## **Mormon Polygamous Families Life In The Principle:**

**Mormon Polygamous Families** Jessie L. Embry, 2008-01-01 Mormons and non Mormons all have their views about how polygamy was practiced in the Church of Jesus Christ of Latter day Saints during the late nineteenth and early twentieth centuries Embry has examined the participants themselves in order to understand how men and women living a nineteenth century Victorian lifestyle adapted to polygamy Based on records and oral histories with husbands wives and children who lived in Mormon polygamous households this study explores the diverse experiences of individual families and stereotypes about polygamy The interviews are in some cases the only sources of primary information on how plural families were organized In addition children from monogamous families who grew up during the same period were interviewed to form a comparison group When carefully examined most of the stereotypes about polygamous marriages do not hold true In this work it becomes clear that Mormon polygamous families were not much different from Mormon monogamous families and non Mormon families of the same era Embry offers a new perspective on the Mormon practice of polygamy that enables readers to gain better understanding of Mormonism historically *Mormon Polygamous Families* Jessie L. Embry, 1987

**Same-Sex Dynamics Among Nineteenth-Century Americans** D. Michael Quinn, 2001-06-15 Winner of the Herbert Feis Award from the American Historical Association and named one of the best religion books of the year by Publishers Weekly D Michael Quinn s *Same Sex Dynamics among Nineteenth Century Americans* has elicited critical acclaim as well as controversy Using Mormonism as a case study of the extent of early America s acceptance of same sex intimacy Quinn examines several examples of long term relationships among Mormon same sex couples and the environment in which they flourished before the onset of homophobia in the late 1950s **Polygamous Families in Contemporary Society** Irwin

Altman, Joseph Ginat, 1996-07-26 This groundbreaking book examines marital relationships in contemporary Mormon polygamous families **The Antipolygamy Controversy in U.S. Women's Movements, 1880-1925** Joan Smyth Iversen, 2014-01-21 This first study of the antipolygamy movement in the United States traces its growth from a Utah based women s group into a national crusade where it sparked a debate in suffrage politics The author analyzes this debate highlighting the differing views of marriage family and the role of women held by suffrage leaders Mormon women and antipolygamy reformers Antipolygamy rhetoric masked a more significant debate within women s groups about the structure and meaning of the American family Coming in the post Civil War period the antipolygamy agenda reflects an attempt to re construct the Republican family diminish patriarchal authority and improve the status of women The reaction of the antipolygamy women was also more than a struggle for power Their adherence to the Republican family was a discourse involving not just rhetoric but a whole range of cultural forms and institutions which provided women with status moral authority and an identity Often the fear of polygamy was mingled with anxiety over the increase in divorce and the emergence of the new woman Ironically by the end of the long congressional battle over Utah and the Mormons both the

rhetoric of polygamy and antipolygamy were used against the women's movement

**The Mormon Question** Sarah Barringer Gordon, 2003-01-14 From the Mormon Church's public announcement of its sanction of polygamy in 1852 until its formal decision to abandon the practice in 1890 people on both sides of the Mormon question debated central questions of constitutional law Did principles of religious freedom and local self government protect Mormons claim to a distinct religiously based legal order Or was polygamy as its opponents claimed a new form of slavery this time for white women in Utah And did constitutional principles dictate that democracy and true liberty were founded on separation of church and state As Sarah Barringer Gordon shows the answers to these questions finally yielded an apparent victory for antipolygamists in the late nineteenth century but only after decades of argument litigation and open conflict Victory came at a price as attention and national resources poured into Utah in the late 1870s and 1880s antipolygamists turned more and more to coercion and punishment in the name of freedom They also left a legacy in constitutional law and political theory that still governs our treatment of religious life Americans are free to believe but they may well not be free to act on their beliefs

**Exposé of Polygamy** Fanny Stenhouse, 2009-06-25 After the 1872 publication of *Expos* Fanny Stenhouse became a celebrity in the cultural wars between Mormons and much of America An English convert she had grown disillusioned with the Mormon Church and polygamy which her husband practiced before associating with a circle of dissident Utah intellectuals and merchants Stenhouse's critique of plural marriage Brigham Young and Mormonism was also a sympathetic look at Utah's people and honest recounting of her life She later created a new edition titled *Tell It All* which ensured her notoriety in Utah and popularity elsewhere but turned her thoughtful memoir into a more polemical true expos of Polygamy Since 1874 it has stayed in print in multiple varying editions The original book meanwhile is less known though more readable Tracing the literary history of Stenhouse's important piece of Americana Linda DeSimone rescues an important autobiographical and historical record from the baggage notoriety brought to it

