Paul as Missionary Trevor J. Burke, Brian S. Rosner, 2011-03-17 Paul as Missionary Identity Activity Theology and Practice takes the view that before anything else Paul must first and foremost be identified as a missionary Using the entire Pauline corpus the contributors to this volume assess what Paul's correspondence can tell us about how he perceived his role and identity The work comprises four parts in section one Paul's identity as priest eschatological herald and missionary pastor are explored while in part two topics such as the apostle's activity among pagans his suffering and Paul's missionary message to the church at Rome are considered Section three comprises essays on the Spirit as the governing dynamic the glory of God as the apostle's missionary goal and the importance of Paul's Christology in shaping his mission to the Gentiles Finally part four addresses Paul's missionary praxis including his support of his missionary enterprise

Paul and Judaism Revisited Preston M. Sprinkle, 2013-08-01 How far did Paul stray from the view of salvation handed down to him in

the Jewish tradition Following a hunch from E P Sanders s seminal book *Paul and Palestinian Judaism* Preston Sprinkle finds buried in the Old Testament s Deuteronomic and prophetic perspectives a key that starts to turn the rusted lock on Paul s critique of Judaism

The Price of Partnership in the Letter of Paul to the Philippians Mark A. Jennings,2018-01-25 Mark A Jennings challenges the consensus that there is no clear single purpose that shapes the entire epistle to the Philippians instead arguing that there is significant evidence for Paul to have written the letter with the sole intent of persuading the church to maintain its exclusive partnership with him and his gospel mission Jennings examines each section of Philippians with standard historical critical methods rhetorical criticism and social scientific methods Establishing that Paul s argument is rooted in three fundamental tenets emphasis is first placed on koinonia and the agreement that Paul and the Philippians had entered into regarding his apostolic mission Second Jennings looks at the repeated proofs that Paul offers that simultaneously affirm the ordained superiority of his apostolic mission and repudiate the claims of his rivals Third Jennings analyses the issue of finances in the epistle discussing how Paul rhetorically transforms the Philippians financial support into a salient indicator that they esteem his gospel mission authentic Finally whereas other scholars have argued that Paul entreats the Philippians to be steadfast in their commitment to the gospel of Christ Jennings proposes that Paul urges the church to be steadfast in their commitment to his gospel of Christ Jennings then considers how this seemingly small distinction has profound ramifications for understanding the letter and shows the gap between these interpretations

A Light to the Nations Stanley M. Burgess,Paul W. Lewis,2017-03-02 The essays in this volume which are written by friends colleagues and former students are dedicated to Gary B McGee as a memorial to his life work and service As a professor with a clear calling to teach he modeled this passion at the Open Bible College Des Moines Iowa Central Bible College Springfield Missouri and the Assemblies of God Theological Seminary Springfield Missouri He exuded the understanding that quality teaching superior scholarship a genuine Pentecostal spirituality and an irenic spirit can and should go together Within the title of this volume *A Light to the Nations* two aspects become clear First each person is called to be a light to the nations as Gary McGee modeled Second and foundational to the first is the reality that Jesus Christ is the ultimate light and our energies study discussions and life in general should rely on this fact As a reflection of Gary McGee s life and ministry these two aspects are focused through three lenses which are the three sections of this volume Ecumenism Missions and Pentecostalism The essays represent a diversity of subjects and denote various explorations by colleagues and friends of Gary B McGee

includes fresh perspectives on the most controverted texts Westfall interprets passages on women and men together and places those passages in the context of the Pauline corpus as a whole She offers viable alternatives for some notorious interpretive problems in certain Pauline passages reframing gender issues in a way that stimulates thinking promotes discussion and moves the conversation forward As Westfall explores the significance of Paul s teaching on both genders she seeks to support and equip males and females to serve in their area of gifting

