Bridge Stories Susan Wilson-Shultz, 2014-04 Like a lot of people Susan didn't believe that she had a story worth sharing a story that would impact lives for Christ that is until that surprising day when God called her to write her testimony That day with fingers pressed upon the keys of her laptop Susan embarked on a journey that forever changed her life as well as the lives of others Over the course of a few years as Susan wrote God began to orchestrate the events of her life to paint a beautiful picture depicting how His people should live in preparation for His return and demonstrating His desire that we begin living lives that testify to Him In these pages you will find more than simply the words that describe Susan's personal journey you will hear the Savior's voice You will hear the message that Jesus lovingly laid on her heart a message that speaks about how He longs for His ultimate wedding day to His Bride the Church and about how we should live in preparation for that day Just as a bridge once connected Jerusalem with the Temple Mount bringing people closer to the Temple where God resided these stories will lead you into a deeper relationship with the Lord They will help you to discover your own story for

Across the Bridge Mavis Gallant,2014-12-16 A New York Times Best Book of the Year Short stories centered around a French Canadian family that relocates to Paris in the years before WWII One of the greatest strengths of Mavis Gallant's writing is her ability to distill a character's emotions into a simple moment a lingering glance or an unuttered word Her flair for detail is everywhere in evidence in Across the Bridge studies of Montreal and Paris over the last century The primary focus of this story collection is the Carettes a family of French Canadians who relocate to Paris before World War II The two daughters Marie and Berthe could not be more different Marie is traditional and quiet while Berthe is strong willed and open minded But as they grow together the two learn how much they truly have in common Accompanying these stories of the Carettes are tales of growth and isolation at home and abroad including one of a rebellious French speaking Canadian girl growing up in the Anglophone area of the city Another entry is focused on an anthropologist who on a trip to a small country finds a group of people who speak a language no one has ever heard before Unfortunately when he announces his discovery no one believes him Gallant writes elegant witty tales of place and person and cannily observes small domestic moments as her characters create and destroy the illusions in their lives Library Journal
