Michelle Obama Mom In Chief:

Michelle Obama Roberta Edwards, 2009 From the bestselling author illustrator duo behind Barack Obama United States President Puffin 2009 comes another easy to read biography for children filled with photos of the entire Obama family Michelle Obama Mom in Chief charts Michelle's life from her childhood in Chicago to her year in Princeton and at Harvard Law School and her subsequent historic journey to the White House *Moms in Chief* Tammy R. Vigil, 2019-01-23 In 1776 when Abigail Adams implored her husband to Remember the Ladies John Adams scoffed declaring We know better than to repeal our masculine system More than two hundred years later American women continue to struggle against the idea that they are simply vassal extensions of their husbands a notion that is acutely enacted in presidential campaigns An examination of how the spouses of recent presidential candidates have presented themselves and been perceived on the campaign trail Moms in Chief reveals the ways in which the age old rhetoric of republican motherhood maintains its hold on the public portrayal of womanhood in American politics and constrains American women's status as empowered autonomous citizens The rhetoric of republican motherhood describes the ostensibly ideal female patriot as domestically focused self sacrificial deferential and defined by her relationship to others particularly her husband Moms in Chief combines the study of history gender communication and politics to show how the spouses of the major parties presidential nominees from 1992 to 2016 at times fulfilled at other times flouted but at all times were handicapped by this stereotype From Barbara Bush as dynastic mother to Michelle Obama as Mom in Chief from Laura Bush as all American wife to Melania Trump as model immigrant from Teresa Heinz Kerry as assertive heiress to Bill Clinton as past president and prospective first gentleman Tammy R Vigil explores the function of presidential consorts in their spouses campaigns and she scrutinizes how their portrayal by opponents the press and themselves has challenged or reinforced perceptions of the role of gender and the place of women in American political life In the unofficial contest between candidates spouses there are winners and losers What is at stake Vigil's research suggests is the very definition of women as American citizens and political actors [Michelle Obama's Impact on African American Women and Girls](#) Michelle Duster, Paula Marie Seniors, Rose C. Thevenin, 2018-08-17 This edited collection explores how First Lady Michelle Obama gradually expanded and broadened her role by engaging in social political and economic activities which directly and indirectly impacted the lives of the American people especially young women and girls The volume responds to the various representations of Michelle Obama and how the language and images used to depict her either affirmed offended represented or misrepresented her and its authors It is an interdisciplinary evaluation by African American women and girls of the First Lady's overall impact through several media including original artwork and poetry It also examines her political activities during and post election 2016 **An Autoethnography of African American Motherhood** Renata Harden Ferdinand, 2021-11-29 This is the first full length explicitly identified autoethnographic text on African American motherhood It shows the lived experiences of Black motherhood when mothering

is shaped by race gender and class and mothers must navigate not only their own but also their children's positions in society Ferdinand takes an intimate look at her mothering strategies spanning ten years from 2007 to 2017 preparing her daughter to traverse a racist and sexist society It is a multi generational text that blends the author's experience with that of her own mother grandmother and her daughter to engage in a larger discussion of African American Black mother womanhood It is grounded within Black Feminist Theory which centers the experiences of Black women within the domains of intersecting oppressions It is from a very personal position that Ferdinand provides a glimpse into the minutiae of mothering that reveal the everyday intricacies of Black women as mothers It highlights specific strategies Black mothers use to combat discrimination and oppression from teaching their children about the n word to choosing positive representations of Black identity in movies books dolls daycares elementary schools and even extra curricular activities It shows the impact that stereotypical manifestations of Black femininity have on Black women's experience of motherhood and how this affects Black women and girls understanding of themselves especially their skin color body shape and hair texture As an interdisciplinary text this book will be reading for academics and students in a broad range of fields including Education African American Studies Communication Studies Women Studies Psychology and Health Studies It is also a handbook of lived experience for Black mothers grandmothers and daughters and for all mothers grandmothers and daughters irrespective of color

Michelle Obama and the FLOTUS Effect Heather E. Harris, Kimberly R. Moffitt, 2019-10-29 The FLOTUS Effect emphasizes the import of agency on the part of Michelle Obama in relation to her politics as evidenced in her positionality and presence as the first African American woman to serve as First Lady of the United States of America Her occupation of a previously white space and place tended to frame her as an enigma in the American mind and media Contributors reflect on Mrs Obama's eight years in her ceremonial position and the ways she chose to uniquely embody her role Hence the result is a volume that speculates upon her evolving legacy and the likely effects of what it meant to be the first African American woman to serve in the ceremonial yet powerful role of FLOTUS

Race in the Age of Obama Donald Cunnigen, Marino A. Bruce, 2010-12-17 Looks at the impact of the key sociological issues faced by the new Obama Administration and explores conventional topics on race and ethnic relations as well as delving into fresh areas of intellectual inquiry regarding the changing scope of race relations in a global context This title examines the 2008 Presidential Election

