**Setting Your Course** Dr. Greg Bourgond, 2014-03 God is very clear about His purposes for you. If you want to live a meaningful life, it must be aligned with His purposes. You have a unique purpose to fulfill a committed passion to embrace a role to perform, unique methodologies, a personal toolkit to employ, and an ultimate contribution to make. In *Setting Your Course*, author Dr. Greg Bourgond seeks to help you set your course, find focus for your life, engage in God's journey for you, and finish your journey well. He employs a three-part process to influence you to live all out for Christ: the compass, map, and guide. The compass explains the importance of orienting your life in accordance with established biblical compass points. The map defines the trajectory you are to follow based on how God has wired you. The guide stresses the importance of being mentored and mentoring others. *Setting Your Course* helps you formulate a deliberate strategy for determining your purpose, assists you in aligning your life according to God's plan, encourages you to become a proactive partner in fulfilling God's purposes, and redemptive activity, and exhorts you to leave a worthwhile legacy in the lives of others.

**The TRUE Bible Timeline** R. Craig Bridgforth, 2021-03-10 It is becoming increasingly popular among the intelligentsia to claim that treasured Bible history is nothing more than a myth. Proponents conclude that since the church is unsure of when these events transpired, perhaps they never happened in the first place. Unfortunately, this alarming trend appears to be gaining more acceptance in our seminaries and churches. The True Bible Timeline seeks to dispel such notions by providing an accurate resource to properly date the Old Testament. The result of a five-year-long project, it accurately establishes and painstakingly documents the dates of key Bible figures and events, starting with the Creation of Adam and ending at the Cross of Christ. The complete chronology for 200 Bible events is included in the appendix. Guided by His Wisdom, author R. Craig Bridgforth built this timeline through a meticulous process that allowed him to produce a trustworthy and accurate resource that will enrich studies of the Old Testament with new understanding and insight. Developed almost entirely from Scripture, this reference guide provides a reliable chronology of events and figures from the Old Testament.

**A Marriage Covenant: Not For Women Only** Linda Anderson, 2017-07-05 Have you ever wondered why the Bible contains certain specific elements, such as the proliferation of the numbers seven or ten? Or why Peter and Andrew caught specifically 153 fish when Jesus told them to put their net on the opposite side of the boat? I wondered. That curiosity led me to a bigger change in my understanding of

scripture than I could have imagined It literally revolutionized my bible study practice I am going to let you in on the secret It is learning to see Scripture through more of a Jewish mindset Jesus was Jewish and so was the majority of his audience and the majority of the authors that wrote the Bible That culture is far different from ours Therefore it behooves us to attempt to learn something of what Jesus Christ and writers of the word meant when they penned their words As a serious student of the word I have spent over twenty years examining and teaching on God s marriage covenant from that perspective Many of the theories we have been taught about prophecy the rapture or lack thereof are brilliantly clear in meaning when we look at them through eyes that understand Jewish culture and the true meaning of the concept of covenant in Hebrew
