Nursing: The Profession, The Pathway, The Practice Jeff Solheim, 2016-01-13 With over 136.3 million patient visits to the Emergency Department emergency nurses are not only in high demand but a continuously growing segment of the nursing profession. Emergency nurses find themselves in high risk, fast-paced, physically and emotionally demanding and difficult situations on a constant basis which many nurses will describe as both stressful and surprisingly extremely fulfilling. But there are so many variables, moving pieces and different roles when it comes to emergency nurses. How do you begin to understand or know if this is the right career for you when there is so much to know? *Emergency Nurse: The Profession, the Pathway and the Practice* provides students, new nurses and existing emergency nurses the tools and information they need to pursue and sustain a successful career in emergency healthcare. Author Jeff Solheim informs readers about the career opportunities that exist within emergency nursing, introduces nurses to the emergency department and how it differs from other healthcare settings and explains the challenges and patient populations that emergency nurses will face on a regular basis. Filled with fun facts, notes and practical advice, this book is a fantastic resource for a nurse eager to learn more about emergency care. Concepts of Evidence Based Practice for the Physical Therapist Assistant Barbara B.

Gresham, 2016-01-11 With physical therapist assistants (PTAs) performing patient interventions under the direction of a physical therapist, you need to know how to read and understand a research article to provide the best possible patient care. The PTA must have a reasonable grasp of current evidence to communicate knowledgeably with the therapist, the patient and other health care providers. This text provides the information and skills you need to actively participate in evidence-based practice. You'll enter the world of the clinic with confidence. *Ballweg's Physician Assistant: A Guide to Clinical Practice - E-Book* Tamara S. Ritsema, Darwin L. Brown, Daniel T.
