

Critical raves for Kurt Vonnegut, Jr.'s novels

Cat's Cradle

"I think of it as one of the three best novels of the year by one of the most able living authors."

—Graham Greene

"Inevitable and highly entertaining . . . a work of far more engaging and meaningful order than the melodramatic trips most critics seem to consider 'serious.'"

—Terry Southern

"It is a brilliant and terribly funny book—easily the best thing of its kind since *A Handful of Dust*."

—Jules Feiffer

"A delightful novel . . . It celebrates world's end in the most joyous way."

—Warren Miller

"A mad caprice . . . a freewheeling vehicle that gives you an unforgettable ride."

—*The New York Times*

"The most imaginative novel since *Catch-22*."

—*Shew*

God Bless You, Mr. Rosewater

"The novel happens to be excellent. It explores the problem of how to love people who are of no use with such fantastic humor that we at first do not realize that it is ominous. I was completely taken by it."

—Nelson Algren

"A brilliantly funny satire on almost everything."

—Conrad Allen

"Mr. Vonnegut, who has developed into one of the most effective satirists of our day, has written . . . a novel that is as wildly funny on the surface and as deadly serious below as his last book."

—Maurice Dobbins, *Harvard Tribune*

Mother Night

A novel by Kurt Vonnegut, Jr.

Author of *Cat's Cradle* and *God Bless You, Mr. Rosewater*

Mother Night A Novel

Catherine Chidgey

Mother Night A Novel:

Narrative Justice Rafe McGregor, 2018-09-16 This book introduces narrative justice a new theory of aesthetic education the thesis that the cultivation of aesthetic or artistic sensibility can both improve moral character and achieve political justice The author argues that there is a subcategory of narrative representations that provide moral knowledge regardless of their categorisation as fiction or non fiction and which therefore can be employed as a means of moral improvement McGregor applies this narrative ethics to the criminology of inhumanity including both crimes against humanity and terrorism Expanding on the methodology of narrative criminology he demonstrates that narrative representations can be employed to evaluate responsibility for inhumanity to understand the psychology of inhumanity and to undermine inhumanity and are thus a means to the end of opposing injustice He concludes that the cultivation of narrative sensibility is an important tool for both moral improvement and political justice The Book of Guilt Catherine Chidgey, 2025-09-16 In an alternate world where

nobody won WWII three brothers are the only boys left in an orphanage whose dark secret is the reason for their existence and the key to their survival from the acclaimed author of *Pet Q* quietly devastating fiercely intelligent and unforgettable The Irish Times After a very different outcome to WWII than the one history recorded 1979 England is a country ruled by a government whose aims have sinister underpinnings and alliances In the Hampshire countryside 13 year old triplets Vincent Lawrence and William are the last remaining residents at the Captain Scott Home for Boys where every day they must take medicine to protect themselves from a mysterious illness to which many of their friends have succumbed The lucky ones who recover are allowed to move to Margate a seaside resort of mythical proportions In nearby Exeter 13 year old Nancy lives a secluded life with her parents who dote on her but never let her leave the house As the triplets lives begin to intersect with Nancy s bringing to light a horrifying truth about their origins and their likely fate the children must unite to escape and survive *At Millennium's End* Kevin Alexander Boon, 2001-03-22 When I look back at my incredibly lucky career as a writer it seems that there was never time to think It was as though I were skiing down a steep and hazardous mountain slope When I look back at the marks my skis made in the snow on the way down I only now realize that I wrote again and again about people who behaved decently in an indecent society From the Foreword by Kurt Vonnegut *At Millennium's End* looks back over the body of Kurt Vonnegut s writing examining the novels essays and short stories of one of the century s most beloved and widely read authors and social critics It also looks forward projecting Vonnegut s relevance to the next millennium The essays by noted Vonnegut scholars and personal friends are each written from the perspective of someone familiar with Vonnegut s entire canon

Posthumanism in the Novels of Kurt Vonnegut Andrew Hicks, 2020-05-18 Posthumanism in the Novels of Kurt Vonnegut Matter That Complains So re examines the prevailing critical consensus that Kurt Vonnegut was a humanist writer While more difficult elements of his work have often been the subject of scholarly attention the tendency amongst critics writing on Vonnegut is to disavow them or to subsume them within a liberal humanist framework When

Vonnegut's work is read from a posthumanist perspective however the productive paradoxes of his work are more fully realised Drawing on New Materialist Eco Critical and Systems Theory methodologies this book highlights posthumanist themes in six of Vonnegut's most famous novels and emphasises the ways in which Vonnegut troubles human non human natural artificial and material discursive hierarchical binaries

