A. G. Houghton,2023 The Oxford Handbook of the Latin Bible contains thirty one chapters covering the history of the Latin Bible from its earliest translations the Vetus Latina the revisions leading to the Vulgate the achievements and innovations of the Carolingian period and Middle Ages the development of modern scholarship and the twentieth century innovation of the Nova Vulgata It includes discussions of key figures and interpreters the most important manuscripts and the significance of the Latin Bible in multiple fields *Matthew's Account of the Massacre of the Innocents in Light of its Reception History* Sung J. Cho,2021-10-21 Sung Cho addresses the seeming contradiction of Herod the Great s massacre in Matthew 2 16 18 questioning why such a tragedy had to occur why it was included in the good news of Jesus and what connection it has to ancient prophecies In creating a reception history of the Massacre of the Innocents Cho progresses through two millennia worth of interpretation and depiction to highlight key works for discussion Beginning with a close reading of Matthew 2 16 18 Cho moves to analyse depictions of the tragedy in the Early Patristic Tradition from the sixth century to the early modern period and thus to the present day complete with an examination of visual interpretations of the massacre Cho s examination provides a positive step to understanding the depths of human suffering with the help of many diverse perspectives **A History of Preaching Volume 1** Rev. O.C. Edwards JR.,2016-04-25 A History of Preaching brings together narrative history and primary sources to provide the most comprehensive guide available to the story of the church s ministry of proclamation Bringing together an impressive array of familiar and lesser known figures Edwards paints a detailed compelling picture of what it has meant to preach the gospel Pastors scholars and students of homiletics will find here many opportunities to enrich their understanding and practice of preaching Volume 1 contains Edwards s magisterial retelling of the story of Christian preaching s development from its Hellenistic and Jewish roots in the New Testament through the late twentieth century s discontent with outdated forms and emphasis on new modes of preaching such as narrative Along the way the author introduces us to the complexities and contributions of preachers both with whom we are already acquainted and to whom we will be introduced here for the first time Origen Chrysostom Augustine Bernard Aquinas Luther Calvin Wesley Edwards Rauschenbusch Barth all of their distinctive contributions receive careful attention Yet lesser known figures and developments also appear from the

ninth century reform of preaching championed by Hrabanus Maurus to the reference books developed in the thirteenth and fourteenth centuries by the mendicant orders to assist their members preaching to Howell Harris and Daniel Rowlands preachers of the eighteenth century Welsh revival to Helen Kenyon speaking as a layperson at the 1950 Yale Beecher lectures about the view of preaching from the pew Volume 2 available separately as 9781501833786 contains primary source material on preaching drawn from the entire scope of the church's twenty centuries The author has written an introduction to each selection placing it in its historical context and pointing to its particular contribution Each chapter in Volume 2 is geared to its companion chapter in Volume 1's narrative history Ecumenical in scope fair minded in presentation appreciative of the contributions that all the branches of the church have made to the story of what it means to develop deliver and listen to a sermon A History of Preaching will be the definitive resource for anyone who wishes to preach or to understand preaching's role in living out the gospel This work is expected to be the standard text on preaching for the next 30 years says Ann K Riggs who staffs the NCC's Faith and Order Commission Author Edwards former professor of preaching at Seabury Western Theological Seminary is co moderator of the commission which studies church uniting and church dividing issues A History of Preaching is ecumenical in scope and will be relevant in all our churches we all participate in this field says Riggs from EcuLink Number 65 Winter 2004 2005 published by the National Council of Churches

Augustine in Context Tarmo Toom, 2018-01-11 Augustine in Context assesses the various contexts historical literary cultural spiritual in which Augustine lived and worked The essays written by an international team of scholars especially for this volume provide the background against which Augustine's treatises should be read and interpreted They are organized according to a rationale which moves from an introduction to the person the so called personal context to the contexts of Augustine's works and ideas starting from the intellectual setting and extending to the socio political realm Collectively the essays highlight the embeddedness of Augustine in the world of late antiquity and the interdependence of his discourse with contemporary forms of social life They shed new light on one of the most important figures of the western canon and facilitate a more enlightened reading of his writings

