Mormonism A Very Short Introduction

Richard L. Bushman

Mormonism A Very Short Introduction:

Mormonism: A Very Short Introduction Richard L. Bushman, 2008-04-22 This introduction covers the history of Mormonism and an analysis of Mormon beliefs beginning with their prophet Joseph Smith It examines how the religion has adapted and changed since its founder's death and answers some of the common questions people have about Mormonism

Mormonism: A Very Short Introduction Richard Lyman Bushman, 2008-04-22 Beginning with a handful of members in 1830 the church that Joseph Smith founded has grown into a world wide organization with over 12 million adherents playing prominent roles in politics sports entertainment and business Yet they are an oddity They are considered wholesome conservative and friendly on one hand and clannish weird and self righteous on the other *Mormonism A Very Short Introduction* explains who Mormons are what they believe and how they live their lives Written by Richard Lyman Bushman an eminent historian and practicing Mormon this compact informative volume ranges from the history of the Church of Jesus Christ of Latter day Saints to the contentious issues of contemporary Mormonism Bushman argues that Joseph Smith still serves as the Mormons Moses Their everyday religious lives are still rooted in his conceptions of true Christianity They seek revelation to solve life's problems just as he did They believe the authority to seal families together for eternity was restored through him They understand their lives as part of a spiritual journey that started in a council in heaven before the world began just as he taught Bushman's account also describes the tensions and sorrows of Mormon life How are Mormons to hold on to their children in a world of declining moral standards and rampant disbelief How do rational educated Mormons stand up to criticisms of their faith How do single Mormons fare in a church that emphasizes family life The book also examines polygamy the various Mormon scriptures and the renegade fundamentalists who tarnish the LDS image when in fact they are not members In a time when Mormons such as Mitt Romney and Harry Reid are playing prominent roles in American society this engaging introduction enables readers to judge for themselves how Mormon teachings shape the character of believers About the Series Oxford's Very Short Introductions series offers concise and original introductions to a wide range of subjects from Islam to Sociology Politics to Classics Literary Theory to History and Archaeology to the Bible Not simply a textbook of definitions each volume in this series provides trenchant and provocative yet always balanced and complete discussions of the central issues in a given discipline or field Every Very Short Introduction gives a readable evolution of the subject in question demonstrating how the subject has developed and how it has influenced society Eventually the series will encompass every major academic discipline offering all students an accessible and abundant reference library Whatever the area of study that one deems important or appealing whatever the topic that fascinates the general reader the Very Short Introductions series has a handy and affordable guide that will likely prove indispensable

Mitt Romney, Mormonism, and the 2012 Election L. Perry, 2014-08-07 This book seeks to address the question of how we should understand the impact of Mitt Romney's faith in the 2012 election As the first Mormon to earn a presidential nomination from a major party

the book provides a comprehensive study of Romney's historic candidacy

Mormonism W. Paul Reeve, Ardis E. Parshall, 2010-08-13 Covering its historic development, important individuals and central ideas and issues, this encyclopedia offers broad historical coverage of The Church of Jesus Christ of Latter-day Saints. Mormonism: A Historical Encyclopedia helps readers explore a church that has gone from being an object of ridicule and sometimes violent persecution to a worldwide religion counting prominent businesspeople and political leaders among its members, including former Massachusetts governor and recent presidential candidate Mitt Romney. The encyclopedia begins with an overview of The Church of Jesus Christ of Latter-day Saints; six essays cover the church's history from Joseph Smith's first vision in 1820 to its current global status. This provides a context for subsequent sections of alphabetically organized entries on key events and key figures in Mormon history. A final section looks at important issues such as the church's organization and government, its teachings on family, Mormonism and blacks, Mormonism and women, and Mormonism and Native Americans. Together, these essays and entries, along with revealing primary sources, portray the Mormon experience like no other available reference work.

Mormonism For Beginners Stephen Carter, 2016-07-19 Mormonism For Beginners is a balanced, richly engaging introduction to the history, tenets, practices, traditions, and yes, debates and controversies of this uniquely American Protestant movement. Designed for the uninitiated or younger members of the Church of Jesus Christ of Latter-day Saints (LDS), this book presents the history of the movement from Joseph Smith to the 21st century, along with the key doctrines of the faith in the context of everyday life, as well as the essential scriptures. Not least of Carter and Atwood's accomplishments is addressing such headline-grabbing issues as polygamy, same-sex marriage, and the role of women in the LDS church in dispassionate, even-handed terms. Their goal is to shed a clear light on an often misunderstood belief system and way of life.

