On The Button The Significance Of An Ordinary Item

Ruth A Symes

On The Button The Significance Of An Ordinary Item:

On the Button Nina Edwards, 2019 What do you use every day that is small and large worthless and beyond price It is easily found in the gutter yet you may never be able to replace it You are always losing it but it faithfully protects you sexy and uptight it is knitted in to your affections or it may give you nightmares It has led to conflict fostered and repressed political and religious change and epitomizes the great aesthetic movements It is Eurocentric and is found all over the world *On the Button* is an inventive and unusual exploration of the cultural history of the button illustrated with a multiplicity of buttons in black and white and color It tells tales of a huge variety of the button's forms and functions its sometimes uncompromising glamour its stronghold in fashion and literature its place in the visual arts its association with crime and death and its tender call to nostalgia and the sentimental There have been works addressed to the button collector and general cultural histories but *On the Button* links the two revealing why we are so attracted to buttons and how they punch way above their weight It is illustrated with a multiplicity of buttons

Power Button Rachel Plotnick, 2024-04-30 Push a button and turn on the television tap a button and get a ride click a button and like something The touch of a finger can set an appliance a car or a system in motion even if the user doesn't understand the underlying mechanisms or algorithms How did buttons become so ubiquitous Why do people love them loathe them and fear them In *Power Button* Rachel Plotnick traces the origins of today's push button society by examining how buttons have been made distributed used rejected and refashioned throughout history Focusing on the period between 1880 and 1925 when technologies of the hand proliferated including typewriters telegraphs and fingerprinting Plotnick describes the ways that button pushing became a means for digital command which promised effortless discreet and fool proof control Emphasizing the doubly digital nature of button pushing as an act of the finger and a binary activity on off up down Plotnick suggests that the tenets of precomputational digital command anticipate contemporary ideas of computer users Plotnick discusses the uses of early push buttons to call servants and the growing tensions between those who work with their hands and those who command with their fingers automation as automagic enabling command at a distance instant gratification and the victory of light over darkness and early twentieth century imaginings of a future push button culture Push buttons Plotnick tells us have demonstrated remarkable staying power despite efforts to cast button pushers as lazy privileged and even dangerous

The Point of the Needle Barbara Burman, 2023-08-25 From the pleasures of mending to the problems of fast fashion an intimate look at the creativity community and deep meaning sewed into every stitch Tens of millions of people sew for necessity or pleasure every day yet the craft is surprisingly under appreciated *The Point of the Needle* redresses the balance this is a book that argues for sewing's place in our lives It celebrates not only sewing's recent resurgence but sewists' creativity well being and community Barbara Burman chronicles new voices of people who sew today by hand or machine to explore what they sew what motivates them what they value and why they mend things revealing insights into sewing's more intimate stories In our

age of superfast fashion with its environmental and social injustices this eloquent book makes a passionate case for identity diversity resilience and memory what people create for themselves as they stitch and make *Objects of Poverty* Joseph Harley, Vicky Holmes, 2025-07-24 *Objects of Poverty* is the first volume dedicated to analysing the material culture of poverty in British history from 1700 to the present The book examines the history of poverty through the objects owned by the poor and those crafted repurposed or simply encountered by them offering critical new insights into the experience of being impoverished This collection brings together leading and emerging scholars who draw on a wide array of objects of poverty from those that survive today ranging from dolls to whistles to textile samples to those that have long since gone and now only exist in visual and written sources The contributors trace the importance of materiality in eighteenth century and modern life covering objects connected to sustenance home the makeshift childhood animals money workhouses and injury and death In its 23 chapters along with some 77 illustrations the book provides a detailed exploration of the history of poverty in Britain Each of the chapters are based on original research and make a new contribution to the literature This book will be fascinating reading for history enthusiasts to students to established academics across multiple disciplines

