Sharon L. James, Sheila Dillon

Olympias Mother Of Alexander The Great Women Of The Ancient World:

Olympias Elizabeth Carney, 2006-09-27 Presenting a critical assessment of a fascinating and wholly misunderstood figure this is the definitive guide to the life of the first woman to play a major role in Greek political history and the first modern biography of Olympias

Olympias Elizabeth Donnelly Carney, 2006 Modern conventional wisdom knows Olympias as a pitiless and savage woman a practitioner of barbaric Dionysiac rites compelled by jealousy and ruthless ambition to the murder of her rivals in order to secure her son's succession to the throne of Macedon In this way she is credited for Alexander the Great's unprecedented achievements yet the scale of her son's epic story has obscured her own Such critical accounts of Olympias actions have made unforgiving and often unfounded judgments of her motivations This myth however originates from later ancient writers to which her strength and tenacity represented an abhorrent contradiction to contemporary gender roles Later historians have all too often perpetuated this ancient sexual stereotyping by failing to question these sources In this the first modern biography of Olympias Elizabeth Carney penetrates the myth fiction and sexual politics to reveal a fascinating and wholly misunderstood figure Through a close and critical assessment of the sources Olympias is humanized as she is placed in the context of her own brutal political world This book will be the definitive guide to the life of the first woman to play a major role in Greek political history as well as a compelling read for students scholars and anyone with an interest in Greek Classical or women's history

A Companion to Women in the Ancient World Sharon L. James, Sheila Dillon, 2015-06-15 A COMPANION TO WOMEN IN THE ANCIENT WORLD A Companion to Women in the Ancient World is the first interdisciplinary methodologically based collection of readings to address the study of women in the ancient world while weaving textual visual and archaeological evidence into its approach Prominent scholars tackle the myriad problems inherent in the interpretation of the evidence and consider the biases and interpretive categories inherited from centuries of scholarship Essays and case studies cover an unprecedented breadth of chronological and geographical range genres and themes Illuminating and insightful A Companion to Women in the Ancient World both challenges preconceived notions and paves the way for new directions in research on women in antiquity

Encyclopedia of Women in the Ancient World Joyce E. Salisbury, 2001-05-16 An extensive and fascinating collection of stories featuring both famous and everyday women giving a well rounded view of the lives of women in the ancient world When did women first become rulers athletes soldiers heroines and villains They always were observes historian Judith Salisbury From Mesopotamian priestesses and poets to Egyptian queens and consorts there was never a time when women did not participate in all aspects of society Salisbury tells the stories of 150 women from the ancient world ranging from the very famous such as Cleopatra VII immortalized by Hollywood to the barely remembered such as the Roman poet Nossis Writing for a general audience Salisbury begins by painting each woman into her historical context then recounts each woman's story describing the choices she made as she looked for happiness wealth power or well being for herself and her family stories much like our own In

entries on general themes clothing cosmetics work sexuality prostitution gynecology Salisbury analyzes the commonalities in the lives of these women of antiquity from a cross cultural perspective *The Routledge Companion to Women and Monarchy in the Ancient Mediterranean World* Elizabeth D. Carney, Sabine Müller, 2020-11-09 This volume offers the first comprehensive look at the role of women in the monarchies of the ancient Mediterranean It consistently addresses certain issues across all dynasties title role in succession the situation of mothers wives and daughters of kings regnant and co regnant women role in cult and in dynastic image and examines a sampling of the careers of individual women while placing them within broader contexts Written by an international group of experts this collection is based on the assumption that women played a fundamental role in ancient monarchy that they were part of not apart from it and that it is necessary to understand their role to understand ancient monarchies This is a crucial resource for anyone interested in the role of women in antiquity **Women in the Ancient Mediterranean World** Guy D. Middleton, 2023-02-09 This book recounts the fascinating lives of thirty real women of the ancient Mediterranean from the Palaeolithic to the Byzantines Accessible engagingly written and up to date in its scholarship it will be key reading for students and researchers in Ancient History Archaeology and Mediterranean Studies as well as in Women s History Concerning Alexander the Great: A Reconstruction of Cleitarchus Andrew Chugg, 2015-02-21 The most influential account of the career of Alexander the Great was penned by Cleitarchus in the decades after Alexander s death Most of the surviving ancient texts on Alexander were based upon his work but every copy of the original was destroyed in antiquity Now the entire book has been revived in an exciting reconstruction based upon an in depth analysis of the surviving ancient works that it inspired Here you will find Alexander revealed in a startling new light as a very human and believable individual who drives and is then driven by a momentous cascade of events Here you can rediscover the oldest and also the most authentic literary portrait of the king spanning all thirteen years of his reign **The Cambridge Companion to Alexander the Great** Daniel Ogden, 2024-01-18 Has any ancient figure captivated the imagination of people over the centuries so much as Alexander the Great In less than a decade he created an empire stretching across much of the Near East as far as India which led to Greek culture becoming dominant in much of this region for a millennium Here an international team of experts clearly explains the life and career of one of the most significant figures in world history They introduce key themes of his campaign as well as describing aspects of his court and government and exploring the very different natures of his engagements with the various peoples he encountered and their responses to him The reader is also introduced to the key sources including the more important fragmentary historians especially Ptolemy Aristobulus and Clitarchus with their different perspectives The book closes by considering how Alexander s image was manipulated in antiquity itself **Julia Domna** Barbara Levick, 2007-05-10 This book covers Julia s life and charts her travels throughout the Empire from Aswan to York during a period of profound upheaval and seeks the truth about this woman who inspired such extreme and contrasting views exposing the instability of

