Neighbors With Benefits Anderson Brothers Series :

Neighbors With Benefits Marissa Clarke, 2015-06-30 Sure it might not be completely unfair to call Michael Anderson a control freak. It's helped him in business; he's the CEO of Anderson Enterprises after all. But he's trying to learn to let loose just a tiny bit. Still, he's not quite sure why his therapist thinks dogsitting will fix anything. Especially since Michael and this particular canine share a kind of mutual loathing. To make matters worse, his new next-door neighbor keeps disrupting his peace and his dates by blasting the worst possible music at the worst possible times. Artist and free spirit Mia Argaropolis just landed the perfect gig to complement her career as an art therapist and her preference for living a nomadic life: housesitting in the Upper West Side. Too bad the guy next door is an arrogant stick in the mud with a penchant for calling security whenever she tries to drown out the noises coming from his side of the wall. Suddenly, all in one day, Mia finds herself fighting for survival in unbearable situations. First, her dinner rolls go apocalyptic and try to take out the whole kitchen. Then, her douchebag ex shows up out of the blue, her bathtub overflows, and she's attacked by a Shih Tzu with the personality of Godzilla. When Mia's uptight neighbor steps in as her unlikely hero and unplanned fiancé, wait, what? She's not sure how much stranger this day could get. Each book in the Anderson Brothers series is a standalone full-length story that can be enjoyed out of order. Series Order: Book 1: Sleeping with the Boss, Book 2: Neighbors with Benefits, Book 3: Chance of a Lifetime.

Neighbors with Benefits Marissa Clarke, 2015-06-29 Love thy sexy jerk of a neighbor. CEO Michael Anderson might be something of a control freak. Still, he's not quite sure why his therapist thinks dogsitting will fix anything, especially since he and the canine share a kind of mutual loathing. And to make matters worse, a house sitter moves in next door, disrupting his peace and his dates with the worst possible music at the worst possible time every time. Free-spirited artist Mia Argaropolis has settled into the perfect gig: housesitting in NYC's Upper West Side while working as an art therapist. Too bad she's stuck living next door to a bossy control freak with a penchant for calling building security when she blasts music to drown out the noises coming through his bedroom wall. Post-apocalyptic dinner rolls that nearly take her kitchen with them, a douchebag ex, and a Shih Tzu with the personality of Godzilla attack Mia in one day, and her unlikely neighbor comes to the rescue. Like it was her fault. And now, somehow, they find themselves engaged. Both agree this neighborly feud just got taken to a whole new level.