History of Modern Design Third Edition David Raizman, 2023-08-31 This unparalleled and wide ranging book surveys the history of applied arts and industrial design from the eighteenth century to the present day exploring the dynamic relationship between design and manufacturing and the technological social and commercial contexts in which this relationship has developed In this extensively revised and expanded third edition David Raizman addresses international questions more fully with the addition of six Global Inspiration sections that examine the contributions of non Western traditions rendering the very notion of a national design debatable The text also pays closer attention to issues of gender race and climate change and their impact on design With over 580 illustrations mostly in colour *History of Modern Design* is an inclusive well balanced introduction to a field of increasing scholarly and interdisciplinary research and provides students in design with historical perspectives of their chosen fields of study **Dressed for War** Nina Edwards, 2014-10-27 Men in khaki and grey squatting in the trenches women at work gender bending in goggles and overalls over their trousers a girl at the Paris theatre in pleated beaded silk a bangle on her forearm made from copper fuse wire from the Somme What people wear matters Copiously illustrated this book is the story of what people on both sides wore on the front line and on the home front through the seismic years of World War I Nina Edwards reveals fresh aspects of the war through the prism of the smallest details of personal dress of clothes hair and accessories both in uniform and civilian wear She explores how during a period of extraordinary upheaval and rapid change a particular preference for a type of razor blade or perfume say or the just so adjustment to the tilt of a hat offer insights into the individual experience of men women and children during the course of World War I *It Runs in the Family* Ruth A Symes, 2013-12-02 In the quest to uncover our family history we turn to written records the family album and even heirlooms However they can often be difficult to interpret and sometimes pose more

questions than they answer Why didn't my ancestors smile for the camera Why did great grandfather wear a beard while his sons were clean shaven Why is my great grandmother holding flowers in this photograph Drawing on evidence from social history women's history and the histories of photography art and fashion and using examples from the lowly as well as the famous Ruth Symes explores many aspects of ordinary life in the past from the state of the nation's teeth to the legal and economic connotations of wearing a wedding ring and even the business of keeping a dog This fascinating volume aims to help family historians get to know their elusive ancestors by deciphering the wealth of personal and historical clues contained in photographs documents and artefacts

Darkness Nina Edwards, 2018-09-15 Darkness divides and enlivens opinion Some are afraid of the dark or at least prefer to avoid it and there are many who dislike what it appears to stand for Others are drawn to this strange domain delighting in its uncertainties lured by all the associations of folklore and legend by the call of the mysterious and of the unknown The history of our attitudes toward darkness toward what we cannot quite make out in all its physical and metaphorical manifestations challenges the very notion of a world that we can fully comprehend In this book Nina Edwards explores darkness as both a physical feature and cultural image through themes of sight blindness consciousness dreams fear of the dark night blindness and the in between states of dusk or fog twilight and dawn those points or periods of obscurity and clarification Taking us across the ages from the dungeons of Gothic novels to the concrete bunkers of Nordic Noir TV shows Edwards interrogates the full sweep of humanity's attempts to harness and suppress the dark first through our ability to control fire and later illuminate the world with electricity She explores how the idea of darkness pervades art literature religion and our everyday language Ultimately Edwards reveals how darkness whether a shifting concept or palpable physical presence has fed our imaginations

Pazazz Nina Edwards, 2023-04-19 From bridal wear to the Ku Klux Klan an exploration of the complex meanings of white clothing throughout history sometimes a symbol of purity but also of class superiority privilege and the display of leisure Bookseller A tour d'horizon of white raiment through the ages Wall Street Journal

Portrayal and the Search for Identity Marcia Pointon, 2013-02-15 We are surrounded with portraits from the cipher like portrait of a president on a bank note to security pass photos from images of politicians in the media to Facebook from galleries exhibiting Titian or Leonardo to contemporary art deploying the self image as with Jeff Koons or Cindy Sherman In antiquity portraiture was of major importance in the exercise of power Today it remains not only a part of everyday life but also a crucial way for artists to define themselves in relation to their environment and their contemporaries In *Portrayal and the Search for Identity* Marcia Pointon investigates how we view and understand portraiture as a genre and how portraits function as artworks within social and political networks Likeness is never a straightforward matter as we rarely have the subject of a portrait as a point of comparison Featuring familiar canonical works and little known portraits *Portrayal* seeks to unsettle notions of portraiture as an art of convention a reassuring reflection of social realities Pointon invites readers to consider how identity is produced pictorially and where likeness is

registered apart from in a face In exploring these issues she addresses wide ranging problems such as the construction of masculinity in dress representations of slaves and self portraiture in relation to mortality

