**Maternal Connections:** Kandee Kosior, Joan Garvan, 2022-09-15 This is a wonderful and insightful collection of stories and reflections of mothers on the connection with their own mother after becoming a mother themselves. The chapters are primarily autobiographical and are told through a range of lenses, be it a graphic chapter or the more literary. An author outlines Anishinaabeg ceremonial practices that honour and represent maternal connections, and others demonstrate how art and craft can both assist in working through and carry forward maternal stories. Two further pieces use a combination of literary critique, feminist theory, and post-Freudian psychoanalysis to interpret varied texts, and another highlights findings from a series of interviews with women reflecting on the attributes and practices they will carry forward or discard from their experience of being mothered.