Study Guide to Slaughterhouse-Five by Kurt

Vonnegut Intelligent Education,2020-02-15 A comprehensive study guide offering in depth explanation essay and test prep for Kurt Vonnegut's Slaughterhouse Five an instant success across all popular media As an anti war novel of the 1960s Vonnegut wrote Slaughterhouse Five as a double story the main character suffers from the traumatic effects of war the author struggles with the effects of war on both the character and the author Moreover his writing shows his belief that art is no longer a finished product but it is an ongoing process This Bright Notes Study Guide explores the context and history of Vonnegut's classic work helping students to thoroughly explore the reasons it has stood the literary test of time Each Bright Notes Study Guide contains Introductions to the Author and the Work Character Summaries Plot Guides Section and Chapter Overviews Test Essay and Study Q As The Bright Notes Study Guide series offers an in depth tour of more than 275 classic works of literature exploring characters critical commentary historical background plots and themes This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research

Enemies of All Humankind Sonja Schillings,2016-12-06 Hostis humani generis meaning enemy of humankind is the legal basis by which Western societies have defined such criminals as pirates torturers or terrorists as beyond the pale of civilization Sonja Schillings argues that the legal fiction designating certain persons or classes of persons as enemies of all humankind does more than characterize them as inherently hostile it supplies a narrative basis for legitimating violence in the name of the state The book draws attention to a century old narrative pattern that not only underlies the legal category of enemies of the people but more generally informs interpretations of imperial expansion protest against structural oppression and the transformation of institutions as legitimate interventions on behalf of civilized society Schillings traces the Anglo American interpretive history of the concept which she sees as crucial to understanding US history in particular with regard to the frontier race relations and the war on terror

Kurt Vonnegut Thomas

Marvin,2002-04-30 With a career spanning 50 years Kurt Vonnegut is one of the most prolific and popular American writers of the 20th century Though his works have often met with mixed reviews and have been difficult to categorize his status of cultural icon and one of the most important contemporary novelists is well established This critical companion perfect for students skillfully guides readers through seven of Vonnegut's most important novels including Player Piano 1952 Mother Night 1961 Cat's Cradle 1963 and Slaughterhouse Five 1969 A full chapter is devoted to each work with clear analysis of plot character development thematic concerns symbolism and a close critical reading A chapter on the life of Kurt Vonnegut gives an up to date biography with interesting details relating the facts of his life to his writings The Literary Contexts section

devoted to examining issues of genre influences and themes in Vonnegut's writing adds to a fuller understanding of the man and his literary works. This exceptionally well-written Critical Companion will help students and interested readers appreciate Vonnegut's most important and popular novels. Close critical readings offer feminist, Marxist, and new historicist perspectives on these works. A bibliography helps students undertaking research identify additional sources for biographical and critical information and provides reviews and a comprehensive list of Vonnegut's publications to date.

Kurt Vonnegut's Crusade; or, How a Postmodern Harlequin Preached a New Kind of Humanism Todd F. Davis, 2012-02-01 I've worried some about why we write books when presidents and senators and generals do not read them and the university experience taught me a very good reason: you catch people before they become generals and senators and presidents and you poison their minds with humanity. Encourage them to make a better world.

Kurt Vonnegut's desire to save the planet from environmental and military destruction to enact change by telling stories that both critique and embrace humanity sets him apart from many of the postmodern authors who rose to prominence during the 1960s and 1970s. This new look at Vonnegut's oeuvre examines his insistence that writing is an act of good citizenship or an attempt at any rate to be a good citizen. By exploring the moral and philosophical underpinnings of Vonnegut's work, Todd F. Davis demonstrates that over the course of his long career, Vonnegut has created a new kind of humanism that not only bridges the modern and postmodern but also offers hope for the power and possibilities of story. Davis highlights the ways Vonnegut deconstructs and demystifies the grand narratives of American culture while offering provisional narratives, *petites histoires*, that may serve as tools for daily living.

The Book of the Thousand Nights and a Night Leonard C. Smithers, 1894

[Forever Pursuing Genesis](#) Leonard Mustazza, 1990 The title of this book, *Forever Pursuing Genesis*, derives from a statement that Vonnegut once made about the nature of the universe and humankind's place in it. This study applies that statement to the narrative themes that Vonnegut has treated in his career.

