Partners in Christ John G. Stackhouse, 2015-12-02 When it comes to understanding what Scripture says about men and women those on both sides of the debate can and do marshal strong evidence from the Bible Does the Bible contradict itself then Not so John Stackhouse describes the single approach in Scripture that guides us with clear direction and moves us beyond the impasse in this important debate

Partners in Christ John G. Stackhouse Jr., 2015-10-08 When it comes to understanding what Scripture says about men and women those on both sides of the debate can and do marshal strong evidence from the Bible Does the Bible contradict itself then Not so John Stackhouse describes the single approach in Scripture that guides us with clear direction and moves us beyond the impasse in this important debate Christian Ethics (Revised Edition) Wayne Grudem, 2024-09-18 What Does the Bible Teach about How to Live in Today's World How should Christians live when the surrounding culture is increasingly hostile to Christian moral values Granted the Bible is our guide but how can we know if we are interpreting it rightly with regard to ethical questions about wealth and poverty marriage and divorce birth control abortion euthanasia homosexuality ethical business practices environmental stewardship and dozens of other issues And on a very practical level how can we know God's will in the ordinary decisions of life To address questions like these Wayne Grudem author of the bestselling book Systematic Theology draws on 40 years of teaching classes in ethics to write this wide ranging introduction to biblical moral reasoning organized according to the structure of the Ten Commandments He issues a challenging call for Christians to live lives of personal holiness and offers a vision of the Christian life that is full of joy and blessing through living each day in a way that is pleasing to God Written by Wayne Grudem Bestselling author of Systematic Theology and the What the Bible Says About series Biblical and Applicable Teaches readers how to protect 7 central tenets of God's law God's honor human authority life marriage property truth and purity of heart Accessible An ideal textbook for Christian college and seminary ethics classes with straightforward language and a bibliography for the topic at the end of each chapter Replaces ISBN 978 1 4335 4965 6

Men and Women in Christ Andrew Bartlett, 2019-03-21 The debate about men and women in the church and in marriage continues to cause division among Christians Most books on this issue are written from a firmly partisan point of view complementarian or egalitarian This one is unique Andrew Bartlett draws on his theological learning and his skills as a judge and arbitrator to offer an even handed assessment of the debate His analysis is thorough but accessible He engages with advocates of each view and all the key biblical texts weighing the available evidence and offering fresh insights He invites the reader to move beyond complementarian and egalitarian labels and seeks progress towards healing the division

Can I Believe? John G. Stackhouse Jr., 2020-08-21 Maybe Christianity is actually true Maybe it is what believers say it is But at least two problems make the thoughtful person hesitate First there are so many other options How could one possibly make one's way through them to anything like a rational and confident conclusion Second why do so many people choose to be Christian in the face of

so many reasons not to be Christian Yes many people grow up in Christian homes and in societies but many more do not Yet Christianity has become the most popular religion in the world Why This book begins by taking on the initial challenge as it outlines a process how to think about religion in a responsible way rather than settling for such soft vagaries as faith and feeling It then clears away a number of misunderstandings from the basic story of the Christian religion misunderstandings that combine to domesticate this startling narrative and thus to repel reasonable people who might otherwise be intrigued The second half of the book then looks at Christian commitment positively and negatively Why do two billion find this religion to be persuasive thus making it the most popular explanation of everything in human history At the same time how does Christianity respond to the fact that so many people find it utterly implausible especially because so many Christians insist that theirs is the only way to God and because of the problem of evil that seems to undercut everything Christianity asserts Grounded in scholarship but never ponderous Can I Believe refuses to dodge the hard questions as it welcomes the intelligent inquirer to give Christianity at least one good look A Theology of Paul and His Letters Douglas J.

