**Chao Zhang**

## **Motoring West Volume 1 Automobile Pioneers 1900 1909:**

*Motoring West* Peter J. Blodgett, 2015-03-11 Documenting the very beginning of Americans love affair with the automobile the pieces in this volume the first of a planned multivolume series offer a panorama of motoring travelers visions of the burgeoning West in the first decade of the twentieth century [America's West](#) David M. Wrobel, 2017-10-11 The American West has influenced important national developments throughout the twentieth century not only in the cultural arena but also in economic development in political ideology and action and in natural resource conservation and preservation Using regionalism as a lens for illuminating these national trends *America's West A History 1890 1950* examines this region's history and explores its influence on the rest of America Moving chronologically from the late nineteenth to the mid twentieth century David M Wrobel examines turn of the century expansion the Progressive Era the 1920s the Great Depression and the New Deal World War II and the early Cold War years He emphasizes cultural and political history showing how developments in the West frequently indicated the future direction of the country [Ecomobilities](#) Michael W. Pesses, 2021-10-19 *Ecomobilities* examines the ideological connections between automobiles the environment and the end of the world focusing on the car's inseparability from modern life Through popular films addressing both mobilities and environmental disasters *Ecomobilities* reveals how American automobility has influenced responses to warming temperatures and shifting ecosystems **American Burial Ground** Sarah Keyes, 2023-10-24 In popular mythology the Overland Trail is typically a triumphant tale with plucky easterners crossing the Plains in caravans of covered wagons But not everyone reached Oregon and California Some 6 600 migrants perished along the way and were buried where they fell often on Indigenous land As historian Sarah Keyes illuminates their graves ultimately became the seeds of U S expansion By the 1850s cholera epidemics ordinary diseases and violence had remade the Trail into an American burial ground that imbued migrant deaths with symbolic power In subsequent decades U S officials and citizens leveraged Trail graves to claim Native ground Meanwhile Indigenous peoples pointed to their own sacred burial grounds to dispute these same claims and maintain their land These efforts built on anti removal campaigns of the 1820s and 30s which had established the link between death and territorial claims on which the significance of the Overland Trail came to rest In placing death at the center of the history of the Overland Trail *American Burial Ground* offers a sweeping and long overdue reinterpretation of this historic touchstone In this telling westward migration was a harrowing journey weighed down by the demands of caring for the sick and dying From a tale of triumph comes one of struggle defined as much by Indigenous peoples actions as it was by white expansion And finally from a migration to the Pacific emerges instead a trail of graves Graves that ultimately undergirded Native dispossession **Talking Machine West** Michael A. Amundson, 2017-04-13 Many associate early western music with the likes of Roy Rogers and Gene Autry but America's first western music craze predates these singing cowboys by decades Written by Tin Pan Alley songsters in the era before radio the first popular cowboy and Indian songs circulated as piano sheet

music and as cylinder and disc recordings played on wind up talking machines The colorful fantasies of western life depicted in these songs capitalized on popular fascination with the West stoked by Buffalo Bill's Wild West shows Owen Wister's novel *The Virginian* and Edwin S. Porter's film *The Great Train Robbery* The talking machine music industry centered in New York City used state of the art recording and printing technology to produce and advertise songs about the American West Talking Machine West brings together for the first time the variety of cowboy cowgirl and Indian music recorded and sold for mass consumption between 1902 and 1918 In the book's introductory chapters Michael A. Amundson explains how this music reflected the nostalgic passing of the Indian and the frontier while incorporating modern ragtime music and the racial attitudes of Jim Crow America Hardly Old West ditties the songs gave voice to changing ideas about Indians and assimilation cowboys the frontier the rise of the New Woman and ethnic and racial equality In the book's second part a chronological catalogue of fifty-four western recordings provides the full lyrics and history of each song and reproduces in full color the cover art of extant period sheet music Each entry also describes the song's composer's lyricist's and sheet music illustrator and directs readers to online digitized recordings of each song Gorgeously illustrated throughout this book is as entertaining as it is informative offering the first comprehensive account of popular western recorded music in its earliest form

*Chronicles of Oklahoma* James Shannon Buchanan, 2015      **Minicars, Maglevs, and Mopeds** Selima Sultana, Joe Weber, 2016-04-18 This book provides a fascinating look at the amazing diversity of forms of travel and transport around the world today in the context of cultures politics economics and environment of a place Across the timeline of human history transportation has played a role in the migration of people and information nation building economic development environmental alteration access to and the use of resources and even the fall of civilizations This single volume reference presents more than 150 entries that describe the most up to date surface transport technologies and routes in use on every continent including a broad range of road vehicles railroads person powered vehicles and even animals used for transportation The book melds transportation geography with culture politics economics and environment of place in its coverage of vehicles transportation technologies and some of the most famous streets rail systems and highways from around the world The entries are written by transport geography scholars to be accessible to general readers without technical backgrounds Each entry incorporates cross references that allow readers to easily find related entries making the book ideal for conducting specific research or completing school projects      Historians Without Borders Lawrence Abrams, Kaleb Knoblauch, 2019-04-11 This text explores a variety of themes developed from successive years of the University of California Davis multidisciplinary graduate conference It draws out connections on a wide array of topics among the arts humanities and sciences in history for multidisciplinary study This text presents a rare forum for multidisciplinary connections researched and presented by junior specialists in their respective fields It enables both creativity and flexibility in drawing out connections that are frequently overlooked by more specialized senior scholars This book is a unique exercise in the

promotion of junior scholarly achievement and multidisciplinary research      **Nebraska History** Addison Erwin  
 Sheldon,James Lee Sellers,James C. Olson,2015      *South Dakota History* ,2015      *Hell on Wheels* David Blanke,2007 A  
 fascinating look at the rise and growing popularity of the automobile during the first half of twentieth century America which  
 brought with it a dark undercurrent On the one hand Americans embraced the newfound sense of freedom and mobility  
 embodied by the automobile on the other they grew increasingly anxious about and fearful of the enormous threat that cars  
 and car accidents posed to public safety      *The Lincoln* Ford Motor Company. Lincoln Motor Company,1924      *Who's who*  
 Henry Robert Addison,Charles Henry Oakes,William John Lawson,Douglas Brooke Wheelton Sladen,1910 An annual  
 biographical dictionary with which is incorporated Men and women of the time      **Who's who in New England** ,1915  
     **The Antique Automobile** ,1960 Includes a tenth anniversary issue dated Nov 1945      **The Bulb Horn** ,1969      Cars  
& Parts ,1981      **Horseless Carriage Club Gazette** ,1962      *Who's who in Chicago and Illinois* John W. Leonard,Albert  
 Nelson Marquis,1917      **Old Car Value Guide** ,1970