'The Sufferings of Christ Are Abundant In Us' Kar Yong Lim,2009-08-11 Investigates the centrality of suffering to Paul s argument in 2 Corinthians The Righteous Judgment of God John Richard Coulson,2016-12-22 This book seeks to fill a gap on the important topic of God s judgment It is written for Christians who desire to have a biblical worldview that helps them to live faithfully for Jesus Christ It investigates what the apostle Paul has to say in his letters about God s judgment The worldview that emerges is one that must not be ignored of judgment as fundamental to our human life as Adam s descendants of God s judgment at work in the world today and of the final judgment as the certain future for every person At the center is the decisive judgment of our sin in Christ at the cross which is God s answer to our judgment problem For each of these four aspects of judgment key questions are considered with the central question being How do we live in the light of this truth Jesus' Blood and Righteousness Brian Vickers,2010-10-26 The question of whether Paul teaches that Christ s righteousness is imputed to the believer has been debated for roughly four hundred years Some of the questions that arise are What is the connection between Adam and the rest of the human race How did Christ fulfill the role of the second or new Adam How can the ungodly stand before a righteous God In Jesus Blood and Righteousness Brian Vickers investigates the key Pauline texts linked historically to the topic of imputation Though Vickers spends a good deal of time on the particulars of each text he keeps one eye on the broader biblical horizon like any doctrine imputation must be investigated exegetically and synthetically This book and its conclusion that the imputation of Christ s righteousness is a legitimate and necessary synthesis of Paul s teaching is a valuable contribution to the ongoing debate on imputation From Pentecost to Patmos, 2nd Edition Craig L. Blomberg,Darlene M. Seal,2021-07-01 Pairing depth of scholarship with contemporary application the authors of From Pentecost to Patmos have produced a unique introductory New Testament textbook Craig Blomberg and Darlene Seal provide the context and clarity that readers need to better understand Acts through Revelation showcasing the historical linguistic and theological implications found in each book This second edition includes expanded footnotes and a lengthier up to date introduction to Paul Newly added review questions maps and diagrams enhance the scholarship and make the resource truly user friendly An Exposition of Galatians, Third Edition Don Garlington,2007-04-15 The present commentary seeks to be a kind of halfway house between highly technical and popular treatments of Galatians Its purpose is to make the exposition as user friendly as possible with only as many technicalities as necessary to accomplish that end The emphasis of the work is decidedly theological with attention focused on the salvation historical argument of Paul s letter Its

main target audience includes pastors students and Pauline scholars The exposition assumes a modified form of the New Perspective on Paul and Second Temple Judaism as its framework of interpretation and for this reason a premium has been placed on the letter s historical context as attested by the literature of Second Temple Judaism as well as the Greco Roman environment However far from being inimical to the foundational concerns of the Reformation this reading of the Galatian letter is fully supportive of the great mottoes of the Reformers themselves *Sola Scriptura Sola Fide* and especially *Solus Christus* and all the more as the present work endeavors to honor an oft neglected slogan of the Reformation *Ad Fontes* to the sources The previous subtitle *A New Perspective Reformational Reading* has now been changed to *A Reading from the New Perspective* in order to underscore the author s appreciation of what has been learned from such scholars as J D G Dunn N T Wright and numerous others

A Commentary on Romans John D. Harvey, 2019-03-26 An exegetical and practical commentary for pastors and teachers This volume in the Kregel Exegetical Library combines up to date scholarship and concrete application to serve as an ideal guide for preaching and teaching the foundational New Testament book of Romans After an in depth introduction that surveys the book s key elements reception history literary devices and current scholarly debates John D Harvey provides a thorough explanation of every verse of Romans followed by theological insights and hands on takeaways Readers will benefit from Harvey s approach which asks and answers three questions about each verse 1 What did Paul say 2 Why did he say it 3 What should I do with it Outlines and summaries provide useful homiletical and pedagogical tools while footnotes point to resources for further study