Moo,2021-10-26 A landmark study of the apostle s writings by one of the world s leading Pauline scholars Winner of the 2022 ECPA Christian Book Award for Bible Reference Works This highly anticipated volume gives pastors scholars and all serious students of the New Testament exactly what they need for in depth study and engagement with one of Christian history s most formative thinkers and writers A Theology of Paul and His Letters is a landmark study of the apostle s writings by one of the world s leading Pauline scholars Douglas J Moo Fifteen years in the making this groundbreaking work is organized into three major sections Part 1 provides an overview of the issues involved in doing biblical theology in general and a Pauline theology in particular Here Moo also sets out the methodological issues formative influences and conceptual categories of Paul s thought Part 2 moves on to Paul s New Testament writings where Moo describes each Pauline letter with particular relevance to its theology Part 3 offers a masterful synthesis of Paul s theology under the overarching theme of the gift of the new realm in Christ Engaging insightful and wise this substantive evangelical treatment of Paul s theology offers extensive engagement with the latest Pauline scholarship without sacrificing its readability This volume brings insights from over thirty years of experience studying teaching and writing about Paul into one comprehensive guide that will serve readers as a go to resource for decades to come ABOUT THE SERIES The Biblical Theology of the New Testament BTNT series provides upper college and seminary level textbooks for students of New Testament theology interpretation and exegesis Pastors and discerning theology readers alike will also benefit from this series Written at the highest level of academic excellence by recognized experts in the field the BTNT series not only offers a comprehensive exploration of the theology of every book of the New Testament including introductory issues and major themes but also shows how each book relates to the broad picture of New Testament Theology **Across the Spectrum** Gregory A. Boyd,Paul Rhodes Eddy,2022-08-16 This accessible yet comprehensive primer helps readers understand the breadth of viewpoints on major issues in evangelical

theology with chapters using the popular multiple views format This third edition of a well received textbook over 60 000 copies sold has been updated and revised throughout It examines positions taken by evangelical scholars on seventeen seminal issues In addition it offers end of chapter For Further Reading sections an extensive glossary and an appendix that addresses contrasting views on fifteen additional issues in contemporary evangelicalism *Should Women Be Pastors and Leaders in Church?* Dr. Bill Rudd, 2018-07-12 What if you had been deceived about an important Bible teaching that has huge impact on peoples openness to the gospel and on the reputation of Jesus's church Would you want to know What if your church could double the number of teachers and leaders and experience revitalization by implementing one Bible teaching Would you want to know how Discover the following What God's creation intent was for the roles of men and women How the Fall radically changed male and female relationships and impacts us every day An interpretive key with transformative potential for every marriage How misinterpretation of the two primary gender role passages in the Bible has deceived millions and caused great harm How a major emphasis of scripture has been stifled or ignored How to implement a game changing Bible truth in your church **Understanding Transgender Identities** James K. Beilby, Paul Rhodes

Eddy, 2019-11-05 One of the most pressing issues facing the evangelical church today involves dramatic shifts in our culture's perceptions regarding human sexuality While homosexuality and same sex marriage have been at the forefront there is a new cultural awareness of sexual diversity and gender dysphoria The transgender phenomenon has become a high profile battleground issue in the culture wars This book offers a full scale dialogue on transgender identities from across the Christian theological spectrum It brings together contributors with expertise and platforms in the study of transgender identities to articulate and defend differing perspectives on this contested topic After an introductory chapter surveys key historical moments and current issues four views are presented by Owen Strachan Mark A Yarhouse and Julia Sadusky Megan K DeFranza and Justin Sabia Tanis The authors respond to one another's views in a respectful manner modeling thoughtful dialogue around a controversial theological issue The book helps readers understand the spectrum of views among Christians and enables Christian communities to establish a context where conversations can safely be held