**The Hidden Half of the Family** Christina K. Schaefer, 1999 Offers information on finding female ancestors in each state highlighting those laws both federal and state that indicate when a woman could own real estate in her own name devise a will and enter into contracts In addition entries contain information on marriage and divorce law immigration citizenship passports suffrage and slave manumission Material is included on African American Native American and Asian American women as well as patterns of European immigration Period covered is from the 1600s to the outbreak of WWII Annotation copyrighted by Book News Inc Portland OR

World Religions in America Jacob Neusner, 2003-01-01 In this the third edition of Jacob Neusner's basic accessible and proven guide to the world's religions as they are practiced in America new chapters explore the Church of Scientology Nature Religions and the Baha'i faith In addition the chapter on Islam in America has been expanded Each chapter includes study questions essay topics and suggestions for further reading

Just Married Stephen Macedo, 2017-05-09 The case for marriage equality and monogamy in a democratic society The institution of marriage stands

at a critical juncture As gay marriage equality gains acceptance in law and public opinion questions abound regarding marriage's future Will same sex marriage lead to more radical marriage reform Should it Antonin Scalia and many others on the right warn of a slippery slope from same sex marriage toward polygamy adult incest and the dissolution of marriage as we know it Equally many academics activists and intellectuals on the left contend that there is no place for monogamous marriage as a special status defined by law Just Married demonstrates that both sides are wrong the same principles of democratic justice that demand marriage equality for same sex couples also lend support to monogamous marriage Stephen Macedo displays the groundlessness of arguments against same sex marriage and defends marriage as a public institution against those who would eliminate its special status or supplant it with private arrangements Arguing that monogamy reflects and cultivates our most basic democratic values Macedo opposes the legal recognition of polygamy but agrees with progressives that public policies should do more to support nontraditional caring and caregiving relationships Throughout Macedo explores the meaning of contemporary marriage and the reasons for its fragility and its enduring significance His defense of reformed marriage against slippery slope alarmists on the right and radical critics of marriage on the left vindicates the justice and common sense of the emerging consensus Casting new light on today's debates over the future of marriage Just Married lays the groundwork for a stronger institution      Reproduction and Succession Robin Fox,1993-01-01

The basis of this extraordinary effort is that all history is the history of reproduction and succession in other words of kinship Fox claims that anthropology seems to have forgotten this while sociology never did grasp it getting bogged down in something called the family Economics and psychology for their part were never much help in the pursuit of cultural universals Reproduction and Succession is an attempt at a constructive approach from social and evolutionary science to law Fox tackles Mormon polygamy the Baby M trials Sophocles' Antigone and the problem of the avunculate It is a search for the universals that connect the rational search for law and the empirical search for anthropology      *The Colony* Sally

Denton,2022-06-28 A Publishers Weekly Summer Reads Selection The Colony is one of the most gripping and disturbing true stories I've ever come across Douglas Preston An investigation into the November 2019 killings of nine women and children in Northern Mexico an event that drew international attention The Colony examines the strange little understood world of a polygamist Mormon outpost On the morning of November 4 2019 an unassuming caravan of women and children was ambushed by masked gunmen on a desolate stretch of road in northern Mexico controlled by the Sinaloa drug cartel Firing semi automatic weapons the attackers killed nine people and gravely injured five more The victims were members of the LeBaron and La Mora communities fundamentalist Mormons whose forebears broke from the LDS Church and settled in Mexico when their religion outlawed polygamy in the late nineteenth century The massacre produced international headlines for weeks and prompted President Donald Trump to threaten to send in the US Army In The Colony bestselling investigative journalist Sally Denton picks up where the initial incomplete reporting on the attacks ended and delves into the complex

story of the LeBaron clan Their homestead Colonia LeBaron is a portal into the past a place that offers a glimpse of life within a polygamous community on an arid and dangerous frontier in the mid 1800s though with smartphones and machine guns Rooting her narrative in written sources as well as interviews with anonymous women from LeBaron itself Denton unfolds an epic disturbing tale that spans the first polygamist emigrations to Mexico through the LeBarons internal blood feud in the 1970s started by Ervil LeBaron known as the Mormon Manson and up to the family s recent alliance with the NXIVM sex cult whose now imprisoned leader Keith Raniere may have based his practices on the society he witnessed in Colonia LeBaron The LeBarons tense but peaceful interactions with Sinaloa deteriorated in the years leading up to the ambush LeBaron patriarchs believed they were deliberately targeted by the cartel Others suspected that local farmers had carried out the attacks in response to the LeBarons seizure of water rights for their massive pecan orchards As Denton approaches answers to who committed the murders and why The Colony transforms into something more than a crime story A descendant of polygamist Mormons herself Denton explores what drove so many women over generations to join or remain in a community based on male supremacy and female servitude Then and now these women of Zion found themselves in an isolated desert navigating the often mysterious complications of plural marriage and supported Denton shows only by one another A mesmerizing feat of investigative journalism The Colony doubles as an unforgettable account of sisterhood that can flourish in polygamist communities against the odds