our sources about her and characterizing a sympathetic courageous intelligent and important woman This book contains a fresh re assessment of the one of the most significant figures of her time and questions Was Julia more powerful than earlier empresses Did she really promote despotism How seriously is her literary circle to be taken As part of a dynasty which used force and violence to preserve its rule she was distrusted by its subjects as a Syrian she was the object of prejudice as a woman with power she was resented On the other hand Domna was the centre of a literary circle considered highly significant by nineteenth century admirers *The ^ANew Politics of Olympos* Michael Brumbaugh,2019-10-02 This book details how Kallimachos hymns individually and collectively examine the nature of power authority and good governance by situating these praise poems at the intersection of a literary tradition stretching back to archaic Greek poetry and a contemporary political discourse on kingship emerging in the early Hellenistic world **After Alexander** Victor Alonso Troncoso,Edward M. Anson,2013-03-08 When Alexander the Great died in 323 BC without a chosen successor he left behind a huge empire and ushered in a turbulent period as his generals fought for control of vast territories The time of the Successors Diadochi is usually defined as beginning in 323 BC and ending with the deaths of the last two Successors in 281 BC This is a major publication devoted to the Successors and contains eighteen papers reflecting current research Several papers attempt to unravel the source history of the very limited remaining narrative accounts and add additional materials through cuneiform and Byzantine texts Specific historical issues addressed include the role of so called royal flatterers and whether or not Alexander s old guard did continue to serve into their sixties and seventies Three papers reflect the recent conscious effort by many to break away from the Hellenocentric view of the predominantly Greek sources by examining the role of the conquered specifically the prominent roles played by Iranians in the administration and military of Alexander and his Successors pockets of Iranian resistance which eventually blossomed into Hellenistic kingdoms ruled by sovereigns proclaiming their direct connection to an Iranian past and a continuation of Iranian influence through an examination of the roles played by certain of the Diadochis Iranian wives The papers in the final section analyze the use of varying forms of propaganda These include the use of the concept of Freedom of the Greeks as a means of manipulating opinion in the Greek world how Ptolemy used a snake cult associated with the foundation of Alexandria in Egypt to link his kingship with that of Alexander and the employment of elephant images to advertise the authority of particular rulers **Terentia, Tullia and Publilia** Susan Treggiari,2007-08-07 Studying over 900 personal letters this book presents a rounded and intriguing account of the women who until now have only survived as secondary figures to Cicero his wives Terentia and Publilia and his daughter Tullia The Missing Thread Daisy Dunn,2024-07-30 One of The Smithsonian s 10 best history books of 2024 One of BBC History Magazine s best books of 2024 Thoroughly researched and sprightly a complete history of the Mediterranean world with the women added back in as they always should have been The New York Times A dazzlingly ambitious history of the ancient world that places women at the center from Cleopatra to Boudica Sappho to Fulvia and countless other artists

writers leaders and creators of history Around four thousand years ago the mysterious Minoans sculpted statues of topless women with snakes slithering on their arms Over one thousand years later Sappho wrote great poems of longing and desire For classicist Daisy Dunn these women whether they were simply sitting at their looms at home or participating in the highest echelons of power were up to something much more interesting than other histories would lead us to believe Together these women helped to make antiquity as we know it In this monumental work Dunn reconceives our understanding of the ancient world by emphasizing women's roles within it The Missing Thread never relegates women to the sidelines and is populated with well known names such as Cleopatra and Agrippina as well as the likes of Achaemenid consort Atossa and Olympias a force in Macedon Spanning three thousand years the story moves from Minoan Crete to Mycenaean Greece from Lesbos to Asia Minor from the Persian Empire to the royal court of Macedonia and concludes with Rome and its growing empire The women of antiquity are undeniably woven throughout the fabric of history and in The Missing Thread they finally take center stage

