Paul Copan

On Jesus Wadsworth Philosophers:

On Jesus Douglas R. Groothuis, 2003 ON JESUS like other titles in the Wadsworth Philosopher's Series offers a concise yet comprehensive introduction to this philosopher's most important ideas Presenting the most important insights of well over a hundred seminal philosophers in both the Eastern and Western traditions the Wadsworth Philosophers Series contains volumes written by scholars noted for their excellence in teaching and for their well versed comprehension of each featured philosopher's major works and contributions These titles have proven valuable in a number of ways Serving as standalone texts when tackling a philosophers original sources or as helpful resources for focusing philosophy students engagements with these philosopher's often conceptually daunting works these titles have also gained extraordinary popularity with a lay readership and guite often serve as refreshers for philosophy instructors **Unmasking the Pagan Christ** Stanley E. Porter, Stephen J. Bedard, 2006 Rabbi or Messiah Prophet or the Son of God People have debated the identity of Jesus of Nazareth since the first century But what if there was no Jesus What if there was no Mary or Joseph no twelve apostles What if the story of Jesus was no more than a myth to convey spiritual truth These claims have been around for hundreds of years and have become more prominent with well known religion columnist Tom Harpur's recent book The Pagan Christ Harpur claims that Jesus was not a historical figure but was one version of an ancient myth that can be traced from ancient Egyptian religion to the Roman mystery cults Stanley Porter and Stephen Bedard tackle this radical claim by looking at the roots of the pagan Christ idea examining the supposed pagan parallels and presenting the evidence for the historical Jesus The authors demonstrate that the suggestion of pagan origins for the Gospel story is not based on historical or textual evidence but rather on a desire to create a universalistic spirituality revolving around a Cosmic Christ within each person A fair examination of both the mythological and biblical texts reveal that the traditional understanding of an actual historical figure known as Jesus of Nazareth appearing two thousand years ago is indeed the only logical conclusion Stanley E Porter is President and Dean and Professor of New Testament at McMaster Divinity College Hamilton Ontario Canada Porter has M A degrees from Claremont Graduate School and Trinity Evangelical Divinity School and the Ph D from the University of Sheffield He has written widely on issues of concern in study of the New Testament such as Jesus Paul the book of Acts and John He has a passion for education in the church and preaches and teaches regularly Stephen J Bedard is the pastor of Woodford Baptist Church and First Baptist Church Meaford Ontario Canada He holds the M Div and M Th degrees from McMaster Divinity College and is actively engaged in further graduate study Bedard is an advocate of informed preaching and teaching and is devoted to the ministry of the local church **Loving Wisdom** Paul Copan, 2020-04-23 A guide to Christian philosophy that engages with the biblical story As human beings we all qualify as philosophers and Paul Copan contends that we take a position of trust faith shaped by philosophical stances but also personal heart commitments worldviews In this thoroughly revised and expanded second edition of Loving Wisdom Copan explores philosophy of religion from a distinctively evangelical

Christian perspective biblically grounded informed by apologetics and engaging with questions about universal human longings Copan presents a distinctively and deliberately biblical philosophy of religion in Loving Wisdom addressing a wide range of topics and questions as they arise in the metanarrative of scripture He acknowledges the difficulties mystery and disagreements in religion while attempting to show how the Christian faith does a much more adequate job of responding to a wide range of challenges as well as addressing our deepest human yearnings With discussion questions for each chapter and an accessible approach Loving Wisdom is ideal for the classroom or small groups Who's Afraid of the Unmoved Mover? Andrew I. Shepardson, 2019-02-12 Are postmodern philosophy and Christian theology compatible A surprising number of Christian philosophers and theologians think so However these same thinkers argue that postmodern insights entail the rejection of natural theology the ability to discover knowledge about the existence and nature of God in the natural world Postmodernism they claim shows that appealing to nature to demonstrate or infer the existence of God is foolish because these appeals rely on modernity s outmoded grounds for knowledge Moreover natural theology and apologetics are often hindrances to authentic Christian faith Notions like objectivity and rationality are forms of idolatry from which Christians should repent This book carefully examines the nature of truth rationality general revelation and evangelism to show that the postmodern objections fail and that Christians ought to lovingly and faithfully use natural theology and apologetics to defend and commend the Christian faith to a world in need of the knowledge of God The Knowledge of God in the World and the Word Douglas Groothuis, Andrew I. Shepardson, 2022-12-06 Intellectual support for defending your faith Knowledge of God in the World and the World is a clear and succinct introduction to classical Christian apologetics that also addresses the most common objections to natural theology Amid the crisis of authority in our modern and postmodern era Christians need to be able to point to God's revelation in the natural world in addition to defending God's unique revelation in the Bible and in the person of Jesus Christ Classical apologetics takes a two step approach to commending the Christian picture of reality first establishing arguments for the existence of God and then defending key items of Christian revelation including The reliability of the Bible The identity of the historical Jesus The resurrection of Jesus Christ from the dead With this book you will discover an easy point of entry into understanding why Christian beliefs about Jesus are true and rational Perfect for any Christian who wants to articulate a sophisticated and comprehensive defense of their faith Know You're Not Wrong? Paul Copan, 2005-08-01 In today s postmodern world believers more than ever before are faced with a host of objections to Christianity Expert apologist Paul Copan describes these objections as anti truth claims and with How Do You Know You re Not Wrong he provides a helpful resource with thorough biblical answers to such regularly used objections as Whatever works for you Just as long as it makes you happy All religions are basically the same Christianity is anti semitic At the end of each chapter he provides practical and easy to share summary points to help readers intelligently and effectively answer the challenges of their non Christian friends and neighbors Jazz and Christian Freedom Bradley K.

Broadhead, 2018-12-21 Contemporary Western society has a strange relationship with freedom Unbridled subjective liberty and narrow fundamentalism pull away from each other in mutual loathing while sociological forces seek to manipulate both sides The church needs to recover and reconstruct a theology of freedom to navigate between the perils of both extremes and to avoid being manipulated by these forces Just as biblical figures are taught through parables and metaphors this book uses jazz improvisation as an analogy for Christian freedom Just as jazz improvisation relies on successfully navigating constraints such as the history and traditions of jazz jazz theory and musical instruments so Christian freedom also relies on constraints such as the biblical canon church history theology and the church itself Through understanding the freedom jazz musicians enjoy in making music together we can better understand how Christian freedom might be enacted in daily life If Western churches discover and enact Christian freedom in a meaningful way the songs that they improvise will be as siren calls to people in chains Luke (Brazos Theological Commentary on the Bible) David Lyle Jeffrey, 2012-05-01 Highly acclaimed professor of literature David Lyle Jeffrey offers a theological reading of Luke in this addition to the well received Brazos Theological Commentary on the Bible This commentary like each in the series is designed to serve the church providing a rich resource for preachers teachers students and study groups and demonstrate the continuing intellectual and practical viability of theological interpretation of the Bible The End of Religion Bruxy Cavey, 2020-11-17 Sick of religion So was Jesus In this expanded edition of the bestselling The End of Religion Bruxy Cavey asks Has Christianity missed the point Was Jesus setting up a new religion or abolishing the entire concept Have Christians gotten faith in Jesus pretty much right or all wrong Thoroughly revised and updated The End of Religion now includes five entirely new chapters by the author a new preface and updates throughout Join Bruxy Cavey in a dynamic breath taking investigation into what Jesus was all about Find out how twenty first century people can live into the subversive spirituality of Jesus Jesus lived a scandalous life Shouldn t we In Defense of Natural Theology James F.
