On Body And Soul Contemporary Armor To Amulets:

On Body and Soul Suzanne Ramljak, 2014 From the beginning of time armor and amulets have been used for protection and are found in cultures across the globe and those who crafted them have been esteemed as artists by their communities The contemporary examples showcased here in 200 eye catching images demonstrate the enduring artistry of the forms and the crucial role such objects can play in safeguarding body and soul especially in our current Age of Terror An exciting array of protective hardware armor barriers wearable weaponry and protective software charms amulets talismans reveal a broad range of strategies for human defense Focusing on work from the twenty first century this captivating book features some of today s finest artists and metalsmiths and testifies to the continued relevance of this creative pursuit An introductory essay charts the wider cultural terrain of protective ornament touching on issues of history anthropology and psychology while portfolio sections spotlight subsets of defensive and offensive wear Among the works of art are helmets elaborate knuckledusters pendants collars rings bracelets metal jackets and chain mail all designed for safety

Binding Words Don C. Skemer, 2010-11-01 In the Middle Ages textual amulets short texts written on parchment or paper and worn on the body were thought to protect the bearer against enemies to heal afflictions caused by demonic invasions and to bring the wearer good fortune In *Binding Words* Don C Skemer provides the first book length study of this once common means of harnessing the magical power of words Textual amulets were a unique source of empowerment promising the believer safe passage through a precarious world by means of an ever changing mix of scriptural quotations divine names common prayers and liturgical formulas Although theologians and canon lawyers frequently derided textual amulets as ignorant superstition many literate clergy played a central role in producing and disseminating them The texts were in turn embraced by a broad cross section of Western Europe Saints and parish priests physicians and village healers landowners and peasants alike believed in their efficacy Skemer offers careful analysis of several dozen surviving textual amulets along with other contemporary medieval source materials In the process *Binding Words* enriches our understanding of popular religion and magic in everyday medieval life

The Adorned Body Nicholas Carter, Stephen D. Houston, Franco D. Rossi, 2020-09-01 How we dress our bodies through clothing footwear headgear jewelry haircuts and more is key to the expression of status and identity This idea was as true for ancient Maya civilization as it is today yet few studies have centered on what ancient Maya peoples wore and why In *The Adorned Body* Nicholas Carter Stephen Houston and Franco Rossi bring together contributions from a wide range of scholars leading to the first in depth study of Maya dress in pre Columbian times Incorporating artistic hieroglyphic and archaeological sources this book explores the clothing and ornaments of ancient Maya peoples systematically examining who wore what deducing the varied purposes and meanings of dress items and larger ensembles and determining the methods and materials with which such items were created Each essay investigates a category of dress including headgear pendants and necklaces body painting footwear and facial ornaments and considers the variations within each of these

categories as well as popular styles and trends through time The final chapters reveal broader views and comparisons about costume ensembles and their social roles Shedding new light on the art and archaeology of the ancient Americas The Adorned Body offers a thorough map of Maya dress that will be of interest to scholars and fashion enthusiasts alike

Visions ,1990 Loaded Suzanne Ramljak,2021-11-28 Works by nearly 100 of today's prominent artists ask questions about the many cultural issues firearms trigger leaving the answers up to you the viewer This invigorating survey of contemporary art and guns offers insight into the mixed associations of firearms in today's culture Situating these artworks within the contexts of fire domestication weapon history social movements and art history the book touches on questions of power equality access and the current debates surrounding gun use What emerges is the inherently dualistic nature of firearms which are both protective and destructive empowering and enfeebling supporting peace and war life and death While this central ambivalence can't be captured in statistical data or media sound bites it thrives within these complex visual works This collection by some 100 prominent artists reveals a striking diversity of viewpoints on guns highlighting their inescapable duplicity and the compelling role they have come to play within our lives and imaginations The first in the new series Art la Carte books offering us easy access to exploring current art via real life themes *Body and Soul* ,1994

The Complete Book of Amulets & Talismans Migene González-Wippler,2012 **Body Guards** Desmond Morris,1999 Most people even those who insist they are not superstitious have some sort of amulet or charm that they keep just for luck Whether these are worn carried kept in the home or placed on a horse boat or car they are still used as Body Guards to ward off bad luck or attract good fortune In this book the world famous author Desmond Morris traces the traditions and legends behind over 100 of the most important Body Guards He explains how each charm or amulet has been used examining the powers attributed to it and its significance today The author's own extensive collection of amulets acquired during his travels in more than 70 countries has been specially photographed for the book BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Amulets, Talismans, and Magical Jewelry* Barbara Black Koltuv,2005-08-20 The second commandment of the Old Testament forbids the making of idols to represent God However since human beings have always needed a direct and personal connection to the divine a way is provided in Exodus when God says Make a sanctuary for me and I will come to dwell among you God goes on to give instructions for building the Ark of the Covenant the first tribal amulet not yet personal but still representing the presence of God From there amulets talismans and magical jewelry evolved to provide a personal connection to God Koltuv has collected bits of scripture describing amulets and talismans and features pictures of her extensive collection of these protective and magical treasures It's all here glass beads for protection against the evil eye the mezuzah found on door frames the hamsa or upraised hand engraved pendants and tiny boxes containing special prayers Aron's breastplate the prayer shawl and tefillin henna hand and foot painting and amulets from the Sepher Reziel As visually fascinating as these objects are how they came into use is even
