Paul's Understanding of the Church's Mission Robert L. Plummer, 2006-06-01 Did Paul expect his churches to engage in evangelistic activity which mirrored his own Or have modern readers of the Bible wrongly projected Paul's apostolic passion upon the communities that he founded Such is the charge of several recent authors and if their thesis is correct nothing could have larger implications for how the modern church engages in mission In this book Robert L Plummer engages in a careful study of Paul's letters to determine if the apostle expected the communities to which he wrote to engage in outward directed missionary activity Plummer helpfully summarizes the discussion to date on the debated issue judiciously handles contested texts and provides a way forward in addressing this critical question While admitting that Paul rarely explicitly commands the communities he founded to evangelize Plummer amasses significant incidental data to provide a convincing case that Paul did indeed expect his churches to engage in outward directed missionary activity Throughout the study Plummer progressively builds a theological basis for the church's mission that is both compelling and distinctively Pauline

The Cities and Bishoprics of Phrygia: pt. I. The Lycos Valley and south-western Phrygia

Sir William Mitchell Ramsay, 1897

Savage Breast Tim Ward, 2006-04-13 THE DA VINCI CODE tapped a deep fascination for the sacred feminine hidden at the heart of Christianity Best selling author Tim Ward digs deeper into this mystery propelling the reader into the pre Christian Goddess religions of the Mediterranean Ward confronts tough questions Are men threatened by the innate power of the feminine Why do men abuse rape and dominate women Shouldnt loving relationships

with the opposite sex be natural and easy Did we all lose an essential part of ourselves when we turned our back on the feminine divine How would opening to the feminine face of God help men resolve their issues with women What would it take for men to really let go of patriarchy and genuinely accept women as equals To answer these questions Ward decided to seek out the Goddess with his own demons in tow Over a period of three years he travelled to the ruined temples and shrines of the Goddess in the cradles of Western Civilization At each he encountered one aspect of the many faces of the Goddess He vividly recreates the experience of ancient believers the Eleusinian Mysteries of Demeter the sexual rites of the priestesses of Aphrodite and a human sacrifice on a mountaintop shrine in Crete And in Turkey he sits at the feet of the many breasted Artemis of Ephesus whose rioting followers once threatened to kill the Apostle Paul Facing the Goddess unleashes turbulent emotions for Ward With frank honesty he describes the traumas that erupt in his relationship with the woman he loves who accompanied him on many of his journeys
