Anderson, 1999 The four noble truths are the most widely recognized teaching of the Buddha today This book is the first comprehensive study of the teaching as it appears in the the Tipitaka the canon of the Theravada Buddhism Book Jacket      **The Four Noble Truths** Poven Leace, Sine Nomine, Thony Ruthandest, Lieu Hanh, 2012-06-01 The nature of a human life in the material world that Buddha clearly explicated in detail in The Four Noble Truths bears a resemblance to the nature of the Copernican Galilean Newtonian Revolution that the science claimed as the paradigm shift in the sixteenth and seventeenth centuries As soon as we accept this body and live on this earth we experience the gravitational force exerted by the earth and go through birth aging sickness death along with four others see Chapter Two of The Four Noble Truths with absolutely no exceptions Regardless of whether Buddha shared his personal experiences with us or not regardless of whether Galileo Galilei advocated Heliocentrism or not and regardless of whether Sir Isaac Newton confirmed the existence of gravitation or not as long as we exist in this earth that has always been and will always be rotating around the sun we have no other choice Many of us often wonder 1 Is Buddhism a religion 2 Will Buddha grant us things if we regularly go to Buddhist temples make generous donations and then sincerely beg him 3 Will Buddha welcome us who routinely chant his name to heaven when we die The answers to these three questions depend on who we are and what we are looking for in life However we will definitely find fully appropriate explanations and perfectly logical answers in The Four Noble Truths Before taking a journey into our existing self with The Four Noble Truths let us take a moment to analyze obvious facts 1 Straightforwardly Sakyamuni Buddha is neither God nor the Supreme Being He is simply a complete awakened oneness whose wisdom transcends far beyond infinity and conscience attains absolute perfect enlightenment 2 Indeed Buddha did not create anything did not invent anything did not conceive anything did not establish any law did not set up any rule and did not make up any commandment 3 More conspicuously Buddha did not insist us to do anything to make him famous did not demand us to follow any Dharma s he taught did not expect us to donate any offerings and did not need us to enthrone him 4 Most recognizably Buddha did not grant a miracle to any of us did not authorize any of us to enter heaven did not threaten to deny any of us did not punish any of us and did not send any of us to hell 5 Buddha only shared his personal experiences with us Believe him or not it is our own choice Follow his advices and or teachings or not it is our own decision We have full control over our life Regardless of whether we believe or not notice or not realize or not and agree or not as soon as we accept this physical body and live on this earth we suffer 1 Do we really suffer 2 What do we suffer 3 Do we notice that life is a series of seas full of miseries 4 Why do we suffer 5 Who makes us suffer almost all the time 6 Which factors that make life become a series of seas full of miseries 7 Can we be free from all forms of afflictions in life 8 Do we realize that we are the only ones who can rescue our very own 9 Who else can save us and bring us to the heaven of joys and tranquility 10 Why can no one else liberate us except for ourselves To appreciate the real nature of a

human life in this material world to realize what the real nature is like and to recognize why and how we the only ones can completely emancipate ourselves from miseries let s spare a few moments of our valuable time to read on The Four Noble Truths     **Modern Truths** Ekacco Bhikkhu,2014-11-15 Author s Note Modern Truths contains sixteen talks on the Noble Truths plus a talk on how to decide what is and is not a teaching of The Buddha The talks were prepared upon the request of devotees at a temple in Penang Malaysia All except the talk on the Path factor Right View and that on the Path factor Right Intention were also delivered Again upon request all except the talk on the four Noble Truths A Modern Opportunity p 1ff and the one on Right Intention Beauty Is in the Eye of the Blind p 263 were published in Penang in two separate books 1 Modern Birth Ageing and Death p 17ff 5 1 talks One talk on the Noble Truth of Suffering four on the Noble Truth of the Origin of Suffering and as an appendix one on Right View the first factor of the Noble Eightfold Path the Noble Truth of the Path Leading to the Cessation of Suffering As an appendix also a talk entitled Is this the Dhamma Vinaya 2 Modern Happiness Very Difficult to See p 117f 7 1 talks Seven talks on the Noble Truth of the Cessation of Suffering and as an appendix one on the Noble Truth of the Path Leading to the Cessation of Suffering the Noble Eightfold Path Upon the request of devotees at a temple in Singapore all seventeen talks 2 6 8 and their appendices are herewith published together Since the talk on the Noble Eightfold Path the talk on Right View and the talk on Right Intention were intended as the first three of a series discussing the Noble Truth of the Path leading to the Cessation of Suffering they have here been put separately under The Path Leading to Modern Happiness Very Difficult to See p 225ff The talk on how to decide what is and is not a teaching of The Buddha has been put at the end as it is not directly related to any of the four Noble Truths but is directly related to one s study and understanding of The Buddha s Teachings as a whole Inconsistencies in translation etc between one talk and another have been left as they are Ekacco Bhikkhu From a book published by Pa Auk Meditation Centre a Centre of Theravada Buddhist Tradition     **One Continuous Mistake** Gail Sher,1999-04-01 Based on the Zen philosophy that we learn more from our failures than from our successes One Continuous Mistake teaches a refreshing new method for writing as spiritual practice In this unique guide for writers of all levels Gail Sher a poet who is also a widely respected teacher of creative writing combines the inspirational value of Julia Cameron s The Artist s Way with the spiritual focus of Zen Mind Beginner s Mind Here she introduces a method of discipline that applies specific Zen practices to enhance and clarify creative work She also discusses bodily postures that support writing how to set up the appropriate writing regimen and how to discover one s own learning personality In the tradition of such classics as Writing Down the Bones and If You Want to Write One Continuous Mistake will help beginning writers gain access to their creative capabilities while serving as a perennial reference that working writers can turn to again and again for inspiration and direction
