## **Old Saint Pauls Tale Plague:**

**Old Saint Paul's A Tale of the Plague and the Fire** William Harrison Ainsworth, 2004      Old Saint Paul's William Harrison Ainsworth, 1875      **Old Saint Paul's Tale of the Plague and the Fire** William Harrison Ainsworth, 1891      **Old Saint Paul's: A Tale of the Plague and the Fire: Novel** William Harrison Ainsworth, 2019-01-22

Old St Paul s also titled **Old Saint Paul s A Tale of the Plague and the Fire** is a novel by William Harrison Ainsworth serially published in 1841 It is a historical romance that describes the events of the Great Plague of London and the Great Fire of London It was the basis for the silent film *Old St Paul s* The story of Old St Paul s is spread over six books that range between April 1665 and September 1666 and details the events of the grocer Stephen Bloundel s life Part of the story deals with the pursuit of Amabel Bloundel s daughter by Leonard Holt the grocer s apprentice while she in turn pursues Maurice Wyvil This happens while a plague hits London and St Paul s Cathedral is turned into a place to house the sick During the plague London is filled with plague victims while many characters including Anselm Chowles and Mother Malmaynes go around killing and robbing the sick Bloundel seals his house to avoid the plague While this happens Holt wanders alone in London and catches the plague and Amabel Bloundel goes away to marry Wyvil 4 However Wyvil really John Wilmot the Earl of Rochester holds a fake marriage and uses it to trick Amabel into sleeping with him When she finds out that the marriage was a fake Amabel grows sick and soon dies Eventually Holt recovers from the plague and continues to wander London While he wanders he meets Nizza Macascree a woman who soon falls in love with him However she is revealed to be Lady Isabella Argentine which keeps Holt and Argentine from marriage The London fires are started by a group of religious zealots To try to prevent the fire Holt plans to destroy buildings in the fire s path which he does and ends up saving King Charles II s life In return Holt is granted a title and is able to marry Argentine The murderous thieves Chowles and Malmayne are killed during the fire when they are trapped beneath St Paul s Cathedral as the fire destroys it Eventually Holt witnesses the rebuilding of the Cathedral William Harrison Ainsworth 4 February 1805 3 January 1882 was an English historical novelist born at King Street in Manchester He trained as a lawyer but the legal profession held no attraction for him While completing his legal studies in London he met the publisher John Ebers at that time manager of the King s Theatre Haymarket Ebers introduced Ainsworth to literary and dramatic circles and to his daughter who became Ainsworth s wife Ainsworth briefly tried the publishing business but soon gave it up and devoted himself to journalism and literature His first success as a writer came with *Rookwood* in 1834 which features Dick Turpin as its leading character A stream of 39 novels followed the last of which appeared in 1881 Ainsworth died in Reigate on 3 January 1882      **Old Saint Paul's** William Harrison Ainsworth, 1879      *The Fatal News* Katherine E. Ellison, 2005-11-28

What was information in the early eighteenth century and what influence did the emergence of information as potential physical and psychological threat have on readers of the period Recent scholarship in eighteenth century print culture and in twenty first century media studies and theory offers a unique opportunity to reconsider how and

why information is figuratively imagined during the eighteenth century as an abstract yet bodily entity that can flood suffocate and incapacitate readers Focusing on 1678 to 1722 a period that experienced impressive innovations in communication this study reveals that the term information undergoes a significant transformation with social cultural and literary consequences By investigating discussions of information and media that are evident in works by literary authors the author finds that writers like John Bunyan Aphra Behn Jonathan Swift and Daniel Defoe confront the idea of information overload and provide case studies in literacy reform that operate on institutional generic and consumer levels For example while in Defoe's *Journal of the Plague Year* information is infectious and citizens depend upon comets and phantoms to construct reader controlled decentralized media in Swift's *Tale of a Tub* commonplace books and collections demonstrate a new type of organizational or secretarial impulse in society

*Old Saint Paul's* William Harrison Ainsworth, 2024-04-30 This tale is one of most exciting interest and Mr Ainsworth has selected a theme rich in remarkable incidents and which his fruitful fancy has wrought into a picture highly and faithfully illustrative of moral society in the time of the second Charles The libertine and licentious character of the court at that period is exposed in a manner well calculated to convince the present generation how much princely manners and princely morals will be aped by the attendants of a court and spread themselves throughout the less elevated ranks of society We have always thought that the works of Mr Ainsworth from being addressed so pointedly and directly to the feelings and not so exclusively to the simple fantasia and imaginative of the mind as some other popular writers of his time that they were therefore so much better calculated to convey lasting impressions to the reader and carry with them a power of moral sentiment in depicting vice and deploring its dreadful consequences which can never attend anything which is a mere display of ideality In the present work the author has given powerful evidence of his particular kind of talent From the glowing and animated description of the grocer of Wood Street and his family to the pictures of the monarch and his associates there is a highly interesting portraiture of character and in many places where other authors would have made nothing of the subject or perhaps left it altogether untouched such as in the scenes connected with the pesthouse and the other miseries of the plague he has by introducing them developed some of the most touching appeals to the feelings to be anywhere met with A less skillful master might have been unable to introduce such topics without harassing the feelings and would have left them untouched but Mr Ainsworth has given to them an importance and tragic truth which render them essential to the character of the tale
