Paul Meets Muhammad A Christian Muslim Debate On The Resurrection:

Paul Meets Muhammad Michael R. Licona, 2006-02-01 Imagine if the Apostle Paul were alive to defend the truth of Jesus's resurrection only to be countered by none other than the prophet Muhammad himself In an approach as creative as any scholar has taken Michael R Licona describes an invention that can make historical figures appear alive and present Imagining an audience of both Christians and Muslims Licona crafts a lively debate between Paul and Muhammad each speaking on and analyzing the validity of the Qur'an the gospel accounts and both Christian and Muslim doctrine Intriguing and entertaining *Paul Meets Muhammad* uniquely offers evangelism advice for Christians who want to speak the gospel to Muslim friends and neighbors This fictional scenario presents a powerful comprehensive defense of Jesus's resurrection and of Christianity itself

A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort *A Thematic Access Oriented Bibliography of Jesus's Resurrection* addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

Evidence for the Resurrection Josh McDowell, Sean McDowell, 2010-12-09 When Jesus died on the cross it seemed that all had been lost Death had won But after three days in a rich man's tomb Jesus appeared alive The news was so shocking that his followers refused to believe it until they saw him with their own eyes and touched his wounds with their own hands Then Jesus made an amazing claim In the future they too would have resurrected bodies like his bodies that would never deteriorate age or perish They would have new life without death or pain in the presence of a loving God forever But can we really believe His promise For that matter can we really believe that the promise was made by a man who rose from the dead In this fascinating look at the claims of the Gospel writers and 2 000 years of believing Christians bestselling author Josh McDowell and his son Sean examine the compelling evidence and conclude that Jesus Christ conquered death and the grave In clear concise and accessible chapters Josh and Sean present the facts about the resurrection and what it means for readers today

Was Jesus a Muslim? Robert F. Shedinger, An intriguing question Do

Muslims understand Jesus in some ways more historically appropriate than Christians do leads Robert F Shedinger into a series of provocative challenges to the disciplines of religious studies and comparative religions Questioning the convenient distinction between politics and religion and the isolation of religion from wider social and cultural questions Shedinger offers a proposal for a more accurate and respectful understanding of faith that he argues will improve possibilities for mutual understanding among Christians Muslims and others Getting at Jesus Peter S. Williams, 2019-01-29 Portraying themselves as challenging blind religious dogma with evidence led skepticism the neo atheist movement claims that the New Testament contains unreliable tales about a mythical figure who far from being the resurrected Lord of life may not even have lived This comprehensive critique documents the falsehood of these neo atheist claims correcting their historical and philosophical mistakes to show how we can get at the truth about the historical Jesus **Understanding Jesus** Peter S Williams, 2014-08-08 Examines the Gospel accounts of Jesus life the claims of Jesus life and ministry Peter S Williams brings a philosopher s Jesus and argues that understanding the spirituality of Jesus is the path to our own spiritual enlightenment Williams takes issue with new atheist discussions of faith and historical Jesus studies before guiding Christian understanding of Jesus The Resurrection Fact John J. Bombaro, Adam Francisco, 2016-10-31 In the first century the resurrection fact faced both Jewish and Greek audiences with a challenge the challenge of a new reality Christ the risen Lord Since facts are by definition something that happened and this happening was witnessed proclaimed and recorded the fact stands for all generations In answering critics a defense of the resurrection consists not only of a response by way of negation e g Christianity is not this but also through positive affirmations this is Christianity In this book the reader will find both However it is our hope that the final word retained would be the one that stands for something rather than against something Together our words stand for something positive not negative namely the good news that the one true God has now taken charge of the world in and through Jesus and His death and resurrection **The Resurrection of Jesus** Michael R Licona, 2020-05-21 The question of the historicity of Jesus resurrection has been repeatedly probed investigated and debated And the results have varied widely Perhaps some now regard this issue as the burned over district of New Testament scholarship Could there be any new and promising approach to this problem Yes answers Michael Licona And he convincingly points us to a significant deficiency in approaching this question our historiographical orientation and practice So he opens this study with an extensive consideration of historiography and the particular problem of investigating claims of miracles This alone is a valuable contribution But then Licona carefully applies his principles and methods to the question of Jesus resurrection In addition to determining and working from the most reliable sources and bedrock historical evidence Licona critically weighs other prominent hypotheses His own argument is a challenging and closely argued case for the historicity of the resurrection of Jesus the Christ Any future approaches to dealing with this prize puzzle of New Testament study will need to be routed through The Resurrection of Jesus **Did the Resurrection Happen . . . Really?** Josh

McDowell, Dave Sterrett, 2010-12-17 With over 40 million books sold bestselling author Josh McDowell is no stranger to creatively presenting biblical truth Now partnering with fellow apologist Dave Sterrett Josh introduces a new series targeted at the intersection of story and truth The Coffee House Chronicles are short easily devoured novellas aimed at answering prevalent spiritual questions Each book in the series tackles a long contested question of the faith and then answer these questions with truth through relationships and dialogue in each story In Did the Resurrection Happen Really A Dialogue on Life Death and Hope the college campus is rocked by a shooting spree that leaves nine students dead Their up close experience with mortality allies the coffee house discussion group together to really wrestle with the spiritual and eternal ramifications of whether or not Jesus rose from the dead The other two books in the series Is the Bible True Really and Who is Jesus Really continue the unfolding story at the college campus and the coffee house down the road **In Defense of**
