More Than Just Sex Because Getting Enough Just Isn't Enough:

Tony Evans' Book of Illustrations Tony Evans, 2009-01-01 Picture this it's Saturday afternoon and you're putting the finishing touches on tomorrow's sermon. You've been thinking, researching, and praying about this message all week and thankfully feel prepared. That is, except for one small detail: you aren't sure how to begin. For more than 30 years, Tony Evans has been connecting with audiences around the world. Now his tools are available for you. Don't leave your listeners to connect the dots. Let Tony Evans' *Book of Illustrations* help you illustrate your point in a way they can't forget. *Jet*, 2004-10-25 The weekly source of African American political and entertainment news. *I Hear Some People Just Have Sex* Sandra L. Vasher, 2020-11-23 Eight and a Half Years Sixteen Infertility Cycles Four Timed Intercourse Cycles Two IUI Cycles Two Egg Retrievals Seven Frozen Embryo Transfers Thousands of Dollars Two Miscarriages Three Pregnancies Live Births That's my infertility story. Almost a decade of trying, almost 65,000 spent on infertility treatments. So many IVF cycles that I can give myself progesterone shots in the rear. So many transvaginal pelvic ultrasounds that a pap smear no longer impresses me. Changed relationships, changed career goals. A whole list of things no one should ever say to someone going through infertility. And almost a baby. Almost. Because even though I am scheduled for a C-section next week as I publish this book, I still do not have any guarantees. Infertility is a hell of a life crisis. But also, if you can learn how to navigate these choppy waters, if you can learn how to let go of what you can't control, how to cope with the hard parts you never saw coming, how to play the world's longest waiting game, you will build resilience and grit you didn't think you were capable of. This is not a how-to-have-a-baby book. It's not a how-to-survive-until-you-have-a-baby book. It's a how-to-survive-and-maybe-even-thrive-while-trying-to-have-a-baby book. That's what I know how to survive infertility and make the best of it while you're praying for the miracle of a baby. And I know how to survive this because I've done it for nearly a decade. Some people just have sex to get pregnant. Not me. Maybe not you either. We have infertility battles to fight, and this gets worse before it gets better. But I was made strong enough for this, and so were you. Let me show you how I know. **This Is Not a Book About Benedict**

Cumberbatch Tabitha Carvan, 2022-05-31 Why We Can't Sleep meets *Furiously Happy* in this hilarious, heartfelt memoir about one woman's midlife obsession with Benedict Cumberbatch and the liberating power of reclaiming our passions as we age. Whatever they may be, Tabitha Carvan was a new mother at home with two young children when she fell for the actor Benedict Cumberbatch. You know the guy: strange name, alien face, made *Sherlock* so sexy that it became one of the most streamed shows in the world. The force of her fixation took everyone, especially Carvan herself, by surprise. But what she slowly realized was that her preoccupation was not about Benedict Cumberbatch at all, as dashing as he might be. It was about finally feeling passionate about something, anything, again, at a point in her life when she had lost touch with her own identity and sense of self. In *This Is Not a Book About Benedict Cumberbatch*, Carvan explores what happens to women's desires after we leave adolescence and why the space in our lives for pure, unadulterated joy is squeezed ever smaller as we

age She shines a light onto the hidden corners of fandom from the passion of the online communities to the profound real world connections forged between Cumberbatch devotees But more importantly she asks what happens if we simply decide to follow our interests like we used to unabashedly audaciously shamelessly After all Carvan realizes there s true untapped power in finding your thing even if that thing happens to be a British born Marvel superhero and loving it like your life depends on it *Field & Stream* ,2004-11 FIELD STREAM America s largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations **Field & Stream** ,2004-06 FIELD STREAM America s largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations **Field & Stream** ,1998-11 FIELD STREAM America s largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations *Jet* ,2004-03-22 The weekly source of African American political and entertainment news **Popular Science** ,2001-06 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better