Michelle Obama Elizabeth J. Natalle, Jenni Simon, 2015-08-27 Michelle Obama First Lady American Rhetor is an edited anthology that explores the persona and speech making of the country's first African American first lady The result of these thought provoking essays is an interdisciplinary text that explores the First Lady from a rhetorical and cultural point of view Authors analyze her Democratic National Convention speeches her brand as First Lady her communication from her latest trip to Africa her agenda rhetoric in Let's Move and Reach Higher and her coming out as a Black feminist intellectual when she spoke at Maya Angelou's memorial service Readers will recognize Michelle Obama as a rhetor of our times a woman who influences

America at the intersections of gender race and class and who is representative of what women are today *Women and the White House* Justin S. Vaughn, Lilly J. Goren, 2012-11-30 As the first female vice president takes office this volume explores gender perceptions and the executive role An important impressive book Lane Crothers author of *Globalization and American Popular Culture* The president of the United States has traditionally served as a symbol of power virtue ability dominance popularity and patriarchy In recent years however a number of high profile female candidacies have provoked new interest in gendered popular culture and how it influences Americans perceptions of the country s highest political office In this timely volume editors Justin S Vaughn and Lilly J Goren lead a team of scholars in examining how the president and the first lady exist as a function of public expectations and cultural gender roles The authors investigate how the candidates messages are conveyed altered and interpreted in hard and soft media forums from the nightly news to daytime talk shows and from tabloids to the blogosphere They also address the portrayal of the presidency in film and television productions such as 1964 s *Kisses for My President* and 2005 s *Commander in Chief* With its strong multidisciplinary approach *Women and the White House* commences a wider discussion about the growing possibility of a female president in the United States the ways in which popular perceptions of gender will impact her leadership and the cultural challenges she will face *The Meaning of Michelle* Veronica Chambers, 2017-01-10 Michelle Obama is unlike any other first lady in American history From her first moments on the public stage she has challenged traditional American notions about what it means to be beautiful to be strong to be fashion conscious to be healthy to be First Mom to be a caretaker and hostess and to be partner to the most powerful man in the world While many books have looked at Michelle Obama from a fashion perspective no book has fully explored what Michelle Obama means to our culture *The Good Mother Myth* Avital Norman Nathman, 2013-12-31 In an era of mommy blogs Pinterest and Facebook *The Good Mother Myth* dismantles the social media fed notion of what it means to be a good mother This collection of essays takes a realistic look at motherhood and provides a platform for real voices and raw stories each adding to the narrative of motherhood we don t tend to see in the headlines or on the news From tales of mind bending panic inducing overwhelm to a reflection on using weed instead of wine to deal with the terrible twos the honesty of the essays creates a community of mothers who refuse to feel like they re in competition with others or with the notion of the ideal mom they re just trying to find a way to make it work With a foreword by Christy Turlington Burns and a contributor list that includes Jessica Valenti Sharon Lerner Soraya Chemaly Amber Dusick and many more this remarkable collection seeks to debunk the myth and offer some honesty about what it means to be a mother **An Unprecedented Election** Benjamin R. Warner, Dianne G. Bystrom, Mitchell S. McKinney, Mary C. Banwart, 2018-02-21 Written by leading scholars of political communication this book provides a comprehensive accounting of the campaign communication that characterized the unprecedented 2016 presidential campaign The political events leading up to election day on November 8 2016 involved unprecedented events in U S history Hillary Clinton was the first woman to be nominated by a major party and

she was favored to win the highest seat in the nation Donald Trump arguably one of the most unconventional and most unlikely to succeed candidates in U S history became the leading candidate against Clinton Then an even more surprising thing happened Trump won an outcome unexpected by all experts and statistical models An Unprecedented Election Media Communication and the Electorate in the 2016 Campaign presents proprietary research conducted by a national election team and leading scholars in political communication and documents the most significant and in some cases the most shocking features of the 2016 U S presidential election The information presented in this book is derived from national surveys experiments and textual analysis and helps readers grasp the truly unique characteristics of this campaign that make it unlike any other in U S history The chapters explain the underlying dynamics of this astonishing election by assessing the important role of both traditional and social media the evolving and potentially diminishing influence of televised campaign advertisements the various implications of three historic presidential debates and the contextual significance of convention addresses Readers will come away with an appreciation of the content and effects of the campaign communication and media coverage as well as the unique attributes of the electorate that ultimately selected Donald Trump as the 45th president of the United States

The Rhetoric of Heroic Expectations Justin S. Vaughn, Jennifer Mercieca, 2014-02-15 Campaign rhetoric helps candidates to get elected but its effects last well beyond the counting of the ballots this was perhaps never truer than in Barack Obama s 2008 campaign Did Obama create such high expectations that they actually hindered his ability to enact his agenda Should we judge his performance by the scale of the expectations his rhetoric generated or against some other standard The Rhetoric of Heroic Expectations Establishing the Obama Presidency grapples with these and other important questions Barack Obama s election seemed to many to fulfill Martin Luther King Jr s vision of the long arc of the moral universe bending toward justice And after the terrorism war and economic downturn of the previous decade candidate Obama s rhetoric cast broad visions of a change in the direction of American life In these and other ways the election of 2008 presented an especially strong example of creating expectations that would shape the public s views of the incoming administration The public s high expectations in turn become a part of any president s burden upon assuming office The interdisciplinary scholars who have contributed to this volume focus their analysis upon three kinds of presidential burdens institutional burdens specific to the office of the presidency contextual burdens specific to the historical moment within which the president assumes office and personal burdens specific to the individual who becomes president

