Moscow To The End Of The Line

Michael K. Bohn

Moscow To The End Of The Line:

Moscow to the End of the Line Venedikt Erofeev, 1994 In this classic of Russian humor and social commentary a fired cable fitter goes on a binge and hopes a train to Petushki where his most beloved of trollops awaits On the way he bestows upon angels fellow passengers and the world at large a magnificent monologue on alcohol politics society alcohol philosophy the pains of love and of course alcohol *Russian Postmodernist Fiction* Mark Lipovetsky, Eliot Borenstein, 2016-09-16 This text offers a critical study of postmodernism in Russian literature It takes some of the central issues of the critical debate to develop a conception of postmodern poetics as a dialogue with chaos and places Russian literature in the context of an enriched postmodernism **History of the Literary Cultures of East-Central Europe** Marcel Cornis-Pope, John

Neubauer, 2004-01-01 Continuing the work undertaken in Vol 1 of the History of the Literary Cultures of East Central Europe Vol 2 considers various topographic sites multicultural cities border areas cross cultural corridors multiethnic regions that cut across national boundaries rendering them permeable to the flow of hybrid cultural messages By focusing on the literary cultures of specific geographical locations this volume intends to put into practice a new type of comparative study Traditional comparative literary studies establish transnational comparisons and contrasts but thereby reconfirm howev

Re-entering the Sign Ellen E. Berry, Anesa Miller-Pogacar, 1995 Russian artists and critics attest to the cultural changes emerging since the fall of the Soviet Union **Soft Matter** Julia Vaingurt, 2025-01-15 Identifies and examines a poetics of weakness in Soviet underground literature Artists of the late Soviet era sought new nonconformist ways of approaching literary fiction arriving at weakness as a crucial principle of narrative and character formation Julia Vaingurt argues that this counter discourse of strategic weakness constituted both an aesthetic strategy and an ethical code affording like minded authors a feeling of recognition and commonality and uniting an international community of artists in resistance to the divisiveness of their worlds *Soft Matter The Poetics of Weakness in Late Soviet Socialism* explores the cultivation of weak subjectivity through modes such as gender subversion queer holy foolishness intoxication madness and writing disorders like graphomania and writer s block Identifying the poetics of weakness as formative for Soviet underground literature of the 1960s and 70s Vaingurt also traces the inheritance of a far older tradition within Russian culture of salutary weakness As democratic deliberation continues to be under threat around the world alternatives to the ubiquitous politics of force are an aesthetic ethical and ideological imperative **A History of Russian Literature** Andrew Kahn, Mark Lipovetsky, Irina

Reyffman, Stephanie Sandler, 2018-04-13 Russia possesses one of the richest and most admired literatures of Europe reaching back to the eleventh century *A History of Russian Literature* provides a comprehensive account of Russian writing from its earliest origins in the monastic works of Kiev up to the present day still rife with the creative experiments of post Soviet literary life The volume proceeds chronologically in five parts extending from Kievan Rus in the 11th century to the present day The coverage strikes a balance between extensive overview and in depth thematic focus Parts are organized thematically

in chapters which a number of keywords that are important literary concepts that can serve as connecting motifs and case studies in depth discussions of writers institutions and texts that take the reader up close and personal Visual material also underscores the interrelation of the word and image at a number of points particularly significant in the medieval period and twentieth century The History addresses major continuities and discontinuities in the history of Russian literature across all periods and in particular brings out trans historical features that contribute to the notion of a national literature The volume s time range has the merit of identifying from the early modern period a vital set of national stereotypes and popular folklore about boundaries space Holy Russia and the charismatic king that offers culturally relevant material to later writers This volume delivers a fresh view on a series of key questions about Russia s literary history by providing new mappings of literary history and a narrative that pursues key concepts rather more than individual authorial careers This holistic narrative underscores the ways in which context and text are densely woven in Russian literature and demonstrates that the most exciting way to understand the canon and the development of tradition is through a discussion of the interrelation of major and minor figures historical events and literary politics literary theory and literary innovation

500 Kv. Long-distance Electric Transmission Andreï Mikhaïlovich Nekrasov,1966 *Foreign Relations of the United States 1964-1968* United States. Department of State,1992 **Transportation, Communications, and Electric Power in the USSR.** ,1958 This report presents unevaluated information selected from Russian language publications as indicated It is produced and disseminated as an aid to United States Government research

Nerve Center Michael K. Bohn,2003 Presents a behind the scenes look at the operation of the White House Situation Room **Foreign Relations of the United States** United States. Department of State,2004 *The Oxford Handbook of Computational Linguistics* Ruslan Mitkov,2004 This handbook of computational linguistics written for academics graduate students and researchers provides a state of the art reference to one of the most active and productive fields in linguistics

