How to Become an American Daniel Wolff, 2022-12-13 An odyssey from pre Civil War Charleston to post World War II Minneapolis through Jewish immigrants eyes The histories of US immigrants do not always begin and end in Ellis Island and northeastern cities Many arrived earlier and some migrated south and west fanning out into their vast new country They sought a renewed life fresh prospects and a safe harbor despite a nation that was not always welcoming and not always tolerant *How to Become an American* begins with an abandoned diary and from there author Daniel Wolff examines the sweeping history of immigration into the United States through the experiences of one unnamed seemingly unremarkable Jewish family and in the process makes their lives remarkable It is a deeply human odyssey that journeys from pre Civil War Charleston South Carolina to post World War II Minneapolis Minnesota In some ways the family s journey parallels that of the nation as it struggled to define itself through the Industrial Age A persistent strain of loneliness permeates this story and Wolff holds up this theme for contemplation In a country that prides itself on being a nation of immigrants where all men are created equal why do we end up feeling alone in the land we love *Total Defense* Andrew Preston, 2025 In the 1930s amid rising fascism FDR and the New Dealers invented the doctrine of national security which obligated the state to guard against not just territorial invasion but also remote threats to the American way of life *Total Defense* explores how the new idea of national security transformed the United States and its place in the world [The Politics of Revolution & Counterrevolution](#) Serge Joel Ferrari, 2012 This thesis will explore a particular aspect of the life and ideas of Leon Trotsky one of the most important historical figures involved in the history of class struggle As a Marxist revolutionary for forty two years Trotsky s political work embodies all of the crucial strategic experiences and lessons of the working class in the twentieth century Specifically this thesis will explore the penetration of undercover state police agents into the Trotskyist movement both before and after Trotsky s assassination in Coyoacan Mexico From an historical standpoint this thesis depicts how Trotsky s assassination was the culmination of a Stalinist war against Marxism Moreover it shows that the continued penetration of the Trotskyist movement after Trotsky s assassination by Stalin s secret police Hereinafter GPU as well as by the American Federal Bureau of Investigation Hereinafter FBI represented a war against the most threatening expression of working class politics These are not simply important historical questions given that all of the fundamental class antagonisms existing then still remain As social unrest engendered by the staggering degree of social inequality continues to erupt governments around the world respond with systematic political repression **The GPU in the Trotskyist Movement** Georges Vereeken, 1976

Trotskyism in the United States Paul Le Blanc, Alan Wald, George Breitman, 2016-12-01 In the new edition of this definitive work on the history of the revolutionary socialist current in the United States that came to be identified as American Trotskyism Paul Le Blanc offers fresh reflections on this history for scholars and activists in the twenty first century Includes a preface written especially for the new edition of this distinctive work Paul Le Blanc is a professor of
