## **On Love And Loneliness:**

**On Love and Loneliness** Jiddu Krishnamurti, 2013-07-30 In 1950 Krishnamurti said It is only when the mind is not escaping in any form that it is possible to be in direct communion with that thing we call loneliness the alone and to have communion with that thing there must be affection there must be love On Love and Loneliness is a compelling investigation of our intimate relationships with ourselves others and society Krishnamurti suggests that true relationship can come into being only when there is self knowledge of the conditions which divide and isolate individuals and groups Only by renouncing the self can we understand the problem of loneliness and truly love

**On Love and Loneliness** J. KRISHNAMURTI, On Love and Loneliness another volume in the series of Theme books is a compelling investigation of our intimate relationships with ourselves others and society Krishnamurti suggests that true relationship can come into being only when there is self knowledge of the conditions which divide and isolate individuals and groups It is only when the mind is not escaping in any form that it is possible to be in direct communion with that thing which we call loneliness the alone and to have communion with that thing there must be affection there must be love says Krishnamurti

*On Love* Joseph Cardinal Ratzinger, 2021-01-22 In these homilies most of which are previously unpublished Joseph Ratzinger now Pope Emeritus Benedict XVI addresses the theme he has celebrated pondered and witnessed by his life more than any other love For him love is the vital nucleus of the Church and to serve Christ is above all a question of love Peter do you love me Feed my sheep Jn 21 15 17 Love is also the quest of every human being on the journey toward eternity He beautifully states Christianity is a movement a journey it is not a theory a sum total of doctrine Christianity is life it is a vital impetus that carries us toward true life Someone who has found love can say I have found life Arranged by the liturgical seasons of the Church year the homilies predate the author's pontificate The earliest dates from 1970 while he was still a professor of theology Thus this collection traces the way Joseph Ratzinger has been enamored of the love of God throughout his years of serving the Church

Human Sexuality Ami Rokach, Karishma Patel, 2021-01-22 Human sexuality touches us all pun intended We all either enjoy it struggle with it or may have been victims of it Sexuality is not just about sex but about human sexual function the physiology of sex the hormones involved and how they affect us and the cultural norms related to it Sexual function and dysfunction are closely tied to one's self esteem self respect and to relationships with intimate partners Human Sexuality Function Dysfunction Paraphilias and Relationships explores the interplay of intimacy and sexuality how it can enhance relationships and how it can negatively affect them or be affected by them When individuals or partners encounter sexual problems or dysfunctions it can have a long lasting affect both biologically and psychologically Dr Rokach explores the causes and the reasons that these dysfunctions are maintained and successful treatment methods Chapters on sexual offenses and paraphilias and what treatment options are available to sexual offenders are also included This book is the first book to place sexuality where it belongs within the context of relationships demonstrating how sexuality relates to intimacy by both

enhancing and negatively affecting it Explains psychological biological and sociological theories of sexuality Addresses sexual dysfunctions according to various models of sex therapy Discusses the biological developmental and sociological theories of sexual orientation Explores the specific hormones in male and female sexual behavior      **The Intricacies of Love and Intimacy**

Ami Rokach,2024-08-30 This book explores the meaning of love and intimacy from a variety of perspectives specifically philosophical psychological and cultural This volume is a focussed study on what makes them and what may break love and intimacy Love and intimacy are central to us is sought by almost everyone and while we seem to know what they are they are not easily described The present volume includes eleven chapters which are divided into two parts The first part describes the meaning of love intimacy and romantic relations and the second highlights what may go wrong in such relationships and why The book explores theoretical debates and contemporary research around emotions and will be of interest to students and researchers of psychology philosophy as well as sex marriage and family therapists and counselors The chapters in this book were originally published in The Journal of Psychology      **On Love**

Joseph Ratzinger,2021-01-21 In these homilies most of which are previously unpublished Joseph Ratzinger now Pope Emeritus Benedict XVI addresses the theme he has celebrated pondered and witnessed by his life more than any other love For him love is the vital nucleus of the Church and to serve Christ is above all a question of love Peter do you love me Feed my sheep Jn 21 15 17 Love is also the quest of every human being on the journey toward eternity He beautifully states Christianity is a movement a journey it is not a theory a sum total of doctrine Christianity is life it is a vital impetus that carries us toward true life Someone who has found love can say I have found life Arranged by the liturgical seasons of the Church year the homilies predate the author's pontificate The earliest dates from 1970 while he was still a professor of theology Thus this collection traces the way Joseph Ratzinger has been enamored of the love of God throughout his years of serving the Church      **The Truth about Love**

Elizabeth Currie,2005 The Truth About Love is an original philosophical theory which presents a comprehensive holistic model of the normal human psyche The purpose of the book is to reveal to the average person their own nature The Truth About Love is written in question and answer form which gives the advantage of allowing the reader to focus quickly on questions of personal interest and to reflect on each issue before moving on to a new concept The first section Love The Key comprises the central theory which explains the phenomenon of love You learn how love transcends its reputation as a romantic attachment to another person and gives you a basic premise for understanding most aspects of human nature The second section Emotion and Feeling gives a complete explanation of emotion and for the first time an explanation of feeling apart from emotion This new knowledge is used to examine old philosophical questions about human nature such as altruism creativity and happiness The third section Motivation relates the central theory to your everyday life giving structure and meaning to your thoughts and actions in a simple and concise way Also in this section is perhaps the most important application of the concepts of love emotion and feeling in an explanation of self love In conclusion you will discover how self

love leads to optimum mental health and how this affects other areas of your life The Truth About Love provides answers that you cannot find in textbooks but that you ask yourself everyday They are simple questions and simple answers that will change your life