Black Women in Politics Michael Mitchell, 2017-09-29 The research included in this volume examines the competing pressures felt by black women as political agents in the domains of elections public policy and social activism Their challenges and initiatives are explored in public spaces institutional behaviours and public policy The volume features cutting edge research exploring black women s political engagement The first group of contributors interrogates the treatment of black women within the discipline of political science The second group examines the relationship between cultural politics and policymaking The

third and final group outlines the politics of race gendered identity and black feminist practice Black Women in Politics includes chapters on black leadership radical versus moderate politics in New Orleans and the Shelby vs Holder Supreme Court decision The editors introduce a new series highlighting trends in black politics Finally the work notes the passing of William Nick Nelson and Hanes Walton Jr prominent members of the National Conference of Black Political Scientists

Mothering Rhetorics Lynn O'Brien Hallstein, 2020-03-03 Once only a topic among women in the private sphere motherhood and mothering have become important intellectual topics across academic disciplines Even so no book has yet devoted a sustained look at how exploring mothering rhetorics the rhetorics of reproduction rhetorics about the reproductive function of women mothers and reproducing rhetorics the rhetorical reproduction of ideological systems and logics of contemporary culture expand our understanding of mothering motherhood communication and gender Mothering Rhetorics begins to fill this gap for scholars and teachers interested in the study of mothering rhetorics in their historical and contemporary permutations The contributions explore the racialized rhetorical contexts of maternity how fixing food is thought to fix families while also regulating maternal activities and identity how Black female breastfeeding activists resisted the exploitation of African American mothers in Detroit how women in pink collar occupations both adhere to and challenge maternity leave discourses by rhetorically positioning their leaves as time off and disability identifying verbal and nonverbal shaming practices related to unwed motherhood during the mid twentieth century and redefining alternative postpartum placenta practices This book was originally published as a special issue of Women's Studies in Communication

Representations of Black Women in the Media Marquita Marie Gammage, 2015-10-16 In 1920 W E B Du Bois cited the damnation of women as linked to the devaluation of motherhood This dilemma he argues had a crushing blow on Black women as they were forced into slavery Black womanhood portrayed as hypersexual by nature became an enduring stereotype which did not coincide with the dignity of mother and wife This portrayal continues to reinforce negative stereotypes of Black women in the media today This book highlights how Black women have been negatively portrayed in the media focusing on the export nature of media and its ability to convey notions of Blackness to the public It argues that media such as rap music videos television dramas reality television shows and newscasts create and affect expectations of Black women Exploring the role that racism misogyny and media play in the representation of Black womanhood it provides a foundation for challenging contemporary media's portrayal of Black women

African Americans in the Human Sciences Julia R. Miller Arline, Vanessa P. Jackson, Jacqueline M. Emancipation's Daughters Riché Richardson, 2020-11-23 Rich Richardson examines how five iconic black women Mary McLeod Bethune Rosa Parks Condoleezza Rice Michelle Obama and Beyoncé defy racial stereotypes and construct new national narratives of black womanhood in the United States

Paint the White House Black Michael P. Jeffries, 2013-02-13 Barack Obama's election as the first black president in American history forced a reconsideration of racial reality and possibility It also incited an outpouring of discussion and analysis of Obama's personal and political exploits Paint the White House Black fills a significant void in Obama-themed debate shifting the emphasis from the details of Obama's political career to an understanding of how race works in America In this groundbreaking book race rather than Obama is the central focus Michael P. Jeffries approaches Obama's election and administration as common cultural ground for thinking about race He uncovers contemporary stereotypes and anxieties by examining historically rooted conceptions of race and nationhood discourses of biracialism and Obama's mixed heritage the purported emergence of a post-racial society and popular symbols of Michelle Obama as a modern black woman In so doing Jeffries casts new light on how we think about race and enables us to see how race in turn operates within our daily lives Race is a difficult concept to grasp with outbursts and silences that disguise its relationships with a host of other phenomena Using Barack Obama as its point of departure Paint the White House Black boldly aims to understand race by tracing the web of interactions that bind it to other social and historical forces

Feminism after 9/11 Carmen R. Lugo-Lugo, Mary K. Bloodsworth-Lugo, 2017-09-30 This book is about social phenomena that directly acknowledge the structures and ideologies emerging after September 11, 2001 It considers how these structures and ideologies manage control and contain specific bodies with respect to race ethnicity gender sexuality and citizenship status Inflections presented via 9/11 come into play against a backdrop shaped by established patterns of behavior and attitudes toward women and particular groups of people within an American landscape As a result existing notions of threat combine with 9/11 inflections to shape a specific conception of threat in a context after 9/11 and within this context a feminism after 9/11 emerges This contextualized feminism would have to develop its analysis within the frame of a society fundamentally altered by the events of 9/11 including its ideological aftermath by foregrounding pertinent social categories as they interplay with women's bodies
