic Challenges Politics Government And Society. In

conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Mexicos Democratic Challenges Politics Government And Society any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Mexicos Democratic Challenges Politics Government And Society Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Mexicos Democratic Challenges Politics Government And Society is one of the best book in our library for free trial. We provide copy of Mexicos Democratic Challenges Politics Government And Society in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Mexicos Democratic Challenges Politics Government And Society. Where to download Mexicos Democratic Challenges Politics Government And Society online for free? Are you looking for Mexicos Democratic Challenges Politics Government And Society PDF? This is definitely going to save you time and cash in something you should think about.
