Philippians John MacArthur,2007-03-06 The MacArthur Study Guide Series continues to be one of the bestselling study guide series on the market today These brand new repackaged study guides offer readers a complete selection of New Testament Bible studies by bestselling author and theologian John MacArthur *Philosophy of Sri Aurobindo* Mr. Rohit Manglik,2023-08-23 In this book we will study about Sri Aurobindo s integral philosophy evolution of consciousness and spiritual development *The Reunion of the Church, Revised Edition* Lesslie Newbigin,2011-08-05 The first edition of this book published in 1948 was widely discussed There is hardly a page which does not bear evidence of shrewd insight profound theological grasp and evangelistic passion wrote Principal F J Taylor in The Churchman Essentially the book was an explanation of the theology behind the infant Church of South India in which Dr Newbigin was a bishop For this edition first published in 1960 Dr Newbigin wrote a new introduction This drew out the significance of the Church of South India s experience after 1948 and was an important contribution to the continuing worldwide discussion An outspoken commentary on the Lambeth Conference of 1958 is included **Who Really Wrote the Bible?** Clayton Howard Ford,2010-02 For many years now a debate has raged among literary scholars as to who wrote the Pentateuch The first five books of the Bible Within that debate two sides with irreconcilably different viewpoints have battled For The truth The result of this discourse will be far reaching threatening the foundations of the world s three greatest religions For Christianity if Moses did not write the

Pentateuch then Jesus was misled And The faith of many are in jeopardy If several editors wrote and put together those books at different times as Dr Richard Elliott Friedman argues in his book *Who Wrote the Bible* 1987 then it is possible that Abraham was a fictional character And The faiths of Judaism and Islam have a fictional origin In *Who Really Wrote the Bible* author Clayton Ford sifts through the logical and literary fallacies put forth as evidence by those who would condemn the Pentateuch's authenticity By following through the dissenters reasoning with copious references to their own material he brings light to how these scholars have tied themselves up in the knots of their own criticism Where Moses's detractors see inconsistency and evidence for multiple authors Ford finds examples of elaborate harmony consistency and intricate storytelling Where they find dramatically different styles Ford shows an educated single author with an ability to alter formats As evidenced in other examples from antiquity *The Open Door & The Present Testimony* Watchman

Nee, 1994-09-01 Watchman Nee's writings have become well known for their deep spiritual insight among Christians in many nations for many years Through these volumes a full understanding of his balanced and proper view concerning the Bible and the spiritual life can be accurately appreciated This new compilation and retranslation of Watchman Nee's writings present the reader a fresh and unedited version of his ministry and promises to shed new light on the reader's understanding of Watchman Nee's ministry **The Ontology of the Church in Hans Küng** Cornelius C. Simuț, 2007 This book investigates the signs of the church in the theology of Hans Küng as described in his *The Church* 1967 As Küng does not go beyond the traditional signs of the church the author makes a thorough analysis of the unity catholicity holiness and apostolicity of the church with plentiful references to other contemporary theologians such as Karl Rahner Hans Urs von Balthasar Edward Schillebeeckx Henri de Lubac Yves Congar and even Joseph Ratzinger The relevance of the book consists in its approach to classical theological issues which lay the foundation for a contemporary reassessment of the church The author is concerned not to defend particular doctrines but to see how Küng's theology of the signs of the church fits within the context of his time

The Cosmic Spirit Roland Faber, 2021-03-04 Are we more than stardust Is the appearance of the fragile Earth in the vast universe more than an accident Are we not children of a Spirit that pervades the dust rejuvenates life and embraces the ever evolving universe Is there a cosmic Spirit that wants us to awaken to a consciousness of universal meaning sacred

purpose and mutual friendship with all beings This book answers these questions with a spirituality of the numinous in our relation to the elements of the Earth in the matrix of the multiverse by taking you on a journey through nine paths and nineteen meditations of awakening Not bound by any religion but in deep appreciation of the religious and spiritual heritage of human encounters with the divine depth of existence in our selves and in nature they invite you to become sojourners by engaging the most profound embodiments of the intangible Spirit by which it facilitates its own materialization in the cosmos and our spiritualization of the cosmos Use says this Spirit the stardust that you are to become a spirit faring species in an eternal journey of the cosmos to realize its ultimate motive of existence the attraction of love **The Bahá'í Faith,**

Violence, and Non-Violence Robert H. Stockman,2020-08-13 Both violence and non violence are important themes in the Bah Faith but their relationship is not simple The Bah sacred writings see violence in the world not just against Bah s but physical and structural violence against everyone as being a consequence of the immature state of human civilization The Baha i community itself has been nonviolent since its founding by Baha u llah in the mid nineteenth century and has developed various strategies for responding to persecution nonviolently This Element explores how their scriptures provide a blueprint for building a new more mature culture and civilization on this planet where violence will be rare and nonviolence prevalent **Jesus Only** Ernan Norman,2011-11-01 The focus and theme of this book is Jesus only The eternal verity taught

in Scripture is that Jesus alone saves Therefore the central focus of the church must be on Jesus Christ the One crucified risen ascended interceding and coming again This was the secret to the life and power of the apostolic church Everything about the early church as recorded in the book of Acts was due to the presence and power of the Lord in His church The Scriptures clearly speak about their passion but also about the One who was central to their preaching teaching and living as a body of believers And daily in the temple and in every house they ceased not to teach and peach Jesus Christ Acts 5 42 Unfortunately the church no longer measures up to the life that God intended for it In these final and closing days of earths history Jesus is anxiously awaiting for a portrait of Himself in His church The spirit and power of the apostolic period must return The central focus of Jesus Christ as Lord and Savior must return The dynamic Holy Ghost empowerment of the church must return The daily growth of the church must return The self sacrificing spirit that should mark the life of a true disciple must return There is no question that we must return to primitive godliness and for that to happen the church will have to return to her first love which is a central focus on Jesus