Activities Incompatible: Memoirs of a Kremlinologist and a Family Man 1963-1971 Martin Nicholson,2013-12-09 Activities Incompatible the third volume of Martin Nicholson s memoirs covers the years 1963 to 1971 when the author started his career as an analyst of Soviet political affairs in the Research Department of the Foreign Office in London and continued in the Russian Secretariat of the British Embassy Moscow In 1971 he took his wife and two children to Moscow for his second tour of duty as Head of the Russian Secretariat By this time he had also been appointed one of two official Russian interpreters for the Foreign and Commonwealth Office But the Cold War was still at its height and the knives were out between London and Moscow over the Soviet Union s espionage activities in the UK Martin was engulfed in the gathering storm of expulsions and counter expulsions of diplomats and its dramatic climax Here he tells the story from the inside

The Lone Hand ,1916 *Foxbats Over Dimona* Isabella Ginor,Gideon Remez,2008-10-01 Isabella Ginor and Gideon Remez s groundbreaking history of the Six Day War in 1967 radically changes our understanding of that conflict casting it as a crucial arena of Cold War intrigue that has shaped the Middle East to this

day The authors award winning Israeli journalists and historians have investigated newly available documents and testimonies from the former Soviet Union cross checked them against Israeli and Western sources and arrived at fresh and startling conclusions Contrary to previous interpretations Ginor and Remez s book shows that the Six Day War was the result of a joint Soviet Arab gambit to provoke Israel into a preemptive attack The authors reveal how the Soviets received a secret Israeli message indicating that Israel despite its official ambiguity was about to acquire nuclear weapons Determined to destroy Israel s nuclear program before it could produce an atomic bomb the Soviets then began preparing for war well before Moscow accused Israel of offensive intent the overt trigger of the crisis Ginor and Remez s startling account details how the Soviet Arab onslaught was to be unleashed once Israel had been drawn into action and was branded as the aggressor The Soviets had submarine based nuclear missiles poised for use against Israel in case it already possessed and tried to use an atomic device and the USSR prepared and actually began a marine landing on Israel s shores backed by strategic bombers and fighter squadrons They sent their most advanced still secret aircraft the MiG 25 Foxbat on provocative sorties over Israel s Dimona nuclear complex to prepare the planned attack on it and to scare Israel into making the first strike It was only the unpredicted devastation of Israel s response that narrowly thwarted the Soviet design *Thunder in the East* Evan Mawdsley, 2015-11-19 *Thunder in the East* originally published in 2005 is widely regarded as the best short history of the entire Nazi Soviet military conflict It tells the story from the pre war expectations of Hitler and Stalin through the pivotal battles deep in Russia in 1942 43 and on to the huge Soviet offensives across Eastern Europe in 1944 45 This final march of liberation destroyed the Third Reich and set Europe s history for the next 45 years The book provides penetrating answers to vital questions Why did the war in the East develop as it did Why did Hitler s Wehrmacht lose Why did the Red Army win and why did the people of Soviet Russia pay such a high price for victory The first edition took advantage of the flood of new sources that followed the end of the Soviet era This second edition takes account of what has been written over the last decade the Nazi Soviet war in all its aspects has continued to be the subject of extensive and innovative research and heated controversy **Moscow Stations** Venedikt Yerofeev, 2016-08-02 *Moscow Stations* Venedikt Yerofeev s autobiographical novel is in many ways the successor to Gogol s *Dead Souls* The two works are comic historical bookends with Gogol s novel portraying the sloth and corruption of feudal Russia and Yerofeev s novel portraying the sloth and corruption of feudal Communism The truth is that while the streets of Moscow may be clogged with Volvos and Mercedes sedans these days in keeping with the new capitalism the anguish and dissipation of the late coruscating empire are still the real fact of life for most people *Moscow Stations* remains a lesson in the current events of the Russian soul The novel is a mixture of high drunken comedy a portrait of a soul filled with wisdom and pickled in Hunter s vodka who spends his days traipsing around Moscow but has never once seen the Kremlin With this cheerful admission we are off on a hallucinatory ride through the increasingly desperate mind of Venedikt Yerofeev He once remarked that *Moscow Stations* was ninety pages of

funny stuff and ten pages of sad stuff but it is mostly about a clear eyed man who can still say no matter how much he has drunk I who have consumed so much that I ve lost track of how much and in what order I m the soberest man in the world
