**Necessary Restorations** Kate Canterbury, 2015-04-15 They liked to call me names Manwhore Slut Player But I make wrong look so right He s a flawed perfectionist I can read women better than any blueprint I understand their thoughts and feelings their secret desires and insecurities and I know how to get rid of them once I get off But all bets are off when Tiel Desai slams into my life She redefines what it means to be friends and she makes it sound like the filthiest thing I ve ever heard I can t read the gorgeous conservatory trained violinist but she s the only one keeping me from shattering by small degrees and I can t let her go She s wildly independent My past and New Jersey are far behind me and now my life is blissfully full of music playing teaching and lecturing and scouring Boston s underground scene with an annoyingly beautiful troubled tattooed architect I m defenseless against his rooftop kisses our nearly naked dance parties the snuggletimes that turn into sexytimes and his deep demanding voice I have Sam Walsh stuck in my head like a song on repeat and I m happy pretending history won t catch up with me The one thing they have in common is a rock solid disregard for the rules They find more in each other than they ever realized they were missing but they might have to fall apart before they can come together It s the wrongs that make the rights come to life      The Space Between Kate Canterbury, 2014-11-18 A brilliant alpha architect A smart sultry apprentice What could possibly go wrong Some lines are meant to be crossed Patrick That hair That fucking hair It was everywhere always and I wanted to tangle my fingers in those dark curls and pull And that would be fine if she wasn t my apprentice Andy Asani was nothing like I expected She was exotic and scary brilliant and the slightest murmur from those lips sent hot hungry lust swirling through my veins Outside my siblings she was the only person I could name who shared my obsession with preserving Boston s crumbling buildings Andy My wants were few good eats tall boots sweaty yoga interesting work One incredibly hot architect with the most expressive hazel eyes I ever encountered and entirely too much talent in and out of the bedroom wasn t part of the original plan Apparently he was part of the package Wine was my rabbi and vodka was my therapist and I needed plenty of both to survive my apprenticeship Especially with Patrick Walsh leaving love notes in the form of bite marks all over my body      Coastal Elite Kate Canterbury, 2017-03-07 Jordan Kaisall has problems Business problems political problems cheating ex girlfriend problems This former Navy SEAL knows that a week away from the Washington D C Beltway won t do a damn bit of good for those problems but his beach house in Montauk is exactly where he needs to be right now April Veach has plans Work plans travel plans try everything once plans Montauk is keeping her plenty busy this summer between decorating wedding cakes and teaching yoga and busy is good But busy is also a lonely bed and that wasn t part of her grand plan After a weekend together his problems and her plans take them in an unexpected direction      **Hard Pressed** Kate Canterbury, 2018-06-29 Dear Jackson I m leaving you this note because I know you re very busy and I don t want to waste the town sheriff s time Lord knows I ve already wasted enough of it Thank you for taking me home last night and everything else I made you a basket of wild blueberry muffins for

your trouble That seemed like the appropriate baked good for getting naked in your living room I wasn't myself last night I didn't mean to kiss you or fondle your backside or ask all those intimate questions Thank you for pretending to enjoy it It was very noble of you to sleep on the couch while I was starfished on your bed I couldn't help but notice it's quite large The bed that is I swear I didn't notice anything else when I let myself out this morning As you know Talbott's Cove is a ridiculously small town and there's no chance we can avoid each other Not that I'd want to avoid you of course but I'm not sure I can look at you without thinking of the forty different ways I made a fool of myself Instead of avoidance let's try to be friends We'll forget all about last night if that's what you want Please burn this note after you read it Annette p.s. I whipped up some cinnamon buns too Please enjoy them I'm not sure why but I couldn't get buns out of my mind today