Understanding Your Mormon Neighbor Ross Anderson, 2011-09-20 In *Understanding Your Mormon Neighbor*, Ross Anderson seeks to help Christians relate to Latter-day Saints by giving insights into Mormon life and culture. Anderson's work is supported both by his lifetime of experiences growing up Mormon and by current research that utilizes many Latter-day Saints' own sources. This book explains core stories that form the Mormon worldview, experiences that shape the community identity of Mormonism, and how Mormons understand truth. Anderson shares how most Mormons see themselves and others, illuminating why people join the LDS Church and why many eventually leave. Latter-day Saints will find the descriptions of their values, practices, and experiences both credible and familiar. *Understanding Your Mormon Neighbor* suggests how Christians can befriend Latter-day Saints with confidence and sensitivity and share the grace of God wisely within their relationships. Anderson includes discussion questions for individuals and small groups, black and white photographs and charts, and an appendix that includes "Are Mormons Christians?" and "Should I Vote for a Mormon?"

The World's Greatest Religious Leaders Scott E. Hendrix, Uchenna Okeja, 2018-03-01 This book provides reliable information about important world religious leaders, correcting the misinformation that can be found on the internet. Religious leaders have

shaped the course of history and deeply affected the lives of many individuals This book offers alphabetically arranged profiles of roughly 160 religious leaders from around the world and across time carefully chosen for their impact and importance and to maximize inclusiveness of faiths from around the world Scholars from around the world each one an expert in his or her field and all holding advanced degrees came together to create an essential resource for students and for those with an interest in religion and its history Every entry has been carefully edited in a two stage review process guaranteeing accuracy and readability throughout the work Not strictly a biographical reference that recounts the facts of religious figures lives the book helps users understand how the selected figures changed history The entries are accompanied by excerpts of primary source documents and suggestions for further reading while the book closes with a bibliography of essential print and electronic resources for further research The West and the Word Steffen

Wöll,2020-10-12 Western expansion in North America has mainly been described as either a linear sequence energized by nineteenth century nation building processes at a moving frontier or as the practice of settler colonialism and its exploitation of resources and displacement of nonwhite peoples This book suggests that shifting the focus from this binary pattern towards spatial imaginations and spatialization processes a new theoretical framework developed at SFB 1199 provides novel insights into the placemaking dynamics of the American West It brings to light a discursive diversity that often contradicts unidirectional interpretive patterns It becomes clear that while some discourses solidified into spatial metanarratives like the character shaping clash of civilizations at the frontier or manifest destiny alternative spatial imaginations exist juxtaposed to or obfuscated by canonical interpretations Making use of a variety of sources including works of literature poetry newspapers paintings and speeches to access spatialization processes on several sociocultural scales the book presents a careful exploration of the parameters that informed the creation affirmation and subversion of spatial imagination of the American West throughout the nineteenth century from the perspective of American Studies **The Oxford Handbook of**

Mormonism Terryl L. Givens,Philip L. Barlow,2015-09-01 Winner of the Best Anthology Book Award from the John Whitmer Historical Association Winner of the Special Award for Scholarly Publishing from the Association for Mormon Letters Scholarly interest in Mormon theology history texts and practices what makes up the field now known as Mormon studies has reached unprecedented levels making it one of the fastest growing subfields in religious studies In this volume Terryl Givens and Philip Barlow two leading scholars of Mormonism have brought together 45 of the top experts in the field to construct a collection of essays that offers a comprehensive overview of scholarship on Mormons The book begins with a section on Mormon history perhaps the most well developed area of Mormon studies Chapters in this section deal with questions ranging from how Mormon history is studied in the university to the role women have played over time Other sections examine revelation and scripture church structure and practice theology society and culture The final two sections look at Mormonism in a larger context The authors examine Mormon expansion across the globe focusing on Mormonism in Latin

America the Pacific Europe and Asia in addition to the interaction between Mormonism and other social systems such as law politics and other faiths Bringing together an impressive body of scholarship this volume reveals the vast range of disciplines and subjects where Mormonism continues to play a significant role in the academic conversation The Oxford Handbook of Mormonism will be an invaluable resource for those within the field as well as for people studying the broader ever changing American religious landscape **Americanist Approaches to The Book of Mormon** Elizabeth Fenton, Jared

Hickman, 2019-07-18 As the sacred text of a modern religious movement of global reach The Book of Mormon has undeniable historical significance That significance this volume shows is inextricable from the intricacy of its literary form and the audacity of its historical vision This landmark collection brings together a diverse range of scholars in American literary studies and related fields to definitively establish The Book of Mormon as an indispensable object of Americanist inquiry not least because it is among other things a form of Americanist inquiry in its own right a creative critical reading of America Drawing on formalist criticism literary and cultural theory book history religious studies and even anthropological field work Americanist Approaches to The Book of Mormon captures as never before the full dimensions and resonances of this American Bible **Llewellyn's Complete Book of North American Folk Magic** Cory Thomas Hutcheson, 2023-04-08

