Many of the old methods of evangelism no longer work effectively today. We need new methods to communicate the timeless message of the gospel in culturally relevant ways. In a post-Christian, post-church, post-reached world, most Christians have been poorly equipped to tell their friends about Jesus. Dr. Chan combines the theological and biblical insights of classic evangelistic training with his own and hard-won insights from missiology on contextualization, cultural hermeneutics, and storytelling. Every chapter is illustrated with real-world examples drawn from over fifteen years of evangelistic ministry across the globe. These are methods that really work with university students, urban workers, and professionals getting past the defensive posture that people have toward Christianity so they can seriously

consider the claims of Jesus Christ Field tested and filled with unique fresh and creative insights this book will equip you to share the gospel in today s world and help as many people as possible hear the good news about Jesus     **Herald and
