**The Book of Revelation: a New Beginning** Terry L Newbegin, 2011-03-23 The Book of Revelation A New Beginning contains the hidden secrets of Saint Johns Revelation and as you know it is one of the most debated and most difficult books of all the scriptures to read and understand because of the extreme symbolism tied to it Man has always assumed the word of Gods prophets and their stories were indisputable just because of their eminence in interpreted them as being true Man has forgotten the history of himself Earth God the origin of the universe and how the scriptures have been documented interpreted and strictly passed down by our ancestors and religious leaders As symbolic as Revelation is it has nothing to do with the end days or even about a solitary Anti Christ as we understand it nor is it about Jesus coming to save you In truth Saint Johns Revelation is your own guide showing you that you no longer need to look at yourself as a sinner because you have bared your cross like Jesus and now the time has come for you to ascend to a higher state of Mind The book of Revelation A New Beginning is a book that will help open the gates of your soul memories so you can become aware of your own divineness and that you are a God too My fellow Gods what is coming to an end is the old ways of perceiving and understanding God It is not that God is a mystery It is you that is the mystery and when fear is resolved within you are then ready to open up to the hidden secrets behind the Book of Revelation that religions have kept as a secret for thousands of years either on purpose or because of ignorance

**The Man Who Couldn't Die** Ron Haggin, 2022-11-10 Because of a genetic mutation Joshua is able to live an extraordinarily long life He wanders through time and civilizations ending up in a bar in Portland Oregon where he encounters clinical psychologist Robert Call Robert observes a severely depressed and taciturn man but his professional instincts and empathetic nature draw him to the mysterious patron and after several attempts he finally succeeds in sustaining a reluctant conversation The interlocutor drops several hints of his longevity suggesting that he is as old as an ancient coin drawn from his pocket and spun lazily on the bar Intrigued Robert convinces Joshua to visit his office where the wanderer narrates an amazing story that closely parallels the ministry and passion of Christ But during his long life Joshua has created a separate persona one that has evolved as antisocial aggressive and misogynistic Robert becomes acquainted with both personalities setting up a moral dilemma Should he alert law enforcement to the dangers of the aggressive one or seek the truth of the story told by the docile Joshua
