Mother Teresa Ceo Unexpected Principles For Practical Leadership:

Mother Teresa, CEO Ruma Bose, Louis Faust III, 2011-07-05 Mother Teresa's distinctive leadership style based in absolute simplicity and practicality helped her to build one of the world's largest and most successful global organizations. This book the first to examine Mother Teresa in this context shows readers how to apply her leadership principles and practices.

Mother Teresa, CEO Louis Faust, Ruma Bose, 2011-08-18 What organization founded in 1948 by a passionate entrepreneur and twelve loyal team members grew to become one of the largest enterprises in the world. Today it has operations in over 100 countries, includes over 1 million team members, has raised and deployed billions of dollars in capital, and is one of the most recognized brands in history. Is it Hewlett Packard, Coca Cola, Disney? No, it is the Missionaries of Charity. And Mother Teresa was its leader. How did this nun with no formal business training create a global brand, become a powerful fund raising and public relations magnet, and lead a worldwide organization through every phase of growth over the course of forty-seven years? What were her secrets? When we shift our lens and view Mother Teresa from a leadership perspective, a wonderful success story emerges, one filled with inspiration, life lessons, and impact. Ruma Bose spent time in Calcutta working as a volunteer with Mother Teresa and her Missionaries of Charity in 1992. Over time she discovered that Mother Teresa's success resulted from the careful application of eight simple and unexpected principles. Through the pages of this book, you will have the unique opportunity to learn these principles, share Bose's experience with Mother Teresa, and discover how to apply Mother Teresa's principles, whether on a single project throughout an organization or in your life. Modern, well-timed, and humane, Mother Teresa CEO helps you discover how you don't have to be a saint to be a great leader.

Mother Teresa, CEO Ruma Bose, Lou Faust, 2011 **Mother Teresa, CEO** Ruma Bose, Louis Faust, 2011-08-18 When most people think of Mother Teresa, they think of a saint, a spiritual hero of extraordinary humanitarian accomplishments, a Nobel Peace Prize winner. But Mother Teresa was also the leader of one of the world's largest and most successful organizations, the Missionaries of Charity. Since founding it in 1948, she has raised millions of dollars and with over a million volunteers in more than 100 countries, it remains one of the most recognized brands in the world. How did one nun who never received any formal education in business build such an impressive global organization? Frank, realistic, and firmly grounded in practicality, Mother Teresa's leadership style helped to inspire and organize people across the world. This book shares ten essential leadership principles drawn from Mother Teresa's example and applies them to today's business world. Authors Ruma Bose, an entrepreneur who volunteered with Mother Teresa, and Lou Faust, a leading business expert, are the first to examine her in this light as a leader whose management style and dedication to a singular vision led to one of the world's most unlikely success stories. Mother Teresa may have been a saint, but her spectacular success was not a product of divine providence. Her genius was the simplicity of her vision and her dedication to its implementation. It was in the way she treated her people, refusing to distance herself from the everyday work of a typical sister of the Missionaries of Charity. It was in how

she handled tough choices like accepting donations from brutal Haitian dictator François Papa Doc Duvalier. These were the principles that made her the great leader of a global organization and they can be applied by anyone in any organization no sainthood required. **Mother Teresa, CEO** Ruma Bose, Louis Faust III, 2011-07-05 When most people think of Mother Teresa they think of a saint a spiritual hero of extraordinary humanitarian accomplishments a Nobel Peace Prize winner.