From the cohost of the popular podcast New World Witchery more than twenty diverse traditions from New England to the West Coast Drawing on the expertise of twenty four renowned practitioners this book features contemporary folk traditions from all over North America Diverse as the landscapes they thrive on these authentic practices will expand your worldview and inspire you to enrich your own spirituality Explore the history tools and spiritual beliefs of many different paths of folk magic from Mexico the United States and Canada You ll tour the continent s rich and varied cultures region by region taking an insider s look at more than twenty traditions including Appalachian Mountain Magic Brujeria Curanderismo Detroit Hoodoo Florida Swamp Magic Irish American Folk Magic Italian American Magic Melungeon Folk Magic New England Cunning Craft New Orleans Voodoo Ozark Folk Magic Pennsylvania Powwow Braucherei Slavic American Folk Magic Southern Conjure Contributors include Stephanie Rose Bird H Byron Ballard Starr Casas Ixtol Paloma Cervantes Kenya T Coviak J Allen Cross Alexander Cummins Morgan Daimler Mario Esteban Del ngel Guevara Lilith Dorsey Morigane Feu Via Hedera Cory Thomas Hutcheson Melissa A Ivanko Murray E F E Lacharity Dee Norman Aaron Oberon Robert Phoenix Jake Richards Sandra Santiago Robert L Schreiwer Eliseo Cheo Torres Benbell Wen Brandon Weston Rich engaging and incredibly diverse this book gives us irreplaceable and enlightening glimpses into every folk magic you can imagine from the South to the North and all the way out West A must have book for any folk practitioner Frankie Castanea AKA Chaotic Witch Aunt author of Spells for Change **Food, Feasts, and Faith** Paul Fieldhouse, 2017-04-17 An indispensable resource for exploring food and faith this two volume set offers information on food related religious beliefs customs and practices from around the world Why do Catholics eat fish on Fridays Why are there retirement homes for aged cows in India What culture

holds ceremonies to welcome the first salmon More than five billion people worldwide claim a religious identity that shapes the way they think about themselves how they act and what they eat Food Feasts and Faith An Encyclopedia of Food Culture in World Religions explores how the food we eat every day often serves purposes other than to keep us healthy and stay alive we eat to express our faith and to adhere to ethnic or cultural traditions that are part of who we are This book provides readers with an understanding of the rich world of food and faith It contains more than 200 alphabetically arranged entries that describe the beliefs and customs of well established major world religions and sects as well as those of smaller faith communities and new religious movements The entries cover topics such as religious food rules religious festivals and symbolic foods and vegetarianism and veganism as well as general themes such as rites of passage social justice hospitality and compassion Each entry on religion explains what the religious dietary laws and guidelines are and how these were interpreted and put into practice historically and in modern settings The coverage also includes important festivals and feast days as well as significant religious figures and organizations Additionally some 160 sidebars provide examples and more detailed information as well as fun facts

Polygamy's Rights and Wrongs Lori Gail Beaman, Gillian Calder, 2013-12-01 Assumptions about the harmful nature of polygamy have left little room for debate with monogamy coming to represent a hallmark of advanced societies and polygamy the immoral alternative Yet in this volume eleven scholars ask whether this condemnation is justified by examining among other perspectives the lived experiences of polygamous families In essays that fearlessly face difficult questions of choice dignity and love the authors seek to complicate a conversation that is more often simplified Thoughtful and persuasive Polygamy's Rights and Wrongs is both a close consideration of polygamy and a challenging reflection on the ways in which we value family and intimacy

Mormonism: A Guide for the Perplexed Robert L. Millet, Shon D. Hopkin, 2015-11-19 Mormonism A Guide for the Perplexed explains central facets of the Mormon faith and way of life for those wishing to gain a clearer understanding of this rapidly growing world religion As The Church of Jesus Christ of Latter day Saints continues to grow in the United States and especially in other countries with a total membership of over 15 million more than 50% of which is outside the US and as theologians and church leaders wrestle with whether Mormonism is in fact a valid expression of modern Christianity this distinctive religious tradition has become increasingly an object of interest and inquiry This book is the ideal companion to the study of this perplexing and often misunderstood religion Covering historical aspects this guide takes a careful look at the whole of Mormonism its tenets and practices as well as providing an insight into a Mormon life

Interpreter: A Journal of Mormon Scripture, Volume 6 (2013) The Interpreter Foundation, 2013-10-19 This is volume 6 2013 of Interpreter A Journal of Mormon Scripture published by The Interpreter Foundation It contains articles on a variety of topics including apologetics a review of Miller's Rube Goldberg Machines a note on Mosiah 2:5 a review of MacCulloch's The Reformation a review of Noll's Protestantism a look at Peter's denial of Christ an essay on the Lamanites in a Native American context an essay on Mormon jurisprudence a review of

