Would the love of his life give him a chance? Would he choose to live again or be doomed to play Roulette with Hades forever? Storytime In Heaven G. Froese, 2019-01-10

There is a place outside of time; there is a dimension beyond the realm of space. In this narrative, we embark on an imaginary journey to this place called heaven. Many have pondered: What is it like? Many have heard of its existence and desired to eventually take up residence in this celestial city. During our adventure called Story Time in Heaven, we will see amazing places that fill us with wonder. We will meet some of heaven's citizens and hear incredible family stories and their accounts of dreams, choices, and covenants of love. We will begin to see magnificent, glorious sights that can only be seen through faith, and we will learn eternal truths. All of this can only be accomplished in the spirit of our imagination. We will observe our family story and the story of mankind from heaven's perspective. When viewed in the light of eternity, we find even greater meaning in our lives here on earth.
