Mormon Mafia The True Story Of A Mormon Missionary Drug Runner:

For the Cause of Righteousness Russell Stevenson, 2014-12-17 2015 Best Book Award Mormon History Association This book broaches one of the most sensitive topics in the history of Mormonism the story of the LDS community's turbulent relationship with the black population For the Cause of Righteousness A Global History of Blacks and Mormonism 1830-2013 promises to tell a story of how an American religious community could wander through the rocky landscape of American racial politics all while hoping to hold onto its institutional integrity in the face of attacks from both within and without Drawing on a rich array of archival documents and oral testimonies For the Cause of Righteousness suggests that understanding race and Mormonism requires far more than watching the movements of well-dressed men on North Temple it calls for understanding the dynamics of global Mormon communities ranging from Mowbray to Accra from Berkeley to Rio Di Janeiro But as any historian will say primary sources matter Thus For the Cause of Righteousness offers up not only a narrative history of the global black Mormon community but also an anthology of primary source transcripts letters newspaper articles and speech transcripts all in hopes that readers might take one more step toward understanding a story that simultaneously inspires troubles and urges Latter-day Saints into understanding a provincial religion that has reached global proportions **The Video Source Book**, 1992 *Mafia to Mormon: My Conversion Story* Mario

Facione, 2023-02-02 I learned early that if you don't want to go to school for a career then this was the life And there were rules You better not drink you better not be a big shot and you better always stay low and keep your mouth shut If you're going to play the game you've got to play smart Thus began Mario Facione's slow descent into the Mafia world With a desire to please his father Facione kept the rules taught him don't get caught know your people never let them have control of what you're doing and never let anyone fully know what you're up to So when two clean-cut young men in dark suits showed up on his doorstep Facione's main concern was to figure out the scam they were selling Instead he became surprisingly relaxed as these two answered every question he had unsuccessfully asked other clergymen He learned real truth and began a journey towards knowledge Yes there is a reason why we are here on earth yes you can remember who we are and yes it's true Heavenly Father still speaks through a modern-day prophet Marion Facione's story is one man's extraordinary journey through the darkness into the light Reading his story will confirm again that the gospel is truly for every child of God who is willing to change even someone who wants to go from Mafia to Mormon **The Martyrdom of Joseph Standing** John Nicholson, 1886 **The Murder of Joseph Standing, Or, The Murder of a "Mormon" Missionary** John Nicholson, 1886

Unveiling Grace Lynn K. serving his Mormon mission in Florida had a revelation God knew him personally God loved him And the Mormon Church did not offer the true gospel Micah s conversion to Christ put the family in a tailspin They wondered Have we believed the wrong thing for decades If we leave Mormonism what does this mean for our safety jobs and relationships Is Christianity all that different from Mormonism anyway As Lynn tells her story of abandoning the deception of Mormonism to receive God s grace she gives a rare look into Mormon culture what it means to grow up Mormon and why the contrasts between Mormonism and Christianity make all the difference in the world Whether you are in the Mormon Church are curious about Mormonism or simply are looking for a gripping story Unveiling Grace will strengthen your faith in the true God who loves you no matter what
