Foundations of the Market Economy

**Neoclassical Microeconomic Theory The Founding
Austrian Vision Author Anthony M Endres Feb 1997**

Charles E. Ferguson

Neoclassical Microeconomic Theory The Founding Austrian Vision Author Anthony M Endres Feb 1997:

Neoclassical Microeconomic Theory A. M. Endres, 1997 This work examines the contribution of the Austrian school to our understanding of markets as economic processes *Forthcoming Books* Rose Arny, 1996 Neoclassical Economic Theory, 1870 to 1930 Klaus Hennings, Warren J. Samuels, 1990 Warren J Samuels Each book in this series explores the present status of its field in terms of where it is how it got there the existing tensions within the field and something of how the field might develop in the future Each book presumes that work in each field is neither settled nor unequivocal Each book attempts to comprehend its field as an evolving developmental process or set of efforts This particular book covering neoclassical economics is the third of three in the field of the History of Economic Thought The others are Pre Classical Economic Thought edited by S Todd Lowry and Classical Political Economy edited by William O Thweatt Each one conducts the same kind of analysis as the others in the series with the understanding that here we are dealing with the history of interpretation rather than a substantive body of analysis of a certain aspect of the economy for example labor or international trade That understanding must be complex and subtle inasmuch as revision of interpretation of earlier ideas is part of the process both cause and consequence of re analyzing the economy In this group we are interested in how recent and contemporary writers have interpreted the history of economic thought differently both among themselves and from earlier writers 1

NEOCLASSICAL ECONOMIC THEORY 2 Several topics must be discussed to place such work in perspective in part as it is here applied to the history of the interpretation of neoclassical economics Neoclassical Microeconomics Martin Ricketts, 1988 **The Neoclassical Theory of Production & Distribution** Charles E. Ferguson, 1975

Thank you very much for reading **Neoclassical Microeconomic Theory The Founding Austrian Vision Author Anthony M Endres Feb 1997**.
