

Hazel takes out a piece of paper, walks up to the dais. Takes a beat to ready herself.

103.

HAZEL

"Augustus Waters was the great star-crossed love of my life. Ours was an epic love story, and I won't be able to get more than a sentence into it without disappearing into a puddle of tears.

(beat)

Like all real love stories - ours will die with us, as it should. I'd hoped that he'd be eulogizing me, because there's no one I'd rather have...."

And that's all she can get out before falling apart. She lets it out for a couple beats and then pulls herself together.

HAZEL

(beat, composing herself)

"I can't talk about our love story so instead I will talk about math. I am not a mathematician, but I know this: there are infinite numbers between 0 and 1. There's .1 And .12 And .112 And an infinite collection of others. Of course, there is a bigger infinite set of numbers between 0 and 2, or between 0 and a million. Some infinities are bigger than other infinities. A writer we used to like taught us that. I want more numbers than I'm likely to get, and God, I want more numbers for Augustus Waters than he got. But, Gus, my love, I cannot tell you how thankful I am for our little infinity. You gave me a forever within the numbered days, and for that I am eternally grateful. I love you."

Gus smiles, nods, and closes his eyes. CUT TO:

BLACK.

Over which we hear a RINGING TELEPHONE.

INT HAZEL'S BEDROOM - NIGHT

Hazel turns on the LIGHT by her bed. Her HOUSE PHONE is ringing and it's 4am.

She knows instantly.

Tragedy in the Age of Oprah Louis Fantasia, 2013 In an era of Twitter and televised therapy it may seem that classic theatre has little place in contemporary society Accustomed to the indulgences of a celebrity driven culture how can modern audiences understand and interpret classic works of drama In *Tragedy in the Age of Oprah* Essays on Five Great Plays Louis Fantasia provides a provocative examination of the relationship between popular culture and classical tragedy Making a persuasive argument for the lessons tragedy has to offer today's audiences Fantasia examines five enduring works of theatre Euripides *Medea* William Shakespeare's *King Lear* Jean Racine's *Ph dre* Friedrich Schiller's *Mary Stuart* and Eugene O'Neill

s Long Day s Journey into Night Fantasia discusses in detail each of these plays framing them in a contemporary context that explores the suffering responsibility and identity that tragedy advocates Each play is presented as an engaging powerful encounter for the reader recreating as closely as possible the impact of a great performance A unique look at the role classical theatre can and should play in contemporary society these essays reveal the lessons great plays have to teach us about ourselves Directed toward theatre professionals and students Tragedy in the Age of Oprah will also resonate with anyone interested in theatre literature and cultural studies **A Stab in the Heartland** David Clifford Grieser,2024-05-24 Taking place across the Midwest s heartland of America this collection of short stories offers nuance to the darker aspects of human relationships Told primarily from the intoxicating beginnings of lust before progressing toward love the stories fluidly transform into stark realities rather than romantic ideals Each story provides an intimate look at how commitment and affection can turn into disloyalty or even hatred With subtle mystery and humor sprinkled throughout readers will be fascinated and shocked at where these winding plots lead both physically and psychologically Though at times jarring the stories ultimately highlight the complexity of bonds between people in both their beauty and brutality John Green Christine Poolos,2014-12-15 Fans of Green s novels get an insider s look at the path he took to becoming a best selling author and Internet sensation This captivating resource follows Green from his youth and introduces readers to the teachers and school that served as inspiration for one of his best loved novels The book then takes readers through Green s college years and the job at a children s hospital that changed his career path and even his outlook on life For Internet fans Green s passion for being a nerdfighter is also well documented in this rich account of a beloved writer s life and inspirations The Aesthetics of Failure Zander Brietzke,2001-03-15 Critic Clive Barnes once called Eugene O Neill the world s worst great playwright and Brooks Atkinson called him a tragic dramatist with a great knack for old fashioned melodrama These descriptions of the man can also be used to describe his work Despite the fact that O Neill is the only American playwright to win the Nobel Prize for Literature and his last works are some of America s finest most of his published works are not good This work closely examines how O Neill s failures as a playwright are inspiring and how his disappointments are reflections of his own theory that tragedy requires failure a theory that is evident in his work Conflicts in O Neill s plays are studied at the structural level with attention paid to genre language or dialogue characters space and time elements and action Included is information about O Neill s life and a chronological listing of all of his 50 plays with basic details such as production history principal characters dramatic action and a brief commentary *Building Embodiment* Baron Kelly,Karen Kopryanski,2023-06-09 Building Embodiment Integrating Acting Voice and Movement to Illuminate Poetic Text offers a collection of strategic and practical approaches to understanding analyzing and embodying a range of heightened text styles including Greek tragedy Shakespeare and Restoration comedy of manners These essays offer insights from celebrated teachers across the disciplines of acting voice and movement and are designed to help actors and instructors find deeper

vocal and physical connections to poetic text Although each dramatic genre offers a unique set of challenges Building Embodiment highlights instances where techniques can be integrated revealing how the synthesis of body brain and word results in a fuller sense of character experiencing for both the actor and the audience This book bridges the gap between academic and professional application and invites the student and professional actor into a richer experience of character and story
