Mother Shock Loving Every Other Minute Of It:

Mother Shock Andrea J. Buchanan, 2009-03-13 According to Andrea Buchanan Mother shock is the state in which many new parents exist during those first confusing chaotic and often comical years of parenting It is the clash between expectation and result theory and reality It is the twilight zone of 24 hour a day living where life is no longer neatly divided into day and night the triple impact of hormonal imbalance sleep deprivation and physical exhaustion It is the stress of trying to acclimate quickly to the immediacy of mothering a new conception of oneself one's role in the family and in the world a fearful new level of responsibility and a new delegation of domestic duties In this much needed and delightfully funny collection of essays Buchanan shares the insight she gains as she moves through the stages of mother shock From Fear of the Double Stroller and Confessions of a Bottle Feeder to I'm an Idiot and Everything I Needed to Know I Learned in Playgroup Buchanan details the unimaginably difficult and unbelievably rewarding process of becoming a mother Mother Shock Andrea Buchanan, 2003-03-20 In 30 amusing and insightful pieces new mom Buchanan offers a refreshingly down to earth look at the birth of a mother **The Mommy Chronicles** Sara Ellington, Stephanie Triplet, 2005-02-01 When girlfriends Stephanie Triplet and Sara Ellington realized that they were both pregnant and their babies were due just weeks apart they began e-mailing each other constantly Throughout their individual journeys both women discovered many aspects of pregnancy childbirth and especially motherhood that no one ever seemed to talk about Stephanie and Sara had both read every book on these subjects they could find so why weren't they prepared for the roller coaster ride they were about to embark on Why hadn't anyone ever given them the real truth about being a Mommy before The Mommy Chronicles is a warm candid and sometimes irreverent view into the lives and emotions of these two new mothers In intimate and often hilarious detail the authors share their own diverse and universal experiences as they progress from being pregnant to being parents Listen in on their conversations as they laugh cry rage and celebrate Labor and delivery postpartum depression career choices daycare dilemmas husbands who don't get it it's all here presented in an entertaining easy to read format

Literary Mama Andrea J. Buchanan, Amy Hudock, 2009-11-10 Becoming a mother takes more than the physical act of giving birth or completing an adoption it takes birthing oneself as a mother through psychological intellectual and spiritual work that continues throughout life Yet most women's stories of personal growth after motherhood tend to remain untold As writers and mothers Andrea Buchanan and Amy Hudock were frustrated by what they perceived as a lack of writing by mothers that captured the ambiguity complexity and humor of their experiences So they decided to create the place they wanted to find with the kind of writing they wanted to read This unique collection features the best of the online magazine literarymama.com a site devoted to mama-centric writing with fresh voices superior craft and vivid imagery While the majority of literature on parenting is not literary or is not written by mothers this book is both Including creative nonfiction fiction and poetry Literary Mama celebrates the voices of the maternally inclined paves the way for other writer mamas and