**It's All about Love** Stephen Jensen,2000-09 What you think determines who you are and the type of life you have Your life can be full of love i e happiness peace trust good luck contentment and abundance or based on fear i e disease illness drama stress pain struggle hardship injury crime sadness loss anger disappointment violence loneliness and worry To change your life you must change yourself To do that you must change how you think This book is the definitive guide on how to do that The very simple and short answer is to have more LOVE in your life Although it s not always the obvious solution it is the only solution This book explains why love lets you have a better life including better health success in all your relationships abundance in all things and the real possibility of finally being able to have what you want It takes you on a healing journey of self discovery by providing a model to guide you to see who you are what you need to change about yourself and how to effortlessly and painlessly make those changes Once you have changed then you will attract even more love into your life and experience peace contentment and fulfillment

**Hemingway on Love** Robert W. Lewis,2014-08-04 Love was a central theme of Ernest Hemingway s major works And although his passages on sexual love and on romantic love may be widely remembered and frequently quoted says Robert W Lewis in this scholarly and detailed consideration Hemingway s later work revealed his ultimate belief that brotherly love was the supreme love of mankind Eros Hemingway concluded was a neutral value neither good nor bad in itself but yet capable of complementing agape in giving man pleasure By examining the forms and essences of the various kinds of love Hemingway worked out an explanation and tentative solution to the troubles of the human condition The tradition of romantic love that had prevailed in Western literature had challenged sexual love and brotherly love and had been confused with them since the Middle Ages Hemingway s early work was destructive of romantic love says Lewis the work of his middle career was crucial in his exploration for the supreme love and the means to whatever peace and happiness man may achieve By the time he wrote The Old Man and the Sea his ethic was formulated and he could write conclusively of the trial and lesson of love in Western civilization in a way that reflected his discovery that true love must be a reciprocal blend of eros and agape between man and woman man and man and man and his world

The North American Review Jared Sparks, James Russell Lowell, Edward Everett, Henry Cabot Lodge, 1907 Vols 277 230 no 2 include Stuff and nonsense v 5 6 no 8 Jan 1929 Aug 1930      **On Love, Family, and the State:**

**Philosophical-sociological Essay** Олег Арин / Алекс Бэттлер, 2021-07-08 The problems of love family and state are topics that are widely discussed both in the West and in Russia This essay however differs from all previous research work in that Alex Battler elevated the well known words love family and marriage to the level of concepts This enabled the author to correlate them to the conception of force and progress he had substantiated in the book *Dialectics of Force Ont bia* and ultimately to define the regular connection between the destruction of marriage and the collapse of a state within the context of the law of entropy growth or the law of death      *Dogs Never Lie About Love* Jeffrey Moussaieff Masson, 1998-09-08 Dogs fill our hearts with love and our minds with wonder but their emotional lives have remained unexplored since Darwin 125 years ago Now in *Dogs Never Lie About Love* controversial psychoanalyst Jeffrey Masson brilliantly navigates the rich inner landscape of our best friends As he guides readers through the surprising depth of canine emotional complexity Jeffrey Masson draws from myth and literature from scientific studies and from the stories and observations of dog trainers and dog lovers around the world But the stars of the book are the author s own three dogs whose delightful and mysterious behavior provides the way to exploring a wide range of subjects from emotions like gratitude compassion loneliness and disappointment to speculating what dogs dream of and how their powerful sense of smell shapes their perception of reality As he sweeps aside old prejudices on animal behavior Masson reaches into a rich universe of dog feeling to its essential core their master emotion love Like the dogs he loves Masson s writing will capture the reader with its playful mysterious and serious sides Its surprising insights provide a new dimension of understanding for dog owners everywhere      **How to find true love** Александр Воронцов , What if love is not a reward but a path Not luck but an inner choice Not an ideal meeting but a mature recognition This book is not a collection of tips or instructions on seduction This is a frank and deep conversation about the most important thing how to become someone who is capable of loving and being loved You will go through 20 chapters that will help you Recognize your inner barriers and fears Heal old wounds and open up to new ones Learn to be close without losing yourself understand why the wrong people are attracted create a mature lively and warm relationship The author of the book is not a guru or an expert but a man who has made his way through doubt pain loneliness openness and the practice of intimacy His language is simple lively transparent Each chapter is like a meeting with oneself with experience with the opportunity to be closer This book is for those who are tired of masks For those who want genuine deep true love For those who are ready not to wait but to meet halfway True love exists It starts with you      **In The End, It Was All About Love** Musa Okwonga, 2021-03-03 The narrator arrives in Berlin a place famed for its hedonism to find peace and maybe love only to discover that the problems which have long haunted him have arrived there too and are more present

than ever As he approaches his fortieth birthday nearing the age where his father was killed in a brutal revolution he drifts through this endlessly addictive and sometimes mystical city through its slow days and bottomless nights wondering whether he will ever escape the damage left by his father s death With the world as a whole more uncertain as both the far right and global temperatures rise at frightening speed he finds himself fighting a fierce inner battle against his turbulent past for a future free of his fear of failure of persecution and of intimacy In *The End It Was All About Love* is a journey of loss and self acceptance that takes its nameless narrator all the way through bustling Berlin to his roots a quiet village on the Uganda Sudan border It is a bracingly honest story of love sexuality and spirituality of racism dating and alienation of fleeing the greatest possible pain and of the hopeful road home *It's Still All About Love and Some Other Stuff* Terry Ann