Royal Women and Dynastic Loyalty Caroline Dunn, Elizabeth Carney, 2018-05-21 Royal women did much more to wield power besides marrying the king and producing the heir Subverting the dichotomies of public private and formal informal that gender public authority as male and informal authority as female this book examines royal women as agents of influence With an expansive chronological and geographic scope from ancient to early modern and covering Egypt Great Britain the Ottoman Empire and Asia Minor these essays trace patterns of influence often disguised by narrower studies of government studies and officials Contributors highlight the theme of dynastic loyalty by focusing on the roles and actions of individual royal women examining patterns within dynasties and considering what factors generated loyalty and disloyalty to a dynasty or individual ruler Contributors show that whether serving as the font of dynastic authority or playing informal roles of child bearer patron or religious promoter royal women have been central to the issue of dynastic loyalty throughout the ancient medieval and modern eras

Women in Ancient Greece Paul Chrystal, 2017-06-29 Examines women whose influence was positive as well as those whose reputations were more notorious Supremely well researched from many different historical sources Superbly illustrated with photographs and drawings Women in Ancient Greece is a much needed analysis of how women behaved in Greek society how they were regarded and the restrictions imposed on their actions Given that ancient Greece was very much a man's world most books on ancient Greek society tend to focus on men this book redresses the imbalance by shining the spotlight on that neglected other half Women had significant roles to play in Greek society and culture this book illuminates those roles Women in Ancient Greece asks the controversial question how far is the assumption that women were secluded and excluded just an illusion It answers it by exploring the treatment of women in Greek myth and epic their treatment by playwrights poets and philosophers and the actions of liberated women in Minoan Crete Sparta and the Hellenistic era when some elite women were politically prominent It covers women in Athens Sparta and in other city states describes women writers philosophers artists and scientists it explores love marriage and adultery the

virtuous and the meretricious and the roles women played in death and religion Crucially the book is people based drawing much of its evidence and many of its conclusions from lives lived by historical Greek women

The Conquests of Alexander the Great Waldemar Heckel,2007-11-05 Waldemar Heckel provides a revisionist overview of the conquests of Alexander the Great Emphasising the aims and impact of his military expeditions the political consequences of military action and the use of propaganda both for motivation and justification his underlying premise is that the basic goals of conquest and the keys to military superiority have not changed dramatically over the millennia Indeed as Heckel makes clear many aristocratic and conquest societies are remarkably similar to that of Alexander in their basic aims and organisation Heckel rejects the view of Alexander as a reincarnation of Achilles as an irrational youth on a heroic quest for fame and immortality In an engaging and balanced account of key military events Heckel shows how Alexander imposed his will on the willing and how the defeated were no longer capable of resisting his military might

Alexander's Veterans and the Early Wars of the Successors Joseph Roisman,2012-08-24 From antiquity until now most writers who have chronicled the events following the death of Alexander the Great have viewed this history through the careers ambitions and perspectives of Alexander s elite successors Few historians have probed the experiences and attitudes of the ordinary soldiers who followed Alexander on his campaigns and who were divided among his successors as they fought for control of his empire after his death Yet the veterans played an important role in helping to shape the character and contours of the Hellenistic world This pathfinding book offers the first in depth investigation of the Macedonian veterans experience during a crucial turning point in Greek history 323 316 BCE Joseph Roisman discusses the military social and political circumstances that shaped the history of Alexander s veterans giving special attention to issues such as the soldiers conduct on and off the battlefield the army assembles the volatile relationship between the troops and their generals and other related themes all from the perspective of the rank and file Roisman also reexamines the biases of the ancient sources and how they affected ancient and modern depictions of Alexander s veterans as well as Alexander s conflicts with his army the veterans motives and goals and their political contributions to Hellenistic history He pays special attention to the Silver Shields a group of Macedonian veterans famous for their invincibility and martial prowess and assesses whether or not they deserved their formidable reputation

