On Latency Individual Development Narcissistic Impulse Reminiscence And Cultural Ideal

Leticia Franieck, Michael Günter

On Latency Individual Development Narcissistic Impulse Reminiscence And Cultural Ideal:

On Latency Leticia Franieck, Michael Günter, 2010 Latency is a developmental period that plays a transitional role like a bridge between early childhood and adolescence the beginning of early adulthood However the latency period is a subject that has not been studied enough in psychoanalysis in recent years Most of the psychoanalytic frameworks that have built on and extended Freud's work have focussed their attention either on the understanding of the child's early development the early dyadic and triadic relationship of the infant and the early organization of the mind or on the understanding of adolescent development when sexuality explodes accompanied by all unconscious libidinal elements from the early organization which were repressed in latency As a result interest in the latency period has been put in the shade left dormant as its definition would imply The aim of this book is to raise a number of relevant questions which have not received much attention in psychoanalysis up to now To this end empirical findings are related to conceptual elaboration in order to advance knowledge

On Latency M. Leticia Franieck, 2018-03-29 Latency is a developmental period that plays a transitional role like a bridge between early childhood and adolescence the beginning of early adulthood However the latency period is a subject that has not been studied enough in psychoanalysis in recent years Most of the psychoanalytic frameworks that have built on and extended Freud's work have focussed their attention either on the understanding of the child's early development the early dyadic and triadic relationship of the infant and the early organization of the mind or on the understanding of adolescent development when sexuality explodes accompanied by all unconscious libidinal elements from the early organization which were repressed in latency As a result interest in the latency period has been put in the shade left dormant as its definition would imply The aim of this book is to raise a number of relevant questions which have not received much attention in psychoanalysis up to now To this end empirical findings are related to conceptual elaboration in order to advance knowledge

Communicating with Vulnerable Patients Maria Leticia Castrechini Fernandes Franieck, 2022-12-30 Communicating with Vulnerable Patients explores ways to improve the communication process between highly vulnerable patients and the therapist based on the assumption of the permanent presence of an outsider or potential space in the communication field between them In this space the therapist and highly vulnerable patients can undergo transitional states of mind established between and within their relationship Leticia Castrechini Franieck also known as Maria Leticia Castrechini Fernandes Franieck presents practical methods to overcome communication issues and engage therapeutically with highly vulnerable patients suffering from personality disorders addiction and trauma as well as with deprived children Communicating with Vulnerable Patients is presented in five parts with Part one focused on building communication through a Transient Interactive Communication Approach TICA and Part two applying TICA in forensic settings with five case studies illustrating the approach in a range of contexts Part three considers TICA in intercultural settings including work with refugees and Part four outlines adaptations of the approach including T WAS Together We Are

Strong which aims to avoid an increase of antisocial behavior in deprived children and the use of TICA in the COVID 19 pandemic The book concludes in Part five with reflections on outcomes and limitations of both TICA and T WAS

Communicating with Vulnerable Patients will be invaluable reading for professionals psychotherapists group therapists and group analysts working with at risk populations *Latency* Gertraud Diem-Wille,2018-05-11 Latency The Golden Age of Childhood concerns the child s emotional and cognitive development during the period of latency It constitutes a bridge between the first stormy years of child development and adolescence The conflicts and libidinous wishes of early childhood are relegated to the background and become latent in general an emotional and physical stabilization occurs The child is attempting to find its place in the world Accordingly its primary interest is no longer in itself or its parents but in the outside world This is particularly manifested in forms of play typical for this age range strongly influenced by imitation of the adult world and reality oriented At the same time the body is explored and its awareness is strengthened through numerous games involving movement skill and competition In all societies this period is when school begins The latency development includes new physical and intellectual capabilities as well as the development of new ways to deal with problems of social hierarchy gradually tolerance of tensions and a stabilization of identity are developed as well

