Moroccan Monarchy And The Islamist Challenge Maintaining Makhzen Power:

Moroccan Monarchy and the Islamist Challenge M. Daadaoui, 2011-08-15 This book examines the factors behind the survival and persistence of monarchical authoritarianism in Morocco and argues that state rituals of power affect the opposition forces ability to challenge the monarchy

Federalism and Decentralization in the Contemporary Middle East and North Africa Aslı Ü. Bâli, Omar M. Dajani, 2023-01-05 This volume the first of its kind in the English language examines the law and politics of federalism and decentralization in the Middle East and North Africa Comprised of eleven case studies examining the experience across the region together with essays by leading scholars providing comparative and theoretical perspectives and a synthetic conclusion by the co editors the volume offers a textured portrait of the dilemmas of decentralization during a period of sweeping transition in the region The collection addresses an important gap in the comparative decentralization literature which has largely neglected the MENA region Both retrospective and forward looking in orientation the book is a valuable resource not only for scholars of comparative politics constitutional design and Middle East studies but also for policy makers evaluating the feasibility and efficacy of decentralization as a vehicle for improving governance and responding to identity conflict in any part of the world

Rise of Islamic Political Movements and Parties Kirdis Esen Kirdis, 2019-05-09 Although regarded as a single community of Islamists Islamic political movements utilise vastly different means to pursue their goals This book examines why some Islamic movements facing the same socio political structures pursue different political paths while their counterparts in diverse contexts make similar political choices Based on qualitative fieldwork involving personal interviews with Islamic politicians journalists and ideologues conducted both before and after the Arab Spring author Esen KirdiAY draws close comparisons between six Islamic movements in Jordan Morocco and Turkey She analyses how some Islamic movements decide to form a political party to run in elections while their counterparts in the same country reject doing so and instead engage in political activism as a social movement through informal channels More broadly the study demonstrates the role of internal factors ideological priorities and organisational needs in explaining differentiation within Islamic political movements and discusses its effects on democratisation

Foreign Intervention in Africa after the Cold War Elizabeth Schmidt, 2018-10-22 In *Foreign Intervention in Africa after the Cold War* interdisciplinary in approach and intended for nonspecialists Elizabeth Schmidt provides a new framework for thinking about foreign political and military intervention in Africa its purposes and its consequences She focuses on the quarter century following the Cold War 1991 2017 when neighboring states and subregional regional and global organizations and networks joined extracontinental powers in support of diverse forces in the war making and peace building processes During this period two rationales were used to justify intervention a response to instability with the corollary of responsibility to protect and the war on terror Often overlooked in discussions of poverty and violence in Africa is the fact that many of the challenges facing the continent today are rooted in colonial political and economic practices in Cold War

alliances and in attempts by outsiders to influence African political and economic systems during the decolonization and postindependence periods Although conflicts in Africa emerged from local issues external political and military interventions altered their dynamics and rendered them more lethal Foreign Intervention in Africa after the Cold War counters oversimplification and distortions and offers a new continentwide perspective illuminated by trenchant case studies *Rap Beyond Resistance* Cristina Moreno Almeida, 2017-09-15 This book fills the gap in existing literature by exploring other forms of political discourses in non Western rap music Theoretically it challenges and explores resistance arguing towards the need for different epistemological frameworks in which to look at narratives of cultural resistance in the Arabic speaking world Empirically it provides an in depth look at the politics of rap culture in Morocco *Rap Beyond Resistance* bridges the humanities and social sciences in order to de Westernize cultural studies presenting the political narratives of the Moroccan rap scene beyond secular liberal meanings of resistance By exploring what is political this book brings light to a vibrant and varied rap scene diverse in its political discourses with an emphasis on patriotism and postcolonial national identity and uncovers different ways in which young artists are being political beyond radical lyrics **A History of Islamic Societies** Ira M. Lapidus, 2014-10-13 This third edition of Ira M Lapidus s classic *A History of Islamic Societies* has been substantially revised to incorporate the insights of new scholarship and updated to include historical developments in the first decade of the twenty first century Lapidus s history explores the beginnings and transformations of Islamic civilizations in the Middle East and details Islam s worldwide diffusion to Africa Spain Turkey and the Balkans Central South and Southeast Asia and North America situating Islamic societies within their global political and economic contexts It accounts for the impact of European imperialism on Islamic societies and traces the development of the modern national state system and the simultaneous Islamic revival from the early nineteenth century to the present This book is essential for readers seeking to understand Muslim peoples Publisher information **Jewish-Muslim Interactions** Samuel Sami Everett, Rebekah Vince, 2020 This volume analyses Jewish Muslim interactions across North Africa and France in the 20th and 21st centuries through an examination of performance culture across the genres of theatre music film art and stand up We explore influence and cooperation between Jewish and Muslim performers from Algeria Tunisia Morocco and diaspora communities in France **Why Alliances Fail** Matt Buehler, 2018-11-23 Since 2011 the Arab world has seen a number of autocrats including leaders from Tunisia Egypt Libya and Yemen fall from power Yet in the wake of these political upheavals only one state Tunisia transitioned successfully from authoritarianism to democracy Opposition parties forged a durable and long term alliance there which supported democratization Similar pacts failed in Morocco and Mauritania however In *Why Alliances Fail* Buehler explores the circumstances under which stable enduring alliances are built to contest authoritarian regimes marshaling evidence from coalitions between North Africa s Islamists and leftists Buehler draws on nearly two years of Arabic fieldwork interviews original statistics and archival research including interviews with the first Islamist prime