The Self-Donation of God Jack D. Kilcrease, 2013-03-20 In *The Self Donation of God* Jack Kilcrease argues that the speech act of promise is always an act of self donation A person who unilaterally promises to another is bound to take a particular series of actions to fulfill that promise Being that creation is grounded in God s promising speech the divine human relationship is fundamentally one of divine self donation and human receptivity Sin disrupts this relationship and therefore redemption is constituted by a reassertion of divine promise of salvation in the face of the condemnation of the law Gen 3 15 As a new and effective word of grace the promise of a savior begins the process of redemption within which God speaks forth a new narrative of creation In this new narrative God gives himself in an even deeper manner to humanity By donating himself through a promise first to the protological humanity and then to Israel he binds himself to them At the end of this history of self binding God in Christ enters into the condemnation of the law neutralizes it in the cross and brings about a new creation through his omnipotent word of promise actualized in the resurrection

Paul and His Letters F. B. A. Asiedu, 2019-11-20 Paul the apostle and historian Flavius Josephus spent considerable parts of their careers away from Jerusalem They cultivated Roman audiences under very different circumstances Paul with his Letter to the Romans and Josephus with the writings he produced in Rome after the Jewish War Curiously Paul s last visit to Jerusalem coincided with Josephus s entry into public life a period about which Josephus is deliberately silent In *Paul and His Letters Thinking with Josephus* F B A Asiedu selects themes from

Josephus's life to explore Paul's letters and biography that contribute to his uniqueness in Jewish history. He highlights for example the need to read Romans 9:11 as aporetic discourse to appreciate Paul as an existential thinker. Asiedu considers among other things the authenticity of Paul's letters and offers an alternative to the prevailing scholarly consensus. He also maintains that the Pauline collection in the New Testament first took shape in the house of Gaius in Corinth where Paul composed his Letter to the Romans. Asiedu also suggests that the traditional view that Luke the physician wrote the Acts of the Apostles is probably a mistake. He argues that Titus the Greek the coworker and friend of Barnabas and Paul most likely authored it.

Desiring God John Piper, 2011. Experience the Lifelong Pleasures of Knowing God. Satisfaction. Happiness. Joy. According to John Piper the pursuit of pleasure in God is not only permissible it's essential. *Desiring God* is a paradigm shattering work that dramatically alters common perspectives on relating to God. Piper reveals that there really is no need to choose between duty and delight in the Christian life. In fact for the follower of Jesus delight is the duty as Christ is most magnified in His people when they are most satisfied in Him. Constantly drawing on Scripture to build his case Piper shows why pursuing maximum joy is essential to glorifying God. He discusses the implications of this for conversion, worship, love, Scripture, prayer, money, marriage, missions, and suffering. Piper beckons us to approach God with the hedonist's abandon. Finally we are freed to enjoy Jesus not only as our Lord and Savior but also as our all surpassing soul satisfying Treasure. *Desiring God* may turn your Christian world upside down. And that will be a good thing for the glory of God and for your deepest joy. Includes a study guide for individual and small group use.

An Anomalous Jew Michael F. Bird, 2016-11-11. Lively well informed portrait of the complex figure who was the apostle Paul. Though Paul is often lauded as the first great Christian theologian and a champion for Gentile inclusion in the church in his own time he was universally regarded as a strange and controversial person. In this book Pauline scholar Michael Bird explains why *An Anomalous Jew* presents the figure of Paul in all his complexity with his blend of common and controversial Jewish beliefs and a faith in Christ that brought him into conflict with the socio religious scene around him. Bird elucidates how the apostle Paul was variously perceived as a religious deviant by Jews, as a divisive figure by Jewish Christians, as a purveyor of dubious philosophy by Greeks, and as a dangerous troublemaker by the Romans. Readers of this book will better understand the truly anomalous shape of Paul's thinking and worldview.

Introducing Paul Michael F. Bird, 2014-06-18. Michael F. Bird suggests that if the Paul we claim to know looks and sounds a lot like us it's probably a sign that we don't know him as well as we think. In this book Bird offers an animated and penetrating survey of Paul's life and teaching including the principal issues and themes in Paul's theology.