Unearthing the Family of Alexander the Great David Grant,2019-06-30 Reading with all the innate and iconoclastic dramatic flair of a well scripted novel an extraordinary story of modern archaeology Midwest Book Review In October 336 BC statues of the twelve Olympian Gods were paraded through the ancient capital of Macedon Following them was a thirteenth a statue of King Philip II who was deifying himself in front of the Greek world Moments later Philip was stabbed to death it was a world shaking event that heralded in the reign of his son Alexander the Great Equally driven by a heroic lineage stretching back to gods and heroes Alexander conquered the Persian Empire in eleven years but died mysteriously in Babylon Some 2 300 years later a cluster of subterranean tombs were unearthed in northern Greece containing the remains of the

Macedonian royal line This is the remarkable story of the quest to identify the family of Alexander the Great and the dynasty that changed the Graeco Persian world forever Written in close cooperation with the investigating archaeologists anthropologists and scientists this book presents the revelations mysteries and controversies in a charming accessible style Is this really the tomb of Philip II Alexander s father And who was the warrior woman buried with weapons and armor beside him Impressively researched Grant weaves an adventurous tale set in what reads like a travelogue of Greek history and folklore that makes Unearthing the Family of Alexander the Great an important work for academics and anthropologists but also for a wider audience both for its important subject matter and excellent presentation Highly recommended Richard A Gabriel author of Great Generals of the Ancient World Faultless ancient Greek history Books Monthly

The Seven Wonders of the Ancient World Bettany Hughes,2024-04-23 SUNDAY TIMES BESTSELLER From the award winning historian and broadcaster comes an immersive awe inspiring tour of the ancient sites that kindle our imagination and afford us a glimpse into our shared history This fascinating book is brimming with stories of people and places all told with Bettany s natural sense of wonder and adventure Simon Sebag Montefiore New York Times bestselling author of The World For millennia the Seven Wonders of the Ancient World have been known for their aesthetic sublimity ingenious engineering and sheer audacious magnitude The Great Pyramids of Giza the Hanging Gardens of Babylon the Temple of Artemis the Statue of Zeus the Mausoleum of Halikarnassos the Colossus of Rhodes and the Lighthouse at Alexandria Echoing down time each of these persists in our imagination as an emblem of the glory of antiquity but beneath the familiar images is a surprising revelatory history Guiding us through it is historian Bettany Hughes who has traveled to each of the sites to uncover the latest archaeological discoveries and bring these monuments and the distinct cultures that built them back to breathtaking life Spellbinding richly illustrated and full of insight The Seven Wonders of the Ancient World is a journey into the indomitable ambition and creativity of the human spirit

Women in Classical Antiquity Laura K. McClure,2019-06-13 An introduction to women and gender in the classical world that draws on the most recent research in the field Women in Classical Antiquity focuses on the important objects events and concepts that combine to form a clear understanding of ancient Greek and Roman women and gender Drawing on the most recent findings and research on the topic the book offers an overview of the historical events values and institutions that are critical for appreciating and comparing the life situations of women across both cultures The author examines the lifecycle of women in ancient Greek and Rome beginning with how young females acquired the gendered characteristics necessary for adulthood The text explores female adolescence including concerns about virginity medical views of the female body religious roles and education Views of marriage motherhood sexual activity adultery and prostitution are also examined In addition the author explores how women exercised authority and the possibilities for their civic engagement This important resource Explores the formation of classical women s social identity through the life stages of birth adolescence marriage childbirth old age and death Contains information on the most

Olympias Mother Of Alexander The Great Women Of The Ancient World Introduction

In the digital age, access to information has become easier than ever before. The ability to download Olympias Mother Of Alexander The Great Women Of The Ancient World has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Olympias Mother Of Alexander The Great Women Of The Ancient World has opened up a world of possibilities. Downloading Olympias Mother Of Alexander The Great Women Of The Ancient World provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Olympias Mother Of Alexander The Great Women Of The Ancient World has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Olympias Mother Of Alexander The Great Women Of The Ancient World. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Olympias Mother Of Alexander The Great Women Of The Ancient World. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Olympias Mother Of Alexander The Great Women Of The Ancient World, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Olympias Mother Of Alexander The Great Women Of The Ancient World has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a

popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Olympias Mother Of Alexander The Great Women Of The Ancient World Books

What is a Olympias Mother Of Alexander The Great Women Of The Ancient World PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Olympias Mother Of Alexander The Great Women Of The Ancient World PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Olympias Mother Of Alexander The Great Women Of The Ancient World PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Olympias Mother Of Alexander The Great Women Of The Ancient World PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Olympias Mother Of Alexander The Great Women Of The Ancient World PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools,

which may or may not be legal depending on the circumstances and local laws.
