Pastoral Properties Of Australia:

The Pastoral Properties of Australia Peter Taylor,1984-01 Portrait of Chief Timour buried on Nareeb Nareeb various scattered references to Aborigines working on stations Real Property in Australia Michael J. Hefferan,2020-08-17 Real property in the form of investment ownership and use pervades almost every aspect of daily lives and represents over 40% of Australia s wealth Such assets do not exist in isolation they are dynamic and forever evolving impacted by a range of physical economic demographic legal and other forces Consequently a true appreciation of individual assets and of the property sector as a whole demands an understanding of both the assets themselves and the context and markets in which they exist The sector is complex and on the face of it confusing It is however not without logic and underlying themes and principles This book provides a wider understanding of how the real property sector works It covers topics such as the nature of real property and its functions economic drivers valuation principles legal and tenure parameters property taxation land development and subdivision asset and property management and sustainability all critical components in this complex and critically important sector It provides a wide and balanced perspective for experienced practitioners investors students and anyone involved in property decision making or wishing to secure a deeper understanding of these areas The book integrates research based theory with practical application and first hand insights into a sector that underpins the Australian economy its communities and its sustainability *Builders and Pioneers of Australia* Arthur Wilberforce Jose,1928 Aboriginal and Torres Strait Islander peoples are advised that this resource may contain images transcripts or names of Aboriginal and Torres Strait Islander peoples now deceased It may also contain historically and culturally sensitive words terms and descriptions **On the Ecology of Australia's Arid Zone** Hans Lambers,2018-08-21 This book will appeal to an international audience as well as be irresistible to local readers Anyone working or with an interest in Australia s arid zone should need ready access to this book There is no equivalent publication out there at the moment and this book has many authoritative chapters richly illustrated with colourful material The challenge of this book was to assemble current knowledge on particular topics and concepts and principles relating to them It is also forward looking by identifying where there are gaps or inadequacies in knowledge and where future research needs to be directed Lead authors were encouraged to take such an approach they had the opportunity to involve any author they considered appropriate The final product shouldbe a fabulous resource also for university courses especially at MSc level **Report of the Trial of the Directors and the Manager of the City of Glasgow Bank** Charles Tennant Couper,2020-09-04 This book first published in 1879 and reissued by Garland in 1984 analyses through the evidence from the original trial the collapse of the City of Glasgow Bank in 1878 and the reasons behind it A history of gross mismanagement had been concealed by the directors by deceits facilitated by the absence of an independent audit *Sustainable Land Sector Development in Northern Australia* Jeremy Russell-Smith,Glenn James,Howard Pedersen,Kamaljit K. Sangha,2018-09-03 Key Features Provides clear and authoritative

recommendations for managing fire in ecological and social contexts Authors are all international leaders in their fields and include not only academics but also leaders of Indigenous communities Explains Indigenous cultural and knowledge systems to a degree that has rarely been accessible to lay and academic readers outside specialized disciplines like Anthropology Responds to growing need for new approaches to managing human ecological systems that are in greater sympathy with Australia's natural environments climate and value the knowledge of Indigenous people Timely for scholarly and interest groups intervention as the Australian government is again looking to develop the north Sustainable Land Sector Development in Northern Australia sets out a vision for developing North Australia based on a culturally appropriate and ecologically sustainable land sector economy This vision supports both Indigenous cultural responsibilities and aspirations as well as enhancing enterprise opportunities for society as a whole In the past well meaning if often misguided policy agendas have failed and continue to fail North Australians This book helps breach that gap by acknowledging and harnessing Indigenous cultural strengths and knowledge systems for looking after the country and its people as part of a smart novel and diversified ecosystem services economy **Australia's Livestock and Meat Industry** Quevedo Martin Morgan,1971 The

Cyclopedia of Victoria (illustrated) James Smith,1904 **Routledge Handbook of Cultural Landscape Practice** Steve Brown,Cari Goetcheus,2023-02-14 Cultural landscapes which in the field of heritage studies and practice relates to caring for and safeguarding heritage landscapes is a concept embedded in contemporary conservation Heritage conservation has shifted from an historical focus on buildings city centres and archaeological sites to encompass progressively more diverse forms of heritage and increasingly larger geographic areas embracing both rural and urban landscapes While the origin of the idea of cultural landscapes can be traced to the late 19th century Euro American scholarship it came to global attention after 1992 following its adoption as a category of site by the UNESCO World Heritage Committee Today cultural landscape practice has become increasingly complex given the expansion of the values and meanings of heritage the influence of environmental challenges such as human induced climate change technological advancements and the need to better understand and interpret human connections to place and landscapes The aim of this handbook is to strike a balance between theory and practice which we see as inseparable while also seeking to achieve a geographical spread disciplinary diversity and perspectives and a mix of authors from academic practitioner management and community backgrounds
