Bad Nature, or With Elvis in Mexico Javier Marías, 2010-01-24 A gem of a Marías story Elvis and his entourage abandon their translator in a seedy cantina full of enraged criminals It all happened because of Elvis Presley Elvis down south of the border to film a movie has insisted his producers hire a proper Spaniard so that he can pronounce his few lines in Spanish with a Castilian accent But Ruiz has taken on much more than he bargained for One fatal night horseplay in a local bar goes too far a fatuous drunken American insults the local kingpin and when the thug insists that Ruiz translate Elvis himself adds an even more stinging comment and who must translate that

Drinking in America Susan Cheever, 2025-05-01 In Drinking in America bestselling author Susan Cheever chronicles our national love affair with liquor taking a long thoughtful look at the way alcohol has changed our nation's history This is the often overlooked story of how alcohol has shaped American events and the American character from the seventeenth to the twentieth century Seen through the lens of alcoholism American history takes on a vibrancy and a tragedy missing from many earlier accounts From the drunkenness of the Pilgrims to Prohibition hijinks drinking has always been a cherished American custom a way to celebrate and a way to grieve and a way to take the edge off At many pivotal points in our history the illegal Mayflower landing at Cape Cod the enslavement of African Americans the McCarthy witch hunts and the Kennedy assassination to name only a few alcohol has acted as a catalyst Some nations drink more than we do some drink less but no other nation has been the drunkest in the world as America was in the 1830s only to outlaw drinking entirely a hundred years later Both a lively history and an unflinching cultural investigation Drinking in America unveils the volatile ambivalence within one nation's tumultuous affair with alcohol

Tropisms Nathalie Sarraute, 2015-11-09 Nathalie Sarraute's stunning debut vignettes of inner movements foreshadowed the rise of the nouveau roman Hailed as a masterpiece by Jean Genet Marguerite Duras and Jean Paul Sartre Tropisms is considered one of the defining texts of the nouveau roman movement Nathalie Sarraute has defined her work as the movements that are hidden under the commonplace harmless instances of our everyday lives Like figures in a grainy photograph Sarraute's characters are blurred and shadowy while her narrative never develops beyond a stressed moment Instead Sarraute brilliantly finds and elaborates subtle details when a relationship changes when we fall slightly deeper into love or when something innocent tilts to the smallest degree toward suspicion

Morphine Mikhail Bulgakov, 2013-09-26 From the author of The Master and Margarita comes this short and tragic

masterpiece about drug addiction Young Dr Bromgard has come to a small country town to assume a new practice No sooner has he arrived than he receives word that a colleague Dr Polyakov has fallen gravely ill Before Bromgard can go to his friend's aid Polyakov is brought to his practice in the middle of the night with a self-inflicted gunshot wound and barely conscious gives Bromgard his journal before dying What Bromgard uncovers in the entries is Polyakov's uncontrollable and merciless descent into morphine addiction his first injection to ease his back pain the thrill of the drug as it overtakes him the looming signs of addiction and the feverish final entries before his death [The Hall of Singing Caryatids](#) Viktor Pelevin, 2011 A far

out far fetched and fiendishly funny story about a strange nightclub and its outrageous entertainment **New Directions in Children's Gothic** Anna Jackson, 2017-03-27 Children's literature today is dominated by the gothic mode and it is in children's gothic fictions that we find the implications of cultural change most radically questioned and explored This collection of essays looks at what is happening in the children's Gothic now when traditional monsters have become the heroes when new monsters have come into play when globalisation brings Harry Potter into China and yaoguai into the children's Gothic and when childhood itself and children's literature as a genre can no longer be thought of as an uncontested space apart from the debates and power struggles of an adult domain We look in detail at series such as The Mortal Instruments Twilight Chaos Walking The Power of Five Skulduggery Pleasant and Cirque du Freak at novels about witches and novels about changelings at the Gothic in China Japan and Oceania and at authors including Celia Rees Frances Hardinge Alan Garner and Laini Taylor amongst many others At a time when the energies and anxieties of children's novels can barely be contained anymore within the genre of children's literature spilling over into YA and adult literature we need to pay attention Weird things are happening and they matter [National Directory of Drug and Alcohol Abuse Treatment Programs](#), 2000
