Coetsee, Francois P. Viljoen, 2021-11-30 Life is a primary theme in Scripture expressed in the rich diversity of the various books corpora and genres of Scripture Much has been published on what Scripture teaches about life and death To date however no comprehensive biblical theology in which the concept of life is traced throughout the different books and corpora of the Old and New Testament has been published It is this lacuna that this book aims to fill assuming that such an approach can provide a valuable contribution to the theological discourse on life and related concepts The primary aim of this book is to give an indication of the different nuances of the concept of life in the various books and corpora of the Old and New Testament by providing the reader with a book by book overview of the concept of life in Scripture The secondary aim is to give an indication of the overall use and function of the concept of life in the Old Testament the New Testament and Scripture as a whole The latter is provided by using the findings of the book by book overview of the concept of life in Scripture to draw the lines together God's Praise and God's Presence Gabriele G. Braun, 2020-06-19 The main aim of this book is to provide an answer to the question is there a connection between God's people's praise and God's presence The central argument is that Scripture in both Testaments testifies to a correlation between human praise and divine presence This hypothesis has been investigated in the light of contemporary Christian worship culture and the ensuing need for further biblical studies which represents the background for this investigation The study achieves the above aim by applying biblical theology as a discipline and canonical and intertextual models as a method Forthcoming Books Rose Army, 1996-06 Subject Guide to Children's Books in Print 1997 Bowker Editorial Staff, R R Bowker Publishing, 1996-09 **Whitaker's Books in Print**, 1998 Books in Print, 1987 Publishers' Circular and Booksellers' Record of British and Foreign Literature, 1885 Publishers' circular and booksellers' record, 1885 **Books in Print Supplement**, 1982 **Publishers' Circular and General Record of British and Foreign Literature, and Booksellers' Record**, **The Old Testament: Volume 1 Genesis - Esther**, 1949 **The Old Testament** James Moffatt, **Thinking Through the Bible : Volume 1 : the Old Testament Genesis to Esther** McNicol, John, 1946 **Thinking through the Bible** John McNicol, 1976 The amplified Old Testament, pt.1 : Genesis - Esther Frances E.
