Maloney,Ivoni Richter Reimer,2022-11-27 2023 Catholic Media Association Third Place Award Scripture Academic Studies The Acts of the Apostles the earliest work of its kind to have survived from Christian antiquity is not history in the modern sense nor is it about what we call the church Written at least half a century after the time it describes it is a portrait of the Movement of Jesus followers

as it developed between 30 and 70 CE More important it is a depiction of the Movement of what Jesus wanted the inbreaking of the reign of God In this commentary Linda Maloney Ivoni Richter Reimer and a host of other contributing voices look at what the text does and does not say about the roles of the original members of the Movement in bringing it toward fruition with a special focus on those marginalized by society many of them women The author of Acts wrote for followers of Jesus in the second century and beyond contending against those who wanted to break from the community of Israel and offering hope against hope like Israel s prophets before him Catalog of Copyright Entries, Third Series ,1963 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc **Christian Stewardship in Light of Paul's Collection for the Poor** Murray J.

Harris,2024-12-23 Permanently in debt but never bankrupt No this is not the motto of a creative investor but it is a picturesque description of every Christian Christians are all permanently indebted to the Creator and Redeemer because he has showered them with his gifts of physical and spiritual life yet they are never insolvent because as stewards of God s gifts of talents time and possessions they always have at their disposal ways of partially repaying their debt The apostle Paul affords Christians a spectacular example in using his God given skills of leadership and motivational discourse to initiate and complete a relief project for needy fellow believers in the church of Jerusalem Nowhere else in his thirteen extant letters does he spend 39 consecutive verses speaking about one and the same topic as he does in chapters 8 and 9 of 2 Corinthians where he encourages his friends in Corinth to complete their collection for this admirable project In the course of his encouragement he highlights many commendable ways for Christian stewards to give to God and to others such as generously enthusiastically voluntarily creatively regularly and unobtrusively **The Royal Family Bible ...** ,1862

Paul's Letter to the Philippians in the Light of Disunity in the Church Davorin Peterlin,2014-04-09 This volume discusses the development of disunity in the Philippian church as the occasion for Paul s response in his letter The first part of the book examines references and allusions to strife among the Philippians and tension between them and Paul It demonstrates the pervasiveness of the theme of disunity in most sections of the letter The second part correlates these findings with sections of the letter dealing with the Philippians financial support for Paul It treats such topics as Paul s attitude to money and the sociological composition of the church The book s aim is to draw attention to social and non theological aspects of the Philippian situation and make a contribution to a more theological study of Philippians