The Harp of Prophecy Brian E Daley, Paul R Kolbet, 2015-01-30 The Psalms generated more biblical commentary from early Christians than any other book of the Hebrew and Christian canon While advances have been made in our understanding of the early Christian preoccupation with this book and the traditions employed to interpret it no study on the Psalms traditions exists that can serve as a solid academic point of entry into the field This collection of essays by distinguished patristic and biblical scholars fills this lacuna It not only introduces readers to the main primary sources but also addresses the unavoidable interpretive issues present in the secondary literature The essays in The Harp of Prophecy represent some of the very best scholarly approaches to the study of early Christian exegesis bringing new interpretations to bear on the work of influential early Christian authorities such as Athanasius Augustine and Basil of Caesarea Subjects that receive detailed study include the dynamics of early Christian political power gender expressions and the ancient

conversation between Christian Jewish and Greek philosophical traditions The essays and bibliographic materials enable readers to locate and read the early Christian sources for themselves and also serve to introduce the various interdisciplinary methods and perspectives that are currently brought to bear on early Christian psalm exegesis Students and scholars of theology and biblical studies will be led in new directions of thought and interpretation by these innovative studies

Handbook on the New Testament Use of the Old Testament G. K. Beale, 2012-09-01 This concise guide by a leading New Testament scholar helps readers understand how to better study the multitude of Old Testament references in the New Testament G K Beale coeditor of the bestselling Commentary on the New Testament Use of the Old Testament focuses on the how to of interpreting the New Testament use of the Old Testament providing students and pastors with many of the insights and categories necessary for them to do their own exegesis Brief enough to be accessible yet thorough enough to be useful this handbook will be a trusted guide for all students of the Bible This handbook provides readers with a wonderful overview of key issues in and tools for the study of the use of the Old Testament in the New I expect it to become a standard textbook for courses on the subject and the first book to which newcomers will be directed to help them navigate through these sometimes complex waters Roy E Ciampa Gordon Conwell Theological Seminary "What Did Ezekiel See?" Angela G.R. Christman, 2005-08-01 What Did Ezekiel See analyzes the development of early Christian exegesis of Ezekiel 1 the prophet s vision of the chariot It demonstrates that as patristic commentators sought to discern this text s meaning they attended carefully to its very words its relation to other biblical books and the emerging Christian interpretive tradition In the first six centuries of the common era three dominant exegetical strands develop concurrently one which finds in Ezekiel s vision confirmation of the unity of Old and New Testaments a second which shows the significance of Ezekiel 1 for discussions of human knowledge of God and a third which reads the prophet s vision as illuminating the life of virtue The book will be useful to students of early Christianity especially those concerned with the development of Christian exegesis and to those interested in biblical studies

Not by Paul Alone David R. Nienhuis, 2007 Not by Paul Alone explores the historical reasons for the creation of the book of James and the implications for the creation of the Christian canon Nienhuis makes a compelling case that James was written in the mid second century and is like 2 Peter an attempt to provide a distinctive shape to the emerging New Testament This book bolsters the claim that the Catholic Epistles not only have a distinct witness individually but that collectively they are also a considered theological agenda within the Christian church **Christianity and Society** Everett Ferguson, 1999 First published in 1999 Routledge is an imprint of Taylor Francis an informa company

Ambrosiaster's Commentary on the Pauline Epistles, 2017-11-24 A new translation for scholars and students of biblical interpretation and ancient Christianity The ancient writer dubbed Ambrosiaster was a pioneer in the revival of interest in the Pauline Epistles in the later fourth century He was read by Latin writers including Pelagius and Augustine and his writings passed on pseudonymously had a long afterlife in the biblical commentaries theological treatises and canonical

literature of the medieval and the early modern periods In addition to his importance as an interpreter of scripture Ambrosiaster provides unique perspectives on many facets of Christian life in Rome from the emergence of clerical celibacy to the development of liturgical practices to the subordination of women Features An up to date overview of what is known about Ambrosiaster the transmission of his commentary on the Pauline Epistles his exegetical method his theological orientation and aspects of Christianity in Rome in the fourth century A scholarly translation of the final version of the commentary along with notes that identify significant variants from prior versions of the commentary Bibliography that includes a comprehensive list of the scholarly literature on Ambrosiaster

