pattern is especially pronounced in evangelical Asian American and Latinx congregations where women's voices are marginalized and male dominance is reinforced in the church as well as the family. The consequences are enormous: robbing the church of the fullness of the gospel, silencing the voices of women preachers, masculinizing Christianity, losing younger generations of women leaders, modeling structural power inequality, increasing violence against women. Making academic hermeneutical work accessible for the pulpit. A Biblical Study Guide for an Equal Pulpit reappropriates a gendered approach to biblical texts. Among the perspectives investigated: Kay Higuera Smith's *Two Mothers Two Promises* takes a perspective shifting look at Sarah and Hagar; Eunni P. Lee's *Valorous and Wise Women Who Build Up the House of God* depicts Ruth and the woman of Proverbs 31 as builders of the household; and Sophia Magallanes Tsang's *Listening for Your Voice: Let Me Hear It*. The Prophetic Feminine Voice in Songs 8 interprets the Song of Songs as a prophetic female voice.

**Church History Study Guide, Pt. 2** Randal S. Chase, 2012-03-01. *Church History Study Guide Pt. 2: 1831 to 1844*. This volume is the second of three on Church History and the Doctrine and Covenants. It covers Church history during the Kirtland and Missouri periods, including a series of breathtaking revelations on temples, the Plan of Salvation, the three kingdoms of glory, the Second Coming, principles of priesthood power, the Word of Wisdom, and the Law of the Church. We also learn about fasting, tithing, missionary work, and enduring to the end. We go with the Prophet Joseph Smith and Saints through the crucible of trials in Missouri and Liberty Jail. Then we follow them on to Nauvoo, where the Kingdom rose again on the Mississippi River, work for the dead was introduced, and the law of celestial marriage was revealed. Again, persecution raised its ugly head, ending in the martyrdom of Joseph and Hyrum Smith at Carthage. In all, it covers 11 years of Church History and covers sections 100-135 of the Doctrine and Covenants. The cover features Brother Joseph, a beautiful portrait of

R Millard,D. J. Wiseman,2008-05-07 Today there is renewed interest in the history and traditions of the patriarchal period Recent publications have sought among other things to show that the biblical patriarchs were a literary even fictional creation of the first millennium BC produced to provide the nation of Israel which came into prominence only then with founding fathers Much of this new writing is helpful in distinguishing what are traditional or speculative interpretations from the basic texts of Genesis Sometimes archaeological evidence has been adducted in support of the historicity of the patriarchs and their cultural background in the second millennium BC which can no longer be sustained Sometimes however the value of such evidence is ignored or belittled from the preface      *The Elephant in the Room* Sadrail Saint-Ulysse PhD MDiv,2022-04-12 I write this book to do something that most would consider unwise as a current employee of the Seventh day Adventist Church I call or appeal for systematic change change in policies that have kept the financial support from tithe and other sources to Adventist elementary and other sources to Adventist schools at minimal Please don t think of me as a brave one who dares to go where many have not gone before I am not I speak out because we need policy changes at every level Fairness is not giving everyone the same thing but to give each person what he or she needs to succeed Many businesses are rethinking how to move forward post the pandemic We too as a church need to do the same In the Old Testament God instructed his people to pass on their faith to their children by intentionally teaching them God s statutes and commandments Deuteronomy 6 4 8 and Isaiah 54 13 Similarly the Christian Church receives its marching orders from Jesus in the Great Commission found in Matthew 28 16 20 Jesus directs the church to make disciples of all nations by baptizing and teaching Church schools are needed to partner with parents and the church as a whole to educate children Ellen G White cofounder of the Seventh day Adventist Church who earlier encouraged the Seventh day Church to focus on foreign missions stated in addressing church schools in the book Testimonies for the Church volume 6 that the children are not to be neglected She writes We cannot call ourselves true

missionaries if we neglect those at our very doors who are at the most critical age and who need our aid to secure knowledge and experience that will fit them for the service of God Her solution to financing church schools is simple Let all share the expense Enrollment in Christian elementary and secondary schools have been dropping nationwide Many families in North America especially new immigrant families are not able to afford the tuition to send their children to church schools Several church schools have closed In this book Dr Sadrail Saint Ulysse an ordained minister and educator of the Seventh day Adventist Church addresses the challenges of operating Christian schools at the elementary and secondary levels after serving for nearly twenty five years as a pastor and educator with the hope that the burden of operating church schools can be shared by the entire church local state national and worldwide to alleviate this burden The book challenges parents teachers principals school boards church members and church leaders at every level to make the needed policy changes to ensure that church schools are financed in a sustainable manner