minister in Moroccan history Abdelilah Benkirane Introducing a theory of alliance durability Buehler explains how the nature of an opposition party's social base shapes the robustness of alliances it builds with other parties He also examines the social origins of authoritarian regimes concluding that those regimes that successfully harnessed the social forces of rural isolation and clientelism were most effective at resisting the pressure for democracy that opposition parties exerted With fresh insight and compelling arguments Why Alliances Fail carries vital implications for understanding the mechanisms driving authoritarian persistence in the Arab world and beyond *Inside the Arab State* Mehran Kamrava, 2018-08-15 An in depth comprehensive and theoretically informed examination of Arab politics of the last decade The Arab Spring revolts of 2011 and the rise of ISIS in 2014 demand an updated analysis of the topic [The Oxford Handbook of Politics in Muslim Societies](#) Melani Cammett, Pauline Jones, 2022 Politics in Muslim societies what's religion got to do with it Melani Cammett and Pauline Jones Islam and political structure in historical perspective Eric Chaney State formation statist Islam and regime instability evidence from Turkey Kristin E Fabbe States religion and democracy in Southeast Asia comparative religious regime formation Kikue Hamayotsu Repression of Islamists and authoritarian survival in the Arab world a case study of Egypt Jean Lachapelle Regime types regime transitions and religion in Pakistan Matthew J Nelson Regime change under the Party of Justice and Development AKP in Turkey Feryaz Ocakl Islam nationalism and democracy in Asia nations under gods or gods under nations Maya Tudor Military politics in Muslim societies Nicholas J Lotito Voting for Islamists mapping the role of religion Ellen Lust Kristen Kao and Gibran Okar Party systems in Muslim societies Elizabeth R Nugent Ideologies brands and demographics in Muslim Southeast Asia voting for Islam Thomas Pepinsky Religion and party politics in India and Pakistan Steven I Wilkinson Religion and electoral competition in Senegal Dominika Koter Clientelism constituency services and elections in Muslim societies Daniel Corstange and Erin York Religiosity and political attitudes in Turkey during the AKP era S Erdem Ayta Religious practice and political attitudes among Shiites in Iran and Iraq Fotini Christia Elizabeth Dekeyser and Dean Knox Repressive religious regulation and political mobilization in Central Asia why Muslims don't rebel Dustin Gamza and Pauline Jones How extraordinary was the Arab Spring Examining protest potential in the Muslim world Avital Livny Illicit economies and political violence in Central Asia Lawrence P Markowitz and Mariya Y Omelicheva Piety devotion and support for Shari'a examining the link between religiosity and political attitudes in Pakistan Niloufer A Siddiqui Mapping and explaining Arab attitudes toward the Islamic State findings from an Arab barometer survey and embedded experiment Mark Tessler Michael Robbins and Amaney Jamal Social movements parties and political cleavages in Morocco a religious divide Adria Lawrence The rise and impact of Muslim women preaching online Richard A Nielsen Religion and mobilization in the Syrian uprising and war Wendy Pearlman Christian Muslim relations in the shadow of conflict insights from Kaduna Nigeria Alexandra Scacco and Shana S Warren New media and Islamist mobilization in Egypt Alexandra A Siegel Islamically framed mobilization in Tunisia Ansar al Sharia in the aftermath of the Arab uprisings Fr d ric Volpi Islamist mobilization during the

Aomar Boum,Thomas K. Park,2016-06-02 A historical reference work on Morocco must take as its subject al maghrib al aqsa the far west as the Arabic scholars have generally referred to the approximate region of present day Morocco roughly the north west corner of Africa but at times including much of the Iberian peninsula because the modern nation state is a relatively recent creation owing much to events in the late 19th and early 20th centuries External influences on Morocco tend to come across the narrow straits of Gibraltar to the north from the east along the Mediterranean litoral or up from the Sahara In each case access is constrained by geography and continued control from outside the region has been difficult to manage over the long term Although many of the dynasties that came to power in Morocco conquered much broader regions history and topology have so conspired that there is still more coherence to an historical focus on al maghrib al aqsa than is the case for most modern nation states This third edition of Historical Dictionary of Morocco contains a chronology an introduction a glossary and an extensive bibliography The dictionary section has over 600 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Morocco **Barriers to Effective Civil Society**

Organisations Ibrahim Natil,Vanessa Malila,Youcef Sai,2020-08-31 This book provides an insight into the historical changes and present day circumstances that have influenced and continue to influence the development and future of civil society Civil society organisations CSOs play a crucial role in international development however their impact on policy and practice

is limited by a range of shifts across their political social and financial landscapes

Barriers to Effective Civil Society Organisations is divided into three parts addressing each of these shifts in turn and places particular emphasis on civil society actors linked not only by political constraints but also by ethnic and cultural diversities that are crucial markers of political and social identity This book draws on case studies from across Latin America Africa MENA and Ireland to highlight how CSOs in these countries are shaped by and react to shifting challenges Reflecting on solutions for the sector the authors provide an understanding of the various self accommodation policies and techniques employed by CSOs in order to continue their services and increase their credibility across global contexts Aimed at researchers policy makers and CSO NGO workers looking to better understand the current state and future of the sector from the perspective of emerging scholars working in these regions and in the Global South in particular this innovative book is a celebration of the important work of CSOs and a reaffirmation of their right to sit at the policy table
