Cascio,2005-05 *Negotiation Basics* Ralph A. Johnson,1993 Presenting principles of negotiation from theoretical and practical perspectives this book helps readers develop negotiating skills in both individual and collective situations Each chapter introduces and discusses an essential negotiating concept and then connects that concept to a related skill Exercises are integrated throughout each chapter to provide readers with the opportunity to practice these skills Using this unique theory into practice organization principle the book demonstrates how negotiation works outlines options and procedures for negotiation preparation and identifies common negotiating problems The Hidden Rules of Successful Negotiation and Communication Marc O. Opresnik,2014-06-17 Negotiations in professional or private life often take an unsatisfactory course due to stress confrontation with aggressive or unfair behavior or because of overwhelming situations Negotiations generally require a thorough preparation strategy and a sophisticated tactic to make us feel safe in the presentation of our goals and arrive at a mutually satisfactory outcome Conventional books about negotiations are usually limited to strategies and techniques but leave out elements of psychological communication and emotional intelligence which include non verbal communication and empathy which in turn are essential for successful negotiation Therefore this book on the one hand constitutes the essential techniques and strategies in the context of negotiation but also considers soft skills without which negotiations cannot be successful This book presents practical examples in dealing with situations such as salary contract and sales negotiations In particular on context and time appropriate negotiation techniques analyzing negotiation partners and their motives interpret group processes and how to successfully implement negotiation psychology *Gain the Edge!* Martin E. Latz,2004-05-10 A former negotiator for the White House offers a practical nuts and bolts guide that takes readers from theory to hands on techniques on how to negotiate effectively