**Relations of Rescue** Peggy Pascoe, 1990-08-02 First issued as an Oxford University Press paperback 1993 Title page verso

The Far Southwest, 1846-1912 Howard Roberts Lamar, 2000 Traces the history of New Mexico Colorado Utah and Arizona from 1846 to 1912

Women In Utah History Patricia Lyn Scott, Linda Thatcher, 2005-11-30 A project of the Utah Women s History Association and cosponsored by the Utah State Historical Society Paradigm or Paradox provides the first thorough survey of the complicated history of all Utah women Some of the finest historians studying Utah examine the spectrum of significant social and cultural topics in the state s history that particularly have involved or affected women The contents are as follows A Comparison of Utah Mormon Polygamous and Monogamous Women Jessie L Embry and Lois Kelley Innovation and Accommodation the Legal Status of Women in Territorial Utah 1847 96 Lisa Madsen Pearson and Carol Cornwall Madsen Conflict and Contributions Women in Utah Churches 1847 1920 John Sillito Utah s Ethnic Women Helen Z Papanikolas The Professionalization of Utah s Farm Women 1890 1940 Cynthia Sturgis Gainfully Employed Women in Utah Miriam B Murphy From Schoolmarm to State Superintendent The Changing Role of Women in Utah Education 1847 2004 Mary Clark and Patricia Lyn Scott Scholarship Service and Sisterhood Utah Women s Clubs and Associations 1847 1977 Jill Mulvey Derr Women of Letters in Utah Gary Topping Utah Women in the Arts Martha Sontag Bradley Evans Women in Politics Power in the Public Sphere Kathryn L MacKay Utah Women s Life Stages 1850 1940 Jessie L Embry

*Historical Dictionary of the Latter-day Saints* Thomas G. Alexander, Davis Bitton, 2019-10-08 The Church of Jesus Christ of Latter day Saints is a Christian church that was organized by six men in

western New York in 1830 under the leadership of Joseph Smith the church has grown to more than 16 million members today A restoration of the primitive church organized by Jesus Christ in the first century C E the church s membership was originally all Americans The church is now however a worldwide church with more members who live outside the United States than inside The fourth edition of Historical Dictionary of the Latter day Saints contains a chronology an introduction and an extensive bibliography The dictionary section has over 400 cross referenced entries on the important people ideas doctrine and events during the hundred ninety year history of The Church of Jesus Christ of Latter day Saints This book is an excellent resource for students researchers and anyone wanting to know more about The Church of Jesus Christ of Latter day Saints

**Plural Marriage for Our Times** Philip L. Kilbride, Douglas R. Page, 2012-08-17 This thoroughly revised second edition offers a child centered international perspective as it urges America to de stigmatize alternate family forms In this book s first edition Philip L Kilbride showed polygamy as the preferred marriage pattern in most parts of the nonwestern world and explained how plural marriage is surfacing in western countries to address economic and spiritual crises In Plural Marriage for Our Times A Reinvented Option Second Edition Kilbride and his coauthor Douglas R Page update and enhance this thesis in light of contemporary circumstances new studies and current legal debates This new edition examines plural marriage s benefits for children It extends the discussion of polygamy and religion especially the Muslim perspective on marriage and family considers the illegal polygamy of immigrants and looks at multiple marriage in African American communities where crisis polygamy is a growing phenomenon The authors suggest Americans consider plural marriage as a viable practice that can help reduce the divorce rate better protect women and children and serve as an alternative to the fractured family so prevalent in America today

