Book Letters Poseidon Cees Nootboom:

Letters to Poseidon Cees Nootboom, 2016-01-05 It is said that during his abortive campaign to invade Britannia the infamous Roman emperor Caligula ordered his legions into the surf to attack Poseidon and claim seashells as trophies of war Cees Nootboom is considerably more thoughtful in his relationship with the god of the sea As autumn falls each year Nootboom writes Poseidon a letter requesting permission to return to his home in Minorca the following spring Of course it would be the height of discourtesy if Nootboom's letters were no more than a series of demands So Cees takes the opportunity to seek the wisdom of the trident wielding deity and to offer the god updates about his own life and thoughts At once playful and poignant beautiful and at times slightly bizarre this masterful exploration of humankind's relationship with the sea uses the minutiae of everyday life to illuminate the broadest questions of human existence all couched in the lapidary prose of one of Europe's outstanding stylists