World Clothing and Fashion Mary Ellen Snodgrass,2015-03-17 Taking a global multicultural social and economic perspective this work explores the diverse and colourful history of human attire From prehistoric times to the age of globalization articles cover the evolution of clothing utility style production and commerce including accessories shoes hats gloves handbags and jewellery for men women and children Dress for different climates occupations recreational activities religious observances rites of passages and other human needs and purposes from hunting and warfare to sports and space exploration are examined in depth and detail Fashion and design trends in diverse historical periods regions and countries and social and ethnic groups constitute a major area of coverage as does the evolution of materials from animal fur to textiles to synthetic fabrics and production methods from sewing and weaving to industrial manufacturing and computer aided design Dress as a reflection of social status intellectual and artistic trends economic conditions cultural exchange and modern media marketing are recurring themes Influential figures and institutions in fashion design industry and manufacturing retail sales production technologies and related fields are also covered

Costume The Costume Society,2020-08-26 This volume consisting of papers originally delivered at the Sport and Fashion symposium in 2011 celebrates the connection between sport and the clothes and fashion which are associated with certain sporting activities Articles include a study of Olympic swimming costumes women s sport during the inter war period the use of sportsmen by clothing industries for brand marketing and the aesthetic significance of certain items of clothing specifically the shirt worn by Maradona during the 1986 Argentina England World Cup quarter final For more information visit www.maney.co.uk/journals/cos

Successful Software Reengineering Valenti, Salvatore,2001-07-01 Software process reengineering has become highly visible over the past several years Efforts are being undertaken by organizations of all types and sizes as they attempt to deal with the challenges of quality complexity and competitiveness As an emerging technology the effectiveness and potential impact of process improvement efforts have been debated but not fully tested or validated At the very core of this technological evolution is the idea that the quality of a software product is highly dependent on the quality of the process used for its development

Successful Software Reengineering examines the most recent theories models approaches and processes involved with the concept of software improvement and reengineering

Oracle e-Business Consultancy Handbook John Priestley,2012-04-01 This book is based on my experiences as a consultant over a period of thirteen years the first four of them working for Oracle In those years I had the titles Manufacturing and Financials Consultant on different sites The essays in this book are largely designed to cover the more complex areas of the system including intercompany and internal sales orders outside processing and consignment stock They also cover procedures which may be needed in every factory how to check stock or how to investigate stock losses The SQL scripts to give easy to use reports which can be downloaded into Excel So many Oracle

reports are difficult to use especially where there is a lot of data The SQL scripts also deal with the problems which occur after a site has gone live such as clearing up ahead of the inventory monthend Some queries notably in BOM and Routing validate data

Molly on the Moon Mary Robinette Kowal,2022-04-12 Award winning science fiction author Mary Robinette Kowal consulted with a NASA astronaut to craft her first picture book story accurately describing how living on the moon differs from life on Earth Beautifully illustrated by Diana Mayo Molly on the Moon is the tale of two siblings adjusting to their new home When Molly and her family move to the moon they can only pack the essentials just one toy each for Molly and her baby brother Luke Luckily Molly has a big imagination A packing crate becomes a fort a tarp becomes a witch s cape and some cans become a tea set Baby Luke on the other hand has blocks Molly doesn t want to share At first But then she realizes that when you re on the moon or anywhere else a big imagination and being with someone you love can be infinitely better than all the toys in the universe Inspiring and imaginative Molly on the Moon also includes fascinating facts about the moon s environment revealing how the differences in gravity temperature and time would affect our lives
