Transportation and the American People H. Roger Grant, 2019-10-01 This outstanding contribution to transportation history chronicles the evolution of American mobility from stagecoaches to buses and airplanes Choice Transportation is the unsung hero of American history Stagecoaches waterways canals railways busses and airplanes revolutionized much more than just the way people got around they transformed the economic political and social aspects of everyday life In *Transportation and the American People* renowned historian H Roger Grant tells the story of American transportation from its slow uncomfortable and often dangerous beginnings to the speed and comfort of travel today Early

advances like stagecoaches and canals allowed traders businesses and industries to expand across the nation setting the stage for modern developments like transcontinental railways and busses that would forever reshape the continent Grant provides a compelling and thoroughly researched narrative of the social history of travel shining a light on the role transportation played in shaping the country as well as the people who helped build it

Mobility and Identity in US Genre Painting Lacey Baradel, 2020-12-30 This book examines the portrayal of themes of boundary crossing itinerancy relocation and displacement in US genre paintings during the second half of the long nineteenth century c 1860 1910 Through four diachronic case studies the book reveals how the high stakes politics of mobility and identity during this period informed the production and reception of works of art by Eastman Johnson 1824 1906 Enoch Wood Perry Jr 1831 1915 Thomas Hovenden 1840 95 and John Sloan 1871 1951 It also complicates art history s canonical understandings of genre painting as a category that seeks to reinforce social hierarchies and emphasize more rooted connections to place by instead privileging portrayals of social flux and geographic instability The book will be of interest to scholars working in art history literature American studies and cultural geography

Routes, Roads and Landscapes Brita Brenna, Janike Kampevoll Larsen, 2016-12-05 Routes and roads make their way into and across the landscape defining it as landscape and making it accessible for many kinds of uses and perceptions Bringing together outstanding scholars from cultural history geography philosophy and a host of other disciplines this collection examines the complex entanglement between routes and landscapes It traces the changing conceptions of the landscape from the Enlightenment to the present day looking at how movement has been facilitated imagined and represented and how such movement in turn has conditioned understandings of the landscape A particular focus is on the modern transportation landscape as it came into being with the canal the railway and the automobile These modes of transport have had a profound impact on the perception and conceptualization of the modern landscape a relationship investigated in detail by authors such as Gernot Böhme Sarah Bonnemaïson Tim Cresswell Finola O Kane Charlotte Klonk Peter Merriman Christine Macy David Nye Vittoria Di Palma Charles Withers and Thomas Zeller
