Britain - Culture Smart! Paul Norbury, 2015-07-21 Cool Britannia is alive and well today British culture is at the top of its game in fashion popular music art and entertainment science and technology new inventions and in the rediscovered skills and excellence in engineering that make it Germany's leading trading partner in Europe As a family of nations the British are inventive reflective good humored funny focused and tenacious Today's multicultural Britain is managing the challenges of integrating minorities in a way that remains true to its fundamental values and beliefs as a fair and open society one that continues to see itself as a model for others to follow Since the first edition of this guide appeared Britain has faced huge and accelerated change in its cultural economic and political life In ten years immigration has added a further five million to its population Confidence in its banks and regulatory structures was shaken by the global financial crisis The very unity of the United Kingdom was tested in 2014 in the referendum on Scottish independence and although those wishing to retain the Union triumphed it prompted a debate about national identities and rights and the prospect of a new fairer settlement for the English While the desire of Scottish nationalists for independence remains as strong as ever the surge in support for the UK Independence Party which wants Britain to leave the EU may well result in a new form of power sharing in parliament This revised and updated edition of Culture Smart Britain examines the impact of these issues on British society and guides the reader through the quirks customs values and changing ways of British life It is a must read for the record breaking numbers of visitors coming to these islands

Spain - Culture Smart! Bélen Aguado Viguer, 2016-07-05 For many Spain conjures up images of rapacious conquistadors the unworldly Don Quixote brave bullfighters fiery flamenco dancers and brilliant artists All true enough but how does the reality conform to these stereotypes The Spanish people are certainly distinctive Visitors are often astounded by their vitality entranced by their friendliness and driven mad by their frequent indulgence of their friends and relatives They tend to be proud passionate spontaneous generous and loyal they can also be procrastinators individualistic to a fault suspicious and not least very noisy Spain has had a major impact on European and world history This is the nation that enjoyed a golden age of enlightenment that discovered America and gathered in its riches and that left the great legacy of its culture and its language today spoken by over four hundred million people In the early twentieth century Spain suffered a bitter civil war and a stultifying dictatorship from which it emerged in the late seventies to become again an integral part of Europe and the international arena Culture Smart Spain explores the complex human realities of modern Spanish life It describes how history and geography have created both regional

differences and shared values and attitudes It reveals what the Spaniards are like at home and in business and how they socialize It prepares you for their boundless energy and widespread religious devotion and offers practical tips on how to behave and make the very most of your visit The better you understand the Spanish people the more you will be enriched by your experience of this vital warm and varied country where the individual is important and the enjoyment of life is paramount