100 Entertainers Who Changed America Robert C. Sickels, 2013-08-08 This fascinating and thought-provoking read challenges readers to consider entertainers and entertainment in new ways and highlights figures from outside the worlds of film, television, and music as influential pop stars. Comprising approximately 100 entries from more than 50 contributors from a variety of fields, this book covers a wide historical swath of entertainment figures chosen primarily for their lasting influence on American popular culture, not their popularity. The result is a unique collection that spotlights a vastly different array of figures than would normally be included in a collection of this nature and appeals to readers ranging from high school students to professionals researching specific entertainers. Each subject's influence on popular culture is analyzed from the context of his or her time to the present in a lively and engaging way and through a variety of intellectual approaches. Many entries examine commonly discussed figures' influence on popular culture in ways not normally seen, for example, the widespread appeal of Woody Allen's essay collections to other comedians or the effect of cinematic adaptations of Tennessee Williams' plays in breaking down Hollywood censorship.

Kurt Vonnegut and the American Novel Robert T. Tally,2011-08-11 **The Complete Index to Literary Sources in Film** Alan Goble,2011-09-08 No detailed description available for The Complete Index to Literary Sources in Film

Vonnegut in Fact Jerome Klinkowitz,2012-06-05 Insights into Vonnegut s extensive nonfiction as a key to understanding innovation in his novels Vonnegut in Fact offers a thorough assessment of the artistry of Kurt Vonnegut known not only as the best selling author of *Slaughterhouse Five* *Timequake* and a dozen other novels but also as the most widely recognized public spokesperson among writers since Mark Twain Jerome Klinkowitz traces the emergence of Vonnegut s nonfiction since the 1960s when commentary and feature journalism replaced the rapidly dying short story market Offering close readings and insightful criticism of Vonnegut s three major works of nonfiction his many uncollected pieces and his unique manner of public speaking Klinkowitz explains how Vonnegut s personal visions developed into a style of great public responsibility that mirrored the growth of his fiction Klinkowitz views his subject as a gentle manipulator of popular forms and an extremely personable figure what might seem radically innovative and even iconoclastic in his fiction becomes comfortably avuncular and familiarly American when followed to its roots in his public spokesmanship [The Vonnegut Effect](#) Jerome Klinkowitz,2004 Kurt Vonnegut is one of the few American writers since Mark Twain to have won and sustained a great popular acceptance while boldly introducing new themes and forms on the literary cutting edge This is the Vonnegut effect that Jerome Klinkowitz finds unique among postmodernist authors In this innovative study of the author s fiction Klinkowitz examines the forces in American life that have made Vonnegut s works possible Vonnegut shared with readers a world that includes the expansive timeline from the Great Depression during which his family lost their economic support through the countercultural revolt of the 1960s during which his fiction first gained prominence Vonnegut also explored the growth in recent decades of America s sway in art which his fiction celebrates and geopolitics which his novels question A pioneer in Vonnegut studies Jerome Klinkowitz offers *The Vonnegut Effect* as a thorough treatment of the author s fiction a canon covering more than a half century and comprising twenty books Considering both Vonnegut s methods and the cultural needs they have served Klinkowitz explains how those works came to be written and concludes with an assessment of the author s place in American fiction **Critical Companion to Kurt Vonnegut** Susan Farrell,2009 Kurt Vonnegut is one of the most popular and admired authors of post war American literature famous both for his playful and deceptively simple style as well as for his scathing critiques of social injustice and war Criti **Infographic Guide to Literature** Joanna Eliot,2024-09-24 uses these fun dynamic diagrams to show how much time great authors spend writing versus sleeping which futuristic inventions became reality long after appearing in a novel and why so many covers in genre fiction look the same Along with these colorful and entertaining visual representations of statistics are quizzes that challenge you to identify popular authors from throughout history as well as maps that chart some of the most iconic journeys in literature Provided by publisher

New Critical Essays on Kurt Vonnegut D. Simmons,2015-12-04 Kurt Vonnegut s darkly comic work became a symbol for

the counterculture of a generation From his debut novel *Player Piano* 1951 through seminal 1960 s novels such as *Cat s Cradle* 1963 and *Slaughterhouse Five* 1969 up to the recent success of *A Man Without A Country* 2005 Vonnegut s writing has remained commercially popular offering a satirical yet optimistic outlook on modern life Though many fellow writers admired Vonnegut Gore Vidal famously suggesting that Kurt was never dull the academic establishment has tended to retain a degree of scepticism concerning the validity of his work This dynamic collection aims to re evaluate Vonnegut s position as an integral part of the American post war cannon of literature History in Literature Edward Quinn,2014-05-14

Alphabetically arranged articles discuss the major events figures and movements of the twentieth century and how they have been depicted in literature Kurt Vonnegut John Tomedi,2013 One of the twentieth century s most preeminent novelists Vonnegut satirically explored the wrongs of humanity most notably in *Slaughterhouse Five* and *Cat s Cradle*