Embracing Complementarianism Jane Tooher, Graham Beynon, 2022-10-01 A biblical vision for the roles of men and women in the church and how to put them into practice It can be tempting to shy away from addressing the issue of gender roles in church because it's often controversial But this can result in churches either being increasingly influenced by secular culture or simply sticking with the status quo when it comes to what men and women do in church Building on the belief that complementarianism is both biblical and positive this book focuses on what these convictions look like in practice Moving beyond the familiar discussions around gender roles and leaving room for variety in how readers implement these ideas it will encourage a church culture where men and women truly partner together embracing their privileges and responsibilities and maximizing their gifts in joyful service of God's kingdom **Rediscovering Scripture's Vision for Women** Lucy

Peppiatt,2019-08-06 Does God call women to serve as equal partners in marriage and as leaders in the church With careful exegetical work Lucy Peppiatt considers relevant passages in Ephesians Colossians 1 Peter 1 Timothy and 1 Corinthians There she finds a story of God releasing women alongside men into all forms of ministry leadership work and service on the basis of character and gifting rather than biological sex **Evangelical Dictionary of Theology** Daniel J. Treier,Walter A. Elwell,2017-11-07 This bestselling reference tool has been a trusted resource for more than 25 years with over 165 000 copies sold Now thoroughly updated and substantially revised to meet the needs of today s students and classrooms it offers cutting edge overviews of key theological topics Readable and reliable this work features new articles on topics of contemporary relevance to world Christianity and freshened articles on enduring theological subjects providing comprehensive A Z coverage for today s theology students The author base reflects the increasing diversity of evangelical scholars Advisory editors include D Jeffrey Bingham Cheryl Bridges Johns John G Stackhouse Jr Tite Ti nou and Kevin J Vanhoozer **Untie the Cords of Silence** Michael Huffman,2022-01-03 Christians often feel they are faced with a choice Either I compromise my commitment to biblical authority or I embrace male authority over women as the Bible teaches Such a dilemma tends to prod Christians often reluctantly down one of two paths One path involves relegating the Bible s teaching to an antiquated past Certain passages are labeled artifacts of a patriarchal culture and deemed irrelevant for today The other path involves a doubling down in which Christians commit themselves to the Bible s perceived teaching about male authority and thereby set themselves over against a full commitment to equality Untie the Cords of Silence shows through careful readings of relevant biblical passages that Christians need not go down either of these paths It is possible to hold to both biblical authority and the full equality of men and women In fact doing so is the most logically coherent way of applying the Bible s message to the Christian life This book does not merely provide a way to tolerate the problem texts Instead it restores these texts to their rightful place as coherent integrated parts of the Bible s message of salvation and freedom in Christ The Pentecostal Gender Paradox Joseph Lee Dutko,2023-11-16 The distinct subjects of eschatology and gender equality have seen an explosion of interest in recent decades particularly within Pentecostal scholarship Pentecostalism is regarded ideally as both an eschatological and egalitarian movement However many Pentecostals have lamented the inconsistency between the early egalitarian impulse of the movement and its current restrictive practices This situation has been described as the so called Pentecostal gender paradox referring to the conflicting freedoms and limitations experienced by Pentecostal women Pentecostals have also recognized the waning eschatological fervor within the movement and its shifting eschatological convictions leading to calls to rediscover the eschatological heart of the movement Despite the renewed interest in both eschatology and women s equality little research has been done to put these two areas into conversation with each other eschatological convictions are often absent in the debate on gender roles in the church For Pentecostals eschatology has often been about urgency in saving souls rather than attending to social issues but could

Pentecostal eschatology be the key to re discovering greater equality for women in the church Is the waning of both eschatology and women s equality within Pentecostalism potentially interrelated For over one hundred years the role of women in Pentecostalism has been debated without a firm consensus By examining gender solely through an eschatological lens in history Scripture and praxis this work provides a valuable and creative contribution to one of the most important theological and global issues of our time women s in equality This book is also one of the first comprehensive studies to approach a single social issue solely through an eschatological lens and to provide attention to developing a thorough and methodologically connected eschatological praxis By uncovering the unified eschatological egalitarian narrative thread within both the Pentecostal and biblical story this work suggests that the present end of women s inequality begins with fidelity to the future eschaton of gender equality