The Conscience and Self-Conscious Emotions in Adolescence Frans Schalkwijk,2014-09-15 The consequences of apparent moral failings in an individual are something that can be seen frequently in the media and in everyday life One issue that is rarely addressed in public discussion about someone s lack of conscience is any thought as to how the conscience actually functions In *The Conscience and Self Conscious Emotions in Adolescence* Frans Schalkwijk presents a new definition of the conscience as a psychic function in which self conscious emotions and empathy are dominant Schalkwijk combines current scientific research into empathy shame and guilt as well as his rich clinical experience to create a wealth of information for clinicians working with children and adolescents This book is a superb guide for operationalizing the diagnostics of the conscience presenting a developmental approach to the theory and diagnostics of the conscience and integrating psychoanalytic cognitive behavioural social psychological and neurobiological theories Research has shown that human behaviours are often enacted well below our potential cognitive level In this book a balance is found between affective and cognitive aspects of the conscience Accessibly written and incorporating case studies and detailed notation throughout this is a highly practical work ideal for psychoanalysts psychiatrists psychologists students and professionals working with children adolescents and adults

Psychosocial Group Work with Vulnerable Children Maria Leticia Castrechini Fernandes Franieck,Niko Bittner,2024-09-04 Psychosocial Group Work with Vulnerable Children presents a simple accessible and preventative approach to psychotherapeutic interventions The authors explore how this form of group work can strengthen resilience and prevent an increase in antisocial behavioural tendencies among children Based on a process of shared meaning communication the book explains how professionals can help children to engage in in group creative play and allow them to

experience their self in relation to others Castrechini Franieck and Bittner draw on their experiences of working with children in groups supplemented with therapeutic elements from Gestalt therapy and ontological psychoanalysis This approach helps children to achieve a stable state of emotional well being while improving their behaviour at school along with their social skills Psychosocial Group Work with Vulnerable Children will be a key reading for psychotherapists and other professionals working with vulnerable children including psychologists psychiatrists and social workers

The Child in Question Julie C. Garlen, Lisa Farley, 2021-05-14 What is a child The concept of childhood is so familiar that we tend to assume its universality However the meaning of childhood is always being negotiated not only by the imaginations of adults but also by nations markets history and children themselves Yet as much as the question is considered by the social world the contributions in this book remind readers that children are also active embodied and inquiring agents engaged in figuring a relationship with that the world they inherit This book s unifying theme The child in question emerges from an assertion that childhood has boundaries far more elastic than can be held by the familiar notion of the innocent child developing toward a heteronormative future The title pays homage to the work of sociologist Diana Gittins who over twenty years ago asked how the shifting meanings of children and childhood impact the lives of children The contributions of this book examine contemporary educational policy and practice curriculum material literary and visual representations and teacher narratives to further probe how and why it matters that childhood as a concept and experience remains as multiple and elusive as ever The chapters in this book were originally published as a special issue of the journal Curriculum Inquiry

Technique in Child and Adolescent Analysis Michael Gunter, 2018-04-17 These are the edited papers from a conference held in 2008 on the topic of problems with child and adolescent analysis The contributors come from widely differing theoretical backgrounds and use a broad variety of metapsychological concepts among them contemporary Kleinian post Bionian classical Freudian This collection helps widen our understanding of technique with children and adolescents and together they show a very modern psychoanalytic technique may be emerging from modern recent work with children and adolescents

On Latency Individual Development Narcissistic Impulse Reminiscence And Cultural Ideal Introduction

In the digital age, access to information has become easier than ever before. The ability to download On Latency Individual Development Narcissistic Impulse Reminiscence And Cultural Ideal has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download On Latency Individual Development Narcissistic Impulse Reminiscence And

On Latency Individual Development Narcissistic Impulse Reminiscence And Cultural Ideal

Cultural Ideal has opened up a world of possibilities. Downloading On Latency Individual Development Narcissistic Impulse Reminiscence And Cultural Ideal provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading On Latency Individual Development Narcissistic Impulse Reminiscence And Cultural Ideal has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download On Latency Individual Development Narcissistic Impulse Reminiscence And Cultural Ideal. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading On Latency Individual Development Narcissistic Impulse Reminiscence And Cultural Ideal. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading On Latency Individual Development Narcissistic Impulse Reminiscence And Cultural Ideal, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download On Latency Individual Development Narcissistic Impulse Reminiscence And Cultural Ideal has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About On Latency Individual Development Narcissistic Impulse Reminiscence And Cultural Ideal Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
