Labor Markets and Social Policy in Central and Eastern Europe N. A. Barr,2005-01-01 Labor Markets and Social Policy in Central and Eastern Europe summarises social policy reform during the transition and EU accession and analyses the social policy challenges which continue to face both old and new member states Specifically the book amplifies two sets of arguments First social policy under communism was in important respects well suited to the old order and precisely for that reason was systematically badly suited to a market economy Strategic reform directions thus followed from the nature of the transition process and from constraints imposed by EU accession Secondly successful accession is not the end of the story economic and social trends over the past 50 years are creating strains for social policy which all countries old and new members will have to face This book will be of interest to readers interested in social policy particularly those with an interest in the process of post communist transition in EU accession and in future social policy challenges for the wider Europe It should be of interest to academics in departments of economics social policy and political science and to policy makers including government advisers and civil servants **Expenditure Policies Toward EU Accession** Bernard

Funck,2002-01-01 Expenditure Policies Toward EU Accession presents the set of public expenditures that could be conducive to rapid growth and convergence among the Central and Eastern European countries This report assesses public expenditure policy objectives and provides best practice and lessons learned in designing expenditure reforms within these countries It also highlights ways in which key expenditure programs such as education environment and transport can be redirected so as to be more fully supportive of growth objectives **Fiscal Policy and Economic Growth** Cheryl Williamson Gray,Tracey

Lane,Aristomène Varoudakis,2007 Worldwide experience highlights public finance policies that promote economic growth while meeting the need for fundamental public goods Macroeconomic stability is essential as large budget deficits retard growth followed by moderate levels of public spending around one third of GDP or less especially when governance and public administration are weak that in turn requires efficiency particularly in areas such as infrastructure health education and social protection finally lower income and payroll tax rates can spur investment and employment The Eastern European

and Central Asia countries pioneered flat income taxes without generally suffering revenue losses as a result but they have not addressed the problem of high payroll taxes and still face many hurdles in improving the efficiency and effectiveness of public spending and revenue generation

Bulgaria Leila Zlaoui, 2003-01-01 This is the first public expenditure and institutional review on Bulgaria by the World Bank The objective of this study is to outline public expenditure issues and policy directions to improve the efficiency and effectiveness of public expenditures in Bulgaria It assesses fiscal sustainability and analyzes the efficiency and effectiveness of public expenditures and their institutional framework Bulgaria has made substantial progress toward long term macroeconomic stability Growth has been re established per capita income has improved inflation has remained low poverty has been reduced and the external debt to GDP ratio has declined Furthermore the share of the private sector in the economy is increasing major regulatory reform is underway the banking sector is on more solid footing and energy pricing reforms are improving efficiency and reducing the fiscal burden But challenges remain in the five sectors looked at education health social protection the state railways and energy sectors