The Working Homemaker Charity Gibson,2024-09-30 Homemaking is about values and priorities rather than job status It s time to ditch the notion that women who work outside the home are not homemakers and redefine homemaking as nurturing relationships and cultivating a lifestyle that allows for flourishing within the home as well as eventually extending beyond Working Christian mamas can nurture thriving homelives for their families by cultivating relationships setting healthy routines and embracing simplicity to practice kingdom living A woman s homelife and work life can be molded to honor God our families and our employers when homemaking is valued and prioritized The Working Homemaker encourages countercultural simplicity relationships healthy household rhythms margin in schedules and if possible work flexibility Homemaking is not just what we do at home but also the choices we make regarding being away from home that allow for our time at home to be lifegiving Who is this book for Working moms Moms who are considering employment Working women who are considering motherhood Anyone else who wants to better understand and support working moms

SCM Studyguide: Church Leadership Jon Coutts,2019-04-30 Resisting the urge to instruct with a more polemical voice the SCM Studyguide to Church Leadership will encourage ordinands and trainee church leaders to reassess modern pressures and priorities and to re orient creatively around the callings giftings and approaches that are suitable to Christ and particular to the Church

Women in Leadership Stefanie Ertel,Doris Gomez,Kathleen Patterson,2024-02-28 This book offers a biblically based and research centered exploration of the unique and important role of women in leadership across multiple domains Divided into two sections the chapters begin by examining biblical examples of women in leadership such as Esther and the woman of Proverbs 31 and passages focused on women such as 1 Timothy 2 and Romans 16 before presenting contemporary perspectives with discussions on topics such as submission DEI and work life balance Taking a neutral position not siding with feminist or patriarchal extremes this book will contribute to debates on leadership and gender in the fields of organizational behaviour HRM I O psychology and gender studies

Do Small Groups Work? Anna Creedon,2021-05-31 Engaging with the Bible in a small group context has the potential to be transformative but the picture is not without some complications Key factors in determining whether a small group can be

transformed through scripture include the use or abuse of experts the opportunity for challenge in the group and how study materials are used Do Small Groups Work not only presents extensive research into these questions with the potential to transform practice but also offers a unique window into how practical theological research can productively encounter scripture

Called Anne Francis, 2022-06-10 What is it like to be a woman in ministry in Ireland Why do they do it and what are the joys challenges and everyday realities of this way of life For the first time female pastors chaplains spiritual guides priests religious sisters youth ministers and many more have been asked to tell their stories These are brought together in the words of women across the Christian denominations and from the four corners of Ireland in the voices of anonymous participants and those who have been ministry pioneers and leaders Dr Ruth Patterson Dr Heather Morris Sr Margaret Kiely Ms Soline Humbert and Bishop Pat Storey The result is an account of lives and ministries that are truly extraordinary and that present both a blessing and a prophetic challenge to the churches and communities in which they serve

The Oxford Handbook of the Bible in America Paul C. Gutjahr, 2017 Early Americans have long been considered A People of the Book Because the nickname was coined primarily to invoke close associations between Americans and the Bible it is easy to overlook the central fact that it was a book not a geographic location a monarch or even a shared language that has served as a cornerstone in countless investigations into the formation and fragmentation of early American culture Few books can lay claim to such powers of civilization altering influence Among those which can are sacred books and for Americans principal among such books stands the Bible This Handbook is designed to address a noticeable void in resources focused on analyzing the Bible in America in various historical moments and in relationship to specific institutions and cultural expressions It takes seriously the fact that the Bible is both a physical object that has exercised considerable totemic power as well as a text with a powerful intellectual design that has inspired everything from national religious and educational practices to a wide spectrum of artistic endeavors to our nation's politics and foreign policy This Handbook brings together a number of established scholars as well as younger scholars on the rise to provide a scholarly overview rich with bibliographic resources to those interested in the Bible's role in American cultural formation