The Poets and the Fathers Timothy E. G. Bartel, 2024-01-19 Christian poetry was born at the crossroads of the Greek Hebrew Roman and Syrian cultures of late antiquity Pioneered by poets like Ephrem the Syrian Gregory Nazianzus and Prudentius a uniquely Christian poetry and poetics has flourished across history into the twenty first century In this series of essays poet and literary scholar Timothy E G Bartel explores the often overlooked genesis of Christian poetry in the fourth century AD with a special emphasis on the poetics and cultural theological vision of St Gregory Nazianzus Bartel then traces the influence of the inventors of Christian poetry to poets of more recent centuries including Elizabeth Barrett Browning Henry Wadsworth Longfellow T S Eliot C S Lewis and Scott Cairns It is in these poets of the last three centuries that we see the continual outworking of the ancient Christian poetic project and a blueprint for the future of a literature that continues to learn from the church fathers and the theological traditions of Christianity

The Bible in Athanasius of Alexandria James D. Ernest, 2021-12-28 This study of uses of Scripture in the writings of Athanasius of Alexandria draws upon detailed textual observations to construct a coherent description of interpretive practices across the several genres in which this prominent fourth century bishop wrote

Understanding Affections in the Theology of Jonathan Edwards Ryan J. Martin, 2018-11-15 This volume argues that the notion of affections discussed by Jonathan Edwards and Christian theologians before him means something very different from what contemporary English speakers now call emotions and that Edwards's notions of affections came almost entirely from traditional Christian theology in general and the Reformed tradition in particular Ryan J Martin demonstrates that Christian theologians for centuries emphasized affection for God associated affections with the will and distinguished affections from passions generally explaining affections and passions to be inclinations and aversions of the soul This was Edwards's own view and he held it throughout his entire ministry Martin further argues that Edwards's view came not as a result of his reading of John Locke or the pressures of the Great Awakening as many Edwardsean scholars argue but from his own biblical interpretation and theological education By analysing patristic medieval and post medieval thought and the journey of Edwards's psychology Martin shows how on their own terms pre modern Christians historically defined and described human psychology

Augustine Joanne McWilliam, 1992-04 Augustine From Rhetor to Theologian consists of fifteen chapters from international scholars written to celebrate the 1600th anniversary of the conversion to Catholic

Christianity of Augustine of Hippo Augustine set his stamp on the Latin Church yet only in the twentieth century with its profound even paradigmatic change did the descendants of that church Anglican Reformed and Roman Catholic recognize the degree to which their inbred attitudes and theological positions were Augustinian It is however another measure of the importance of Augustine that many aspects of his life and meanings of his writings are still disputed This continuing investigation and debate is evidenced in this volume Early Christianity Wendy Elgersma Helleman, Musa A. B.

Gaiya, 2019-09-30 Designed as an undergraduate textbook and shaped by needs of both Muslim and Christian students across Africa this resource provides a thorough introduction to the history theology and teaching of early Christianity Professors Helleman and Gaiya follow Christianity from its inception in Jerusalem through to the decline of the Roman Empire in the Mediterranean and the development of Orthodox churches in the East and in Africa before the arrival of Islam The book provides an overview of critical historical events controversies teaching and important individuals and movements providing foundational understanding of early developments in Christianity and the general history of antiquity Students and lecturers will also appreciate the attention given to the role of North African leaders in early Christianity and the impact of major issues on the North African church such as Gnosticism Donatism and Arianism Additional Features Introduction to online tools resources Survey of the study of early Christianity Introduction to key historians Evaluation of recent literature early Christianity
