Pyle's Defeat - The Most Comprehensive Guide Stewart Dunaway, Jeffrey Bright, 2011-06-24 The Battle of Pyle's Defeat was the bloodiest ten minutes of all Alamance County history On February 24 1781 a few hundred yards of Alamance County then Orange County were stained red with the blood of a few hundred local citizens Nearly 100 Tory soldiers were killed with another 100 taken prisoner wounded or unaccounted For generations historians have pondered what really happened at this killing field without any real depth of rationality Some have just simply replaced fact with convenient speculation of where the hacking actually took place Our answer to these contemporaries and their agendas is the comprehensive presentation in this work of the letters memoirs and field notes of the men who participated Besides the insight gained from these writings we provide the reader the proper locations and mileage by plotting the actual routes It was not our wish when we started this project to revise history but to correct the myths that have been perpetuated since 1849 **A Guide to Zen** Katsuki