honors the difficult and rewarding work women do as they move into motherhood **Use Your Words** Kate Hopper, 2012-04-02 **USE YOUR WORDS** introduces the art of creative nonfiction to women who want to give written expression to their lives as mothers Written by award winning teacher and writer Kate Hopper this book will help women find the heart of their writing learn to use motherhood as a lens through which to write the world and turn their motherhood stories into art Each chapter of **USE YOUR WORDS** focuses on an element of craft and contains a lecture a published essay and writing exercises that will serve as jumping off points for the readers own writing Chapter topics include the importance of using concrete details an overview of creative nonfiction as a genre character development voice humor tense and writing the hard stuff reflection and back story structure revision and publishing The content of each lecture is aligned with the essay poem in that chapter to help readers more easily grasp the elements of craft being discussed Together the chapters provide a unique opportunity for mother writers to learn and grow as writers **USE YOUR WORDS** takes the approach that creative writing can be taught and this underscores each chapter When students learn to read like writers to notice how a piece is put together and to question the choices a writer makes they begin to think like writers When they learn to ground their writing in concrete sensory details and begin to understand how to create believable characters and realistic dialogue their own writing improves **USE YOUR WORDS** reflects Kate s style as a teacher guiding the reader in a straightforward nurturing and passionate voice As one student noted in a class evaluation Kate is a born writer and teacher and her enthusiasm for essays about motherhood and for teaching the nuts and bolts of writing so that ordinary mothers have the tools to write their stories is a gift to the world She is raising the value of motherhood in our society as she helps mothers build their confidence and strengthen their game as writers **Motherhood and Creativity in Contemporary Self-Life Writing** Alice Braun, 2024-08-21 This book aims to study the representation of motherhood in self life writing by English speaking authors It highlights the particular issues women writers are faced with when they try to combine their vocation as artists with their duties to their children For those women who claim their right to be both mothers and writers several cultural myths need to be taken down chief among which is the representations that we have of what being an artist should be like as well as the role a mother should have towards her children This book looks at self life writing by women from English speaking countries to reveal the common themes and tropes which recur in texts written on the subject of motherhood by looking at them from both a literary and a cultural perspective It also aims to demonstrate that a new generation of women writers is taking up the subject and forging a new literary tradition Motherhood and Choice Amrita Nandy, 2017-10-02 How can women live fully If autonomy is critical for humans why do women have little or no choice vis vis motherhood Do women know they have a choice if they do How free are these choices in a context where the self is socially mired and deeply enmeshed into the familial What are implications of motherhood on how human relatedness and belonging are defined These questions underlie Amrita Nandy s remarkable research on motherhood as an institution one that conflates

woman with mother and personal with political As the bedrock of human survival and an unchallenged norm of normal female lives motherhood expects and even compels women to be mothers symbolic and corporeal Even though the ideology of pronatalism and motherhood reinforce reproductive technology and vice versa the care work of mothering suffers political neglect and economic devaluation However motherhood and non motherhood is not just physiological As the pivot to a web of heteronormative institutions such as marriage and the family motherhood bears an overwhelming and decisive influence on women s lives Against the weight of traditional and contemporary histories socio political discourse and policies this study explores how women as embodiments of multiple identities could live stigma free authentic lives without having to abandon reproductive self determination Published by Zubaan *Finding Your Inner Mama* Eden Steinberg,2007-07-10 Motherhood can be one of the most intense and transformative experiences of a woman s life While there are many books that offer the do s and don ts of effective parenting few offer guidance on navigating the tumultuous inner experience of being a mother with all its joy pain change and uncertainty This collection of writing by psychologists poets novelists spiritual teachers and everyday moms explores the rich transformative journey of motherhood Poet and novelist Louise Erdrich captures the sheer wonder and awe of early motherhood Self described hip momma Ariel Gore reflects on the challenges of dealing with her daughter s adolescent rebellion Journalist Joan Peters highlights the rise of the Power Mom and the risks of overparenting to our children and ourselves Zen teacher Cheri Huber shares a spiritual perspective sometimes it s us parents who need a time out so that we can be more fully present and loving with our children Previously published under the title *Your Children Will Raise You* **Twenty-first-Century Motherhood** Andrea O'Reilly,2010-09-28 Andrea O'Reilly s coverage is comprehensive Her book reflects current trends in the field particularly the examination of reproductive technologies and the Internet and their implications for motherhood and mothering Heather Hewett State University of New York New Paltz writer and editor of the Global Mama column for Girl with Pen www.girlwpen.com *Opting In* Amy Richards,2008-04-29 Addresses women s anxieties over parenting in a book that mixes memoir interviews historical analysis and feminist insight **Matricentric Feminism: Theory, Activism, Practice. The 2nd Edition** Andrea O'Reilly,2021-04-04 The 2nd edition includes a new preface that considers how matricentric feminism in positioning mothering as a verb affords a gender neutral understanding of motherwork and allows for an appreciation of how motherwork is deeply gendered and how this may be challenged and changed through empowered mothering The book argues that the category of mother is distinct from the category of woman and that many of the problems mothers face are specific to women s role and identity as mothers Indeed mothers are oppressed under patriarchy as women and as mothers Consequently mothers need a feminism of their own one that positions mothers concerns as the starting point for a theory and politic of empowerment O'Reilly terms this new mode of feminism matricentric feminism and the book explores how it is represented and experienced in theory activism and practice