**Modern Polygamy and Mormon Fundamentalism** Brian C. Hales, 2006-01-01 2007 Best Book Award John Whitmer Historical Association Under the subject of alternative lifestyles the issue of polygamous relationships falls squarely in the middle of the debate Polygamous marriages are a common practice in many other countries but the United States has vehemently opposed such unions and will no doubt find itself disputing its position on them again in the near future As with the same sex marriage issue a firestorm of controversy surrounds the question since the right to participate in a polygamous union is very much tied to the right to live out one s preferences religious or not Detailed accounts of sexual abuse and child brides are frequently leaked from the various polygamous societies notwithstanding their extreme efforts to remain under the radar of law enforcement and the press A by product of these mysterious societies is that public interest is vitalized by their continuous efforts to gain independence from traditionalist culture This fascinating study seeks to trace the historical tapestry that is early Mormon polygamy details the official discontinuation of the practice by the Church and for the first time describes the many zeal driven organizations that arose in the wake of that decision Among the polygamous groups discussed are the LeBaronites whose blood atonement killings sent fear throughout Mormon communities in the late seventies and the eighties the FLDS Church which made news

recently over its construction of a compound and temple in Texas and Warren Jeffs arrest and conviction and the Allred and Kingston groups two major factions with substantial membership statistics both in and out of the United States All these fascinating histories along with those of the smaller independent groups are examined and explained in a way that all can appreciate

**The 1300 Year's War** Robert Maddock,2016-12-19 The book in two volumes describes the evolution of Judeo Christianity and Islam and 1 300 years of warfare between them Islam and Christianity follow gods with different characteristics and differing doctrines free will vs determinism They were engaged in bloody conflict from 632 AD until 1856 Crimean War when the Ottoman Empire became the sick man of Europe It reignited with Egyptian encouragement backed by Soviet money the arming of Fedayeen terrorists in 1956 and the Six Day War following Egypt's seizure of the Suez Canal and has become progressively more serious ever since

*Prisoner for Polygamy* Stan Larson,2012-03-13 Rudger Clawson 1857 1943 was the first Mormon convicted of being in violation of the Edmund Tucker Act which outlawed polygamy Born into a polygamous family Clawson married Florence Dinwoodey in August 1882 Lydia Spencer in March 1883 and eventually entered into a post Manifesto union with Pearl Udall in 1904 Clawson a prominent member of the Church of Jesus Christ of Latter day Saints served in the LDS Church as missionary stake president apostle president of the Quorum of the Twelve Apostles and counselor in the First Presidency This book delves into Clawson's time as a cohab in the Utah Territorial Penitentiary as well as a unique look at this time in Utah's history These prison memoirs and letters reflect the pride felt by Mormon polygamists imprisoned for conscience sake and include Mormon doctrinal discussions details of their prison life personal accounts of prison escape attempts and the sense of frustration felt by the men as a result of being separated from their families In addition these memoirs show Clawson's talent for storytelling and include select love letters written by Clawson to his plural wife Lydia

This book delves into Mormon Polygamous Families Life In The Principle. Mormon Polygamous Families Life In The Principle is an essential topic that must be grasped by everyone, from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Mormon Polygamous Families Life In The Principle, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
    - Chapter 1: Introduction to Mormon Polygamous Families Life In The Principle
    - Chapter 2: Essential Elements of Mormon Polygamous Families Life In The Principle
    - Chapter 3: Mormon Polygamous Families Life In The Principle in Everyday Life
    - Chapter 4: Mormon Polygamous Families Life In The Principle in Specific Contexts
    - Chapter 5: Conclusion
  2. In chapter 1, the author will provide an overview of Mormon Polygamous Families Life In The Principle. This chapter will explore what Mormon Polygamous Families Life In The Principle is, why Mormon Polygamous Families Life In The Principle is vital, and how to effectively learn about Mormon Polygamous Families Life In The Principle.
  3. In chapter 2, the author will delve into the foundational concepts of Mormon Polygamous Families Life In The Principle. The second chapter will elucidate the essential principles that need to be understood to grasp Mormon Polygamous Families Life In The Principle in its entirety.
  4. In chapter 3, the author will examine the practical applications of Mormon Polygamous Families Life In The Principle in daily life. This chapter will showcase real-world examples of how Mormon Polygamous Families Life In The Principle can be effectively utilized in everyday scenarios.
  5. In chapter 4, the author will scrutinize the relevance of Mormon Polygamous Families Life In The Principle in specific contexts. This chapter will explore how Mormon Polygamous Families Life In The Principle is applied in specialized fields, such as education, business, and technology.
  6. In chapter 5, this book will draw a conclusion about Mormon Polygamous Families Life In The Principle. This chapter will summarize the key points that have been discussed throughout the book.
- This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Mormon Polygamous Families Life In The Principle.