Mansfield's *The Mormonizing of America* reviews of six books on evolutionary biology and a review of Berger's critique of Joseph Smith's Polygamy History and Theology Mormon Studies Ronald Helfrich, Jr., 2021-12-30 Mormonism arose in early 19th century New York and has fired the imaginations of its devotees critics and students ever since Some intellectuals and academics read Mormonism as the product of economic change wrought by the Erie Canal in the Burned over District of western New York State and upper north eastern Ohio Others read Mormonism as an authoritarian reaction to Jacksonian democracy Finally some including most of those who became Mormons in the early 19th century and most of those who are believing Mormons today read Mormonism as the intervention of God in human history This book engages with Mormon Studies from its beginnings in the early nineteenth century to the end of the 20th century It covers those who fought over Mormonism's truth or falsity on those who tried to understand Mormonism as a religious and sociological phenomenon and on those who explored the history of Mormonism from a more dispassionate perspective It concludes with an exploration of the culture war that erupted as Mormon Studies professionalized particularly after the 1960s *Foundational Texts of Mormonism* Mark Ashurst-McGee, Robin Scott Jensen, Sharalyn D. Howcroft, 2018 Joseph Smith founding prophet and martyr of the Church of Jesus Christ of Latter day Saints personally wrote dictated or commissioned thousands of documents Among these are several highly significant sources that scholars have used over and over again in their attempts to reconstruct the founding era of Mormonism usually by focusing solely on content without a deep appreciation for how and why a document was produced This book offers case studies of the sources most often used by historians of the early Mormon experience Each chapter takes a particular document as its primary subject considering the production of a document as an historical event in itself with its own background purpose circumstances and consequences The documents are examined not merely as sources of information but as artifacts that reflect aspects of the general culture and particular circumstances in which they were created This book will help historians working in the founding era of Mormonism gain a more solid grounding in the period's documentary record by supplying important information on major primary sources The Myth of the Twelve Tribes of Israel Andrew Tobolowsky, 2022-03-17 The Myth of the Twelve Tribes of Israel is the first study to treat the history of claims to an Israelite identity as an ongoing historical phenomenon from biblical times to the present By treating the Hebrew Bible's accounts of Israel as one of many efforts to construct an Israelite history rather than source material for later legends Andrew Tobolowsky brings a long term comparative approach to biblical and nonbiblical Israelite histories In the process he sheds new light on how the structure of the twelve tribes tradition enables the creation of so many different visions of Israel and generates new questions How can we explain the enduring power of the myth of the twelve tribes of Israel How does becoming Israel work why has it proven so popular and how did it change over time Finally what can the changing shape of Israel itself reveal about those who claimed it *Four Views on the Axiology of Theism* Kirk Loughheed, 2020-09-17 For centuries philosophers have addressed the ontological question of whether God exists Most

recently philosophers have begun to explore the axiological question of what value impact if any God's existence has or would have on our world This book brings together four prestigious philosophers Michael Almeida Travis Dumsday Perry Hendricks and Graham Oppy to present different views on the axiological question about God Each contributor expresses a position on axiology which is then met with responses from the remaining contributors This structure makes for genuine discussion and developed exploration of the key issues at stake and shows that the axiological question is more complicated than it first appears Chapters explore a range of relevant issues including the relationship between Judeo Christian theism and non naturalist alternatives such as pantheism polytheism and animism panpsychism Further chapters consider the attitudes and emotions of atheists within the theism conversation and develop and evaluate the best arguments for doxastic pro theism and doxastic anti theism Of interest to those working on philosophy of religion theism and ethics this book presents lively accounts of an important topic in an exciting and collaborative way offered by renowned experts in this area

Church, State, and Race Ryan P. Jordan, 2012-04-12 This book uses the discourse of religious liberty often expressed as one favoring a separation between church and state to explore racial differences during an era of American empire building 1750 1900 Discussions of religious liberty in America during this time often revolved around the fitness of certain ethnic or racial groups to properly exercise their freedom of conscience Significant fear existed that groups outside the Anglo Protestant mainstream might somehow undermine the American experiment in ordered republican liberty Hence repeated calls could be heard for varying forms of assimilation to normative Protestant ideals about religious expression Though Americans pride themselves on their secular society it is worth interrogating the exclusive and even violent genealogy of such secular values When doing so it is important to understand the racial limitations of the discourse of religious freedom for various aspects of American political culture The following account of the history of religious liberty seeks to destabilize the widespread assumption that the dominant American culture inevitably trends toward greater freedom in the realm of personal expression

Reviewing **Mormonism A Very Short Introduction**: Unlocking the Spellbinding Force of Linguistics

FAQs About Mormonism A Very Short Introduction Books

What is a Mormonism A Very Short Introduction PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Mormonism A Very Short Introduction PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Mormonism A Very Short Introduction PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Mormonism A Very Short Introduction PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Mormonism A Very Short Introduction PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
